In this edition of Latest insights on Asset Management, we highlight our latest [Pulse of Fintech](#). 2021 has seen an incredibly strong start to the year for the global fintech market. As you'll see from this edition of Pulse of Fintech, the rebound we saw in H2'20 continued into H1'21, with very robust investment across VC, PE, and venture capital. We saw growing deal sizes in a wide variety of fintech subsectors — from wealthtech and regtech to crypto and cybersecurity. If there was a word that could be used to describe H1'21, it would be: diversity.

You will also find [the CCO at the forefront of change](#), Our asset management podcasts series, supporting growth and ensuring care in the asset management regulation report as well as [KPMG 2021 Privacy Survey Results](#), and more.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these topics or any other business ideas or issues with you.

Sincerely,

Gary Pickering
