REPORT OF KPMG INC., THE LIQUIDATOR OF RELIANCE INSURANCE COMPANY – CANADIAN BRANCH

May 23, 2007

I. THE MOTION

1. This Report is respectfully filed in support of a motion by KPMG Inc., the provisional liquidator (the "Liquidator") of the insurance business in Canada of Reliance Insurance Company, for an Order (the "Directions Order") in the draft form attached to the Notice of Motion herein. In particular, the Liquidator respectfully seeks:

- a declaration and directions that the reinsurance proceeds set out in the Directions Order are payable to and shall be paid to the Liquidator by the respective respondents (the "Respondents") as set out therein, without any deduction or

reduction on account of set-off or otherwise, and that these are to be taken into the custody and control of the Liquidator pursuant to section 33 of the *Winding-up and Restructuring Act*;

- directions and authorizations to take all necessary steps to enforce the respective obligations of the Respondents, including enforcement and/or recognition proceedings in the United Kingdom or any other place where it appears the Respondents may have exigible assets;
- the issuance of a Letter of Request to the High Court of Justice in England, to aid in the collection of the reinsurance proceeds; and
- ancillary relief.

II. BACKGROUND

The Reliance Canada Branch

2. Reliance Insurance Company is a property and casualty insurer incorporated in or about 1820 in Pennsylvania, United States of America.

3. About March 1918, Reliance Insurance Company established a branch in the City of Toronto, Province of Ontario, to carry on specific insurance business in Canada ("Reliance Canada"). Reliance Canada then carried on business in Canada as a branch of foreign insurance company under the *Insurance Companies Act,* S.C. 1991, c. 47 and its predecessor legislation.

4. To insure risks in Canada, Reliance Canada requires an order of the Superintendent of Financial Institutions (the "Superintendent") under Part XIII of the *Insurance Companies Act*. The predecessor legislation had a similar requirement. Attached at Tab "2(B)" to Volume II of this Report (described in paragraph 11 below) is a copy of the

Superintendent's most recent order in respect of Reliance Canada, which authorizes specific insurance business to be conducted in Canada.

5. Pursuant to Part XIII of the *Insurance Companies Act*, a Canadian branch such as Reliance Canada is required, among other things, to:

- establish a chief agent in Canada;
- maintain an adequate margin of assets in Canada over liabilities in Canada;
- vest in trust, in Canada, assets of a prescribed value;
- maintain accounting records respecting its insurance business in Canada;
- maintain records for each customer in Canada, or claimant under a policy in Canada, the amount owing to the insurer and the nature of its liabilities to the customer or claimant;
- prepare and file an annual return of the condition and affairs in respect of the insurance business in Canada.

6. Reliance Canada's chief agent and office have always been located in Toronto. Reliance Canada's business has always been run by a separate employee force in Toronto.

7. Reliance Canada's assets were held in Canada, to back its liabilities under its insurance policies, as required under the *Insurance Companies Act*, and Reliance Canada maintained its own records in respect of its policyholders.

Reinsurance of Liabilities of the Canadian Branch

8. Property and casualty insurers generally reinsure some portion of their policy risk by way of reinsurance contracts (or 'treaties') with reinsurers. This was also the case with Reliance Canada.

9. Reliance Canada reported the reinsurance in respect of the branch's insurance liabilities in its filings of assets and liabilities in Canada with the Superintendent (known as "P&C2" returns). By way of example, an excerpt from Reliance Canada's P&C2 Annual Return for 2000, attached as Schedule "A", shows the reinsurance assets for Reliance Canada as of December 31, 2000. (As can be seen from the excerpt, the Superintendent requires both registered and unregistered reinsurance to be reported separately in the P&C2 returns. Registered reinsurance refers to reinsurance from Canadian-regulated companies, authorized branches or separately capitalized subsidiaries of foreign companies licensed in Canada. Unregistered reinsurance refers to reinsurance from reinsurers, such as the Respondents in this case, who are not regulated in Canada. The Superintendent requires federally-regulated branches of foreign property and casualty insurance companies to calculate a risk-based capital adequacy test called the Branch Asset Adequacy Test. To the extent that amounts recoverable from unregistered reinsurers, as reported on the balance sheet, are not covered by deposits held as security from the unregistered reinsurers, Canadian-regulated foreign branches must deduct their unregistered reinsurance when calculating their capital adequacy test.)

10. Some of the reinsurance for Reliance Canada was placed by Reliance Insurance Company under treaties that reinsured not only Reliance Canada liabilities but also liabilities of Reliance Insurance Company and numerous affiliates. This was the case for the reinsurance from the Respondents in this case. In each such case, only the portion of the reinsurance that was in respect of the Reliance Canada business is reported on the P&C2 returns as an asset of Reliance Canada.

Superintendent Takes Control of the Assets of Reliance Canada/ The Liquidations of Reliance Insurance Company and Reliance Canada

11. Volume II of this Report (being Schedule "B" to this Report) is a copy of the Application Record filed in this proceeding in respect of the motion for a winding-up order for Reliance Canada. This Application Record sets out the background for the request that a winding-up order be issued, and it contains the following:

Tab "1"	Notice of Application	
Tab "2"	Affidavit of François Gilbert sworn November 8, 2001	
	Tab "A"	Letter dated October 20, 2001 from Chief Agent to OSFI
	Tab "B"	Amended Order to Insure in Canada Risks effective April 1, 2001
	Tab "C"	Petition for Liquidation of Reliance Insurance Company in Pennsylvania dated October 3, 2001
	Tab "D"	Pennsylvania Order of Liquidation dated October 3, 2001
	Tab "E"	Letter dated October 5, 2001 from OSFI to Chief Agent
	Tab "F"	Letter dated October 11, 2001 from OSFI to Chief Agent
	Tab "G"	Letter dated October 17, 2001 from Blaney McMurtry to OSFI enclosing written submissions of the U.S. Liquidator
	Tab "H"	Letter dated October 19, 2001 from OSFI to Chief Agent
	Tab "I"	Letter dated November 7, 2001 from the U.S. Liquidator to OSFI
	Tab "J"	Letter dated November 7, 2001 from KPMG Inc. to OSFI
Tab "3"	Consent of KPMG Inc. dated November 8, 2001	

12. As described in these materials in Volume II, by October 2000 Reliance Canada had stopped issuing new policies and had begun "running off" (winding-down) its existing business.

13. In the Fall of 2001, the Insurance Commissioner for the Commonwealth of Pennsylvania, having determined that Reliance Insurance Company was insolvent, sought an order for the liquidation of Reliance Insurance Company.

14. Reliance Insurance Company was ordered liquidated by the Commonwealth Court of Pennsylvania on October 3, 2001, under the Pennsylvania *Insurance Department Act of 1921*. M. Diane Koken, the then Insurance Commissioner, was appointed Liquidator (the "U.S. Liquidator"). A copy of this Order is attached at Tab "2(D)" of Volume II of this Report.

15. On October 5, 2001, pursuant to the *Insurance Companies Act*, the Superintendent took control of "the assets in Canada of Reliance Insurance Company together with its other assets held in Canada under the control of its chief agent ..." (Tab "2(E)" of Volume II of this Report). These assets expressly included "all amounts received or receivable in respect of" the insurance business in Canada.

16. By Notice of Application dated November 8, 2001 (Tab 1 of Volume II of this Report), on the Superintendent's recommendation, an order for the winding-up of Reliance Canada was sought from this Court.

17. OSFI's evidence in support of the application for winding-up included the following in respect of Reliance Canada's reinsurance assets:

> "20. In addition to Assets in Canada, Reliance Canada reports reinsurance recoverables of approximately (Cdn.) $82 million as at June 30, 2001. Reinsurance treaties entered into through Reliance's U.S. offices represent approximately 10% to 15% of Reliance Canada's reinsurance recoverables, which amounts to approximately (Cdn.) $8 million to (Cdn.) $12 million. Reliance Canada has been experiencing significant difficulties and delays in collecting reinsurance proceeds under such treaties.
>
> 21. The reinsurance contracts between Reliance or Reliance Canada, on the one hand, and the reinsurers, on the other hand, contain insolvency and offsetting clauses. Some reinsurers have claimed set-off for amounts owing to Reliance Canada against amounts they claim are owed to them by Reliance. OSFI [the Office of the Superintendent of Financial Institutions] is concerned that other reinsurers may attempt to assert set-off, that the amounts may be material, and that the collection of reinsurance may be affected. OSFI is also concerned that the timing of collection will be prejudiced. As indicated in the Petition, the timing of collection of reinsurance proceeds has been a serious problem. The reinsurance treaties at issue, from Reliance Canada's point of view, include those that cover Reliance Canada's most volatile books of business (i.e. Director and Officer, Errors and Omissions, and Environmental Liability)."
>
> (Tab 2 of Volume II of this Report, paragraphs 20-21. The reference above to "Assets in Canada" is to assets vested in trust under the *Insurance Companies Act*.)

18. By Orders of this Court made December 3, 2001, (i) the insurance business of Reliance Canada was ordered to be wound-up pursuant to the provisions of the *Winding-up and Restructuring Act,* and (ii) the Liquidator was appointed provisional liquidator of Reliance Canada. A copy of the Order for the winding-up of Reliance Canada is attached as Schedule "C" to this Report. A copy of the appointment order ("the Appointment Order") made December 3, 2001 is attached as Schedule "D" to this Report.

19. Among other things, the Appointment Order provides:

> "2. THIS COURT ORDERS that KPMG Inc. be and is hereby appointed as provisional Liquidator (the "Liquidator") of the insurance business in Canada of the Respondent, including the assets in Canada of the Respondent, together with its other assets held in

Canada under the control of its chief agent, including, without limitation, all amounts received or receivable in respect of its insurance business in Canada ("Reliance (Canada)")."

"3. THIS COURT ORDERS that the amount recoverable from, due or owed by any reinsurer to Reliance (Canada) shall be paid to the Liquidator and shall not be reduced as a result of this Order or the winding-up order, notwithstanding any terms or contractual agreement to the contrary, and that any payment made directly by a reinsurer to an insured or other creditor or claimant of Reliance (Canada) or Reliance Insurance Company shall not diminish or reduce or affect such reinsurer's obligation to Reliance (Canada)."

"26. THIS COURT ORDERS that, without limiting the generality of the foregoing, and except upon further order of this Court having been obtained on at least 7 days' notice to the Liquidator:...

(e) all Claimants are restrained from exercising any extra judicial remedies against Reliance (Canada), including, without limitation, the registration or re-registration of any securities owned by Reliance (Canada) into the name of such persons, firms, corporations or entities or their nominees, the exercise of any voting rights attaching to such securities, the retention of any payments or other distributions made in respect of such securities, any right of distress, repossession, or consolidation of accounts in relation to amounts due or accruing due in respect of or arising from any indebtedness or obligation of Reliance (Canada) as of the date hereof."

20. Pursuant to these Orders at Schedules "C" and "D" hereto, and the *Winding-up and Restructuring Act*, the assets of Reliance Canada are held by the Liquidator for the benefit of claimants of Reliance Canada, separate and apart from the assets of Reliance Insurance Company.

The Respondent Reinsurers

21. Attached as Schedule "E" hereto is a chart (the "Reinsurance Chart"), setting out various reinsurers (the "Respondents") under reinsurance treaties placed by Reliance Insurance Company on behalf of itself, numerous affiliates and Reliance Canada.

22. Copies of the respective relevant reinsurance treaties of the Respondents are attached hereto as Schedules, as indicated correspondingly in the Reinsurance Chart attached as Schedule "E" hereto.

23. The Reinsurance Chart at Schedule "E" also sets out the respective amounts currently due from each Respondent, under its respective reinsurance treaty, for policy losses incurred by Reliance Canada (in Canadian dollars, unless United States ("U.S.") currency is specified).

24. In each case, the amount set out in the Reinsurance Chart is due in respect of, and only in respect of, the Reliance Canada insurance business. Where in certain cases reinstatement premium is owed by Reliance Canada to one of the Respondents, this has been credited to the appropriate Respondent, to arrive at the applicable net amount set out in the Reinsurance Chart.

25. The amounts set out in the Reinsurance Chart at Schedule "E" all became due under the respective reinsurance treaties only after the Superintendent's taking of control of the assets of Reliance Canada and after the subsequent commencement of the winding-up of Reliance Canada.

26. In the case of HIH Casualty & General Insurance Limited ("HIH"), HIH was placed under a scheme of arrangement in England in 2005, and so its scheme administrators are named herein as Respondents, with the relief sought against them being appropriately qualified to recognize that amounts payable by the Scheme Administrators of HIH are payable by way of distributions under the scheme of arrangement.

The Liquidator's Attempts to Collect the Reinsurance

27. Section 33 of the *Winding-up and Restructuring Act* provides:

> A liquidator, on his appointment, shall take into his custody or under his control all the property, effects and choses in action to which the company is or appears to be entitled, and shall perform such duties with reference to winding-up the business of the company as are imposed by the court or by this Act.

28. Section 161 of the *Winding-up and Restructuring Act*, in the Liquidator's view, contemplates that all receivables in respect of the insurance business in Canada are included in the "property, effects and choses in action" to be taken in.

29. The Liquidator is accordingly of the view that the *Winding-up and Restructuring Act* and the Appointment Order require that all amounts receivable in respect of Reliance Canada's insurance business, including receivables under reinsurance that are in respect of Reliance Canada's insurance business, are to form part of the assets of the Reliance Canada estate and are to be taken in by the Liquidator and made available to pay claims in respect of Reliance Canada's business. The amounts set out in Schedule "E", in the Liquidator's respectful view, properly lie within the estate of Reliance Canada.

30. The Liquidator understands that the respective Respondents do not dispute the relevant amounts, as set out in the Reinsurance Chart at Schedule "E", as being due in respect of losses under insurance liabilities of Reliance Canada that were reinsured under the respective reinsurance. However, each of the Respondents has refused to make payment of its respective obligation, either claiming that it is entitled to set off amounts that are or

might be owing to it under unrelated reinsurance issued by Reliance Insurance Company in favour of the Respondent, or for unstated reasons.

31. The Liquidator does not have sufficient information to know whether each of the Respondents is in fact owed any amounts by Reliance Insurance Company as a reinsurer itself. However, it is clear that none of the Respondents held any reinsurance issued or written by Reliance Canada, since Reliance Canada did not underwrite any reinsurance in favour of the Respondents, and none of the Respondents paid any premium to or for the account of Reliance Canada in respect of any reinsurance that may have been underwritten by Reliance Insurance Company. Thus, in the Liquidator's view, no amounts that are in any way connected to the business of Reliance Canada are owed to any of the Respondents.

32. The U.S. Liquidator does not assert any entitlement or claim to the reinsurance proceeds set out in the Reinsurance Chart at Schedule "E", and agrees that these proceeds belong to the estate of Reliance Canada without set-off on account of any amounts that might be due by Reliance Insurance Company as reinsurer of any of the Respondents.

33. Further, the U.S. Liquidator and the Liquidator of Reliance Canada agree that the amounts owed as set out in the Reinsurance Chart at Schedule "E" are in respect only of policy liabilities of Reliance Canada, and should be paid to the Liquidator of Reliance Canada without set-off or reduction. The U.S. Liquidator has undertaken that he will not seek any duplicate payment from the Respondents for amounts paid to the Liquidator of Reliance Canada as sought herein.

34. The inspectors appointed by this Court in this winding-up have confirmed their agreement with the position taken by the Liquidator in this motion.

III. REQUIREMENT FOR DIRECTIONS

35. The Liquidator is of the view that the position taken by the Respondents is prejudicial to the estate of Reliance Canada and its stakeholders, and that the practical effect of their position is to allow to the Respondents claims in the estate of Reliance Canada as if they were reinsureds of Reliance Canada, when they are not in fact claimants or policyholders with any admissible claims in the winding-up of Reliance Canada.

36. The Liquidator is respectfully of the view that the position taken by the Respondents, and their refusal to pay their obligations to Reliance Canada, frustrates the ability of the Liquidator to take into custody or control all the property, effects and choses in action to which Reliance Canada appears to be entitled, as required by the *Winding-up and Restructuring Act*, and frustrates the ability of the Liquidator to maximize recovery to the policyholders of Reliance Canada and to do so in an expeditious manner.

37. The Respondents, to the best of the Liquidator's knowledge, carry on business and have assets in the United Kingdom (and possibly other non-Canadian jurisdictions), and not in Canada. The Liquidator is advised by English counsel that pursuant to sections 234 and 426 of the *Insolvency Act, 1986* of Great Britain, the assistance of the High Court of Justice in England, Chancery Division may be sought to give recognition and effect to the Directions Order, and therefore the Liquidator respectfully seeks the issuance of a Letter

of Request as set out in the draft Directions Order sought herein. A copy of sections 234 and 426 of the *Insolvency Act, 1986* of Great Britain is attached as Schedule "M".

38. The Liquidator is of the view that it is important to the interests of all stakeholders in the winding-up of Reliance Canada to obtain the directions of this Honourable Court as to the correctness or incorrectness of the position of the Respondents and as to whether they are required to pay the amounts that they owe without any deduction or reduction for set-off or otherwise.

Lloyd's Entities

39. The Liquidator notes that many of the Respondents are the individual and corporate members of Lloyd's Syndicates (each identified in these materials by its individual syndicate number and its respective year of account). Each Lloyd's Syndicate is a group of corporate entities and/or individuals that join together to participate in insuring and/or reinsuring risks.

40. The subject Lloyd's Syndicates together involve thousands of individual and/or corporate members. It would be impractical and very expensive, and result in major delay, to attempt to identify, locate and serve every member of these Lloyd's Syndicates.

41. According to its website, the Lloyd's organization maintains an office in Montreal for its "Attorney in Fact in Canada." A link on Lloyd's website identifies this Attorney in Fact in Canada to be:

65

Nicholas Smith
1155, rue Metcalfe
Suite 1540
Montréal, Québec
H3B 2V6
Canada

42. This website also states that the main "functions and activities" of Lloyd's Canadian office. The first such function and activity listed is:

> "Service of suit — Accept service when served; ensure Lloyd's correspondent has arranged representation."

Attached as Schedule "N" is a printout of the relevant pages of the website.

43. Accordingly, the Liquidator believes, and respectfully submits, that service of the materials herein on the Attorney in Fact for Canada on behalf of the Lloyd's Syndicate members is a practical, effective and fair method of service on them and is very likely to come to the attention of their relevant representatives, and that appointing the Attorney in Fact in Canada as representative of the members of these Lloyd's Syndicates is appropriate. The Liquidator is advised by English counsel that the practice in England is in fact to name and serve a representative of a Lloyd's Syndicate, rather than each member of a Lloyd's Syndicate, when proceedings are commenced there.

IV. RELIEF SOUGHT

44. The Liquidator therefore respectfully seeks this Court's directions and related relief as requested in the within motion.

DATED the 23rd day of May, 2007

6. THIS COURT ORDERS that the amount recoverable from, due or owed by any reinsurer shall not be reduced as a result of this Order or the winding-up order, notwithstanding any terms or contractual agreement to the contrary, and that any payment made directly by a reinsurer to an insured or other creditor or claimant of Reliance (Canada) or Reliance Insurance Company shall not diminish or reduce or affect such reinsurer's obligation to Reliance (Canada).

7. THIS COURT ORDERS that the Liquidator is authorized to cure such defaults and effect such arrangements as may be required to reinstate such reinsurance affecting the operations of Reliance (Canada), as the Liquidator deems to be in the interest and for the protection of policyholders, creditors and claimants of Reliance (Canada).

8. Neither the Liquidator nor the Liquidator's agents, advisers or employees shall be liable to any person in respect of the Overpayments.

30. THIS COURT FURTHER ORDERS that the Liquidator may, with the approval of this Court and on such notice as the Court may direct, arrange for the transfer or reinsurance of all or a portion of the policies of Reliance (Canada).

31. THIS COURT ORDERS that the Liquidator and any of the Liquidator's agents, officers, directors, representatives or employees shall be deemed not to be an employer or a successor employer of the employees of Reliance (Canada) within the meaning of the *Pension Benefits Act* (Ontario), *Employment Standards Act* (Ontario), the *Labour Relations Act* (Ontario) or any other Federal, Provincial or Municipal legislation governing employment or labour standards or any other statute, regulation or rule of law or equity for any purpose whatsoever and, further, that the Liquidator and any of the Liquidator's agents, directors, officers, representatives or employees shall not be and shall be deemed not to be, in possession, charge or control of the property or business or affairs of Reliance (Canada) pursuant to any Federal, Provincial or Municipal

legislation, statute, regulation or rule of law or equity which imposes liability on the basis of such status including, without limitation, the *Environmental Protection Act* (Ontario), the *Canadian Environmental Protection Act*, or the *Ontario Water Resources Act*, and this shall be binding on all tribunals and administrative bodies.

32. THIS COURT ORDERS that the Liquidator may retain, employ or engage such actuaries, accountants, financial advisors, investment dealers, solicitors, attorneys, valuers or other expert or professional persons as the Liquidator deems necessary or desirable to assist the Liquidator in fulfilling the Liquidator's duties, and all reasonable and proper expenses which the Liquidator may incur in so doing shall be costs of liquidation of Reliance (Canada).

33. THIS COURT ORDERS that the Liquidator may act on the advice or information obtained from any actuary, accountant, financial advisor, investment dealer, solicitor, attorney, valuer or other expert or professional person, and the Liquidator shall not be responsible for any loss, depreciation or damage occasioned by acting in good faith in reliance thereon.

34. THIS COURT ORDERS that the Liquidator shall be paid such remuneration as the Court Orders.

35. THIS COURT ORDERS that the Liquidator shall be at liberty to apply reasonable amounts against its remuneration, expenses and disbursements on a monthly basis and that such amounts shall constitute advances against its remuneration and expenses on, but subject to, the passing of its accounts.

36. THIS COURT ORDERS that this Order and any other orders in these proceedings shall have full force and effect in all Provinces and Territories in Canada.

37. THIS COURT SEEKS AND REQUESTS the aid and recognition of any Court or administrative body in any Province or Territory of Canada and any Canadian Federal Court or

administrative body and any Federal or State Court or administrative body in the United States of America and any Court or administrative body in the United Kingdom or elsewhere to act in aid of and to be complementary to this Court in carrying out the terms of this Order.

38. THIS COURT ORDERS that the costs of this application shall be costs of liquidation of Reliance (Canada).

39. THIS COURT ORDERS that interested parties may apply to the Court for advice and directions on reasonable notice to the Liquidator and the Inspector, and that the Liquidator may at any time apply to this Court for advice and directions.

AFFIDAVIT OF FRANÇOIS GILBERT
(Sworn November 8, 2001)

I, **FRANÇOIS GILBERT**, of the City of Gatineau in the Province of Quebec, MAKE OATH AND SAY:

1. I am a certified general accountant, chartered insolvency practitioner and licensed trustee in bankruptcy. I am employed as a Senior Supervisor, Financial Institutions Group, Insurance, of the Office of the Superintendent of Financial Institutions ("OSFI"). In that capacity I am the primary supervisor of Reliance Insurance Company's Canadian branch (referred to herein as "Reliance (Canada)"), and as such have knowledge of the matters hereinafter deposed to.

Reliance Insurance Company and the Canada Branch

2. Reliance Insurance Company ("Reliance") is a long-standing property and casualty insurer in the United States of America, domiciled in the Commonwealth of Pennsylvania. Reliance carries on business in Canada as a "foreign company" within the meaning of the *Insurance Companies Act* through its branch, Reliance (Canada), since 1918.

3. Foreign insurance companies can operate within Canada on a branch basis, with the approval of the Superintendent of Financial Institutions (the "Superintendent"), insuring risks that the Superintendent specifically approves. The establishment of a branch requires approval of the Minister of Finance, who must be satisfied that the insurer is capable of making a contribution to the financial system in Canada. The conditions for the Superintendent's approval include the vesting in trust with the Superintendent of assets which have a prescribed value.

4. Prior to March, 2001, Reliance (Canada) was authorized to transact several classes of insurance:

- property
- accident and sickness
- aircraft
- automobile
- boiler and machinery
- fidelity
- liability
- surety

5. I am informed by Robert O. Sanderson, president of KPMG Inc., one of the OSFI Designated Representatives (referred to below), and verily believe that under the classes of liability insurance, Reliance (Canada) specialized in providing coverage for, among other things:

(a) professional liability, such as for lawyers, engineers, architects, and dentists and for hospital program and the health care industry;

(b) directors and officers liability, for which Reliance was a significant source in Canada;

(c) pollution and environmental liability; and

(d) product liability.

Although it was only authorized to transact Canadian insurance business, there are a number of claims against Canadian policyholders which arose in the United States, where there are outstanding actions.

6. In October, 2000, the chief agent for Reliance (Canada), Denis Morin (the "Chief Agent"), wrote to OSFI advising that Reliance (Canada) would commence voluntary "run off" of its insurance business. The "run off" of an insurance business means that there are no new policies being written and that the company's activities are restricted to dealing with claims on existing and terminated policies, and collecting receivables. Effectively, the company is winding down its business. The Chief Agent reported that:

(a) the parent company of Reliance was experiencing financial difficulties and the rating agency, A.M. Best, had begun a series of downgrades of Reliance's rating, which created negative impact in the marketplace in both Canada and the United States;

(b) attempts were undertaken to sell Reliance (Canada) but were unsuccessful and large blocks of business, across all insurance lines, were being targeted by competing insurers, resulting in escalating cancellations of policies; and

(c) in recognition of Reliance (Canada)'s inability to stem the flow of business, and after consultation with management in the United States, professional advisors and the internal Branch management team, the decision was made to run off the business in Canada.

Attached as Exhibit "A" is a copy of the letter dated October 20, 2000 from the Chief Agent in this regard.

7. OSFI took a number of actions in response to Reliance's financial difficulties including:

(a) It froze the vested assets (the "Assets in Canada"), meaning that Reliance (Canada) could not get access to the Assets in Canada without OSFI approval;

(b) It requested the Chief Agent not to send assets under his control to Reliance without OSFI approval; and

(c) It restricted Reliance (Canada) to servicing existing policies, without writing new business. Attached hereto as Exhibit "B" is a copy of the Amended Order to Insure in Canada Risks under the *Insurance Companies Act* with respect to Reliance (Canada).

8. Reliance (Canada) now employs 16 people, including its Chief Agent. Excluding the "Meridian Program", referred to below, there are 16 policies still in force with all other policies having expired or having been cancelled, and in excess of 1,400 outstanding claims. In addition, insurance companies also have to take into account "incurred but not reported" claims for which the insurer will ultimately be put on notice and to which it will have to respond. Reliance (Canada) also operated a program known as the "Meridian Program", still in force. This program provides extended warranty coverage to automobile, motorcycle and

other vehicle purchasers through their respective dealers. There are approximately 20,000 warranty certificate holders located in provinces across the country.

U.S. Liquidation Proceedings

9. On October 3, 2001, the Insurance Commissioner for the Commonwealth of Pennsylvania filed a Petition for Liquidation of Reliance, of which she was already the court-appointed Rehabilitator. A copy of the Petition for Liquidation, dated October 3, 2001, (the "Petition") is attached as Exhibit "C" hereto.

10. The Petition indicates in the paragraphs referred to, among other things, that:

- Because of its financial condition, Reliance was put into formal supervision by the Insurance Commissioner on January 29, 2001. Reliance consented to being put under supervision. (paragraph 5)
- On May 29, 2001, the Commonwealth Court of Pennsylvania issued an Order of Rehabilitation in respect of Reliance. Reliance's Board of Directors consented to the entry of the Order of Rehabilitation. (paragraph 6)
- After diligent efforts, the Insurance Commissioner determined that:
  - (a) the continued rehabilitation of Reliance would substantially increase the risk of loss to policyholders and creditors and would be futile; and
  - (b) Reliance is insolvent. (paragraph 8)
- Specifically, there will be insufficient assets to pay all policyholders in full. (paragraph 9)
- Reliance's financial statements as of September 30, 2000 showed a surplus in the company of (U.S.)$624 million. On April 4, 2001 Reliance reported that as of December 31, 2000 Reliance had a negative "surplus" of (U.S.)$220 million. (paragraphs 10 and 12)
- In August 2001, Reliance provided unaudited financial statements showing the negative surplus as of December 31, 2000 to be (U.S.)$730 million. (paragraph 14)

- On September 28, 2001, Reliance completed financial statements disclosing that the negative surplus as of March 31, 2001 was in fact (U.S.)$1,053,700,000. (paragraph 15)

- The negative surplus figure likely underestimates the present financial condition of Reliance. (paragraph 16)

- Reliance is experiencing seriously deteriorating reinsurance collections since the terrorist attacks of September 11, 2001. Reliance is heavily exposed to reinsurance: Reliance's total assets, stated at (U.S.)$8.8 billion, include approximately (U.S.)$5.1 billion of reinsurance collectibles from over 1,000 reinsurers. Reinsurance receivables are Reliance's main source of cash to pay claims. (paragraphs 18 and 19)

- Most of Reliance's non-reinsurance assets are not readily marketable. (paragraph 20)

- The delays in collection of reinsurance proceeds will result, in the very near future, in Reliance being unable to pay claims as they become due. (paragraph 20)

- Reliance has insufficient cash resources to meet its present financial obligations, without certain asset sales, commutations and borrowings, which are "projected but uncertain". (paragraph 22)

- Reliance's weekly cash needs for claims and expenses average between US$35 and $40 million. (paragraph 21)

- Reliance had a cash deficit of over (U.S.)$31 million in September, 2001. Cash flow projections for October, November and December, 2001 show "ever larger cash deficits ....". (paragraph 23)

- Reliance deposited monies in trust with insurance regulators in various states pursuant to the statutory requirements of those states. The deposits exceeded (U.S.)$400 million. Despite efforts of the Insurance Commissioner, as Rehabilitator, to obtain agreements to allow her to access the statutory deposits, many states refused to release them, contributing to Reliance's serious cash flow deficiencies. (paragraph 26)

- Reliance will run out of all available cash early in the fourth quarter of 2001. (paragraph 25)

11. The Insurance Commissioner, in the Petition, concluded that:

> "Reliance is insolvent, and the entry of an Order of Liquidation is necessary for the equitable protection of policyholders." (paragraph 36)

12. The Commonwealth Court of Pennsylvania granted the Petition and ordered Reliance to be liquidated. A copy of the Liquidation Order is attached as Exhibit "D" hereto.

13. The Liquidation Order finds and declares Reliance to be insolvent under the Pennsylvania statute and claims to vest the Insurance Commissioner (sometimes referred to herein as the "U.S. Liquidator") "with title to all property, assets, contracts and rights of action" of Reliance, "of whatever nature and wherever located ..." (emphasis added). (paragraphs 1 and 5)

14. The Liquidation Order further provides, among other things:

> All assets of Reliance are hereby found to be in custodia legis of this Court; and this Court specifically asserts, to the fullest extent of its authority, (a) in rem jurisdiction over all assets of the Company wherever they may be located and regardless of whether they are held in the name of the Company or any other name; (b) exclusive jurisdiction over all determinations of the validity and amount of claims against Reliance; and (c) exclusive jurisdiction over the determination of the distribution priority of all claims against Reliance. (emphasis added) (paragraph 5)

15. The Liquidation Order also provides:

> **CONTINUATION AND CANCELLATION OF COVERAGE**
>
> 17. All policies and contracts of insurance, whether issued within this Commonwealth or elsewhere, in effect on the date of this Order shall continue in force only with respect to risks in effect at that time, for the lesser of the following: (a) thirty days from the date of this Order; (b) until the normal expiration of the policy or contract providing insurance coverage; (c) until the insured has replaced the insurance coverage with equivalent insurance with another insurer or otherwise terminated the policy; or (d) until the Liquidator has effected a transfer of the policy obligation pursuant Section 221.23(8). All policies or contracts of insurance issued by Reliance are hereby cancelled and terminated for all purposes effective thirty days from the date of this Order. (emphasis added) (paragraph 17)

16. The Insurance Commissioner's "consolidated domestic statements of the assets and liabilities of Reliance", included in the Petition (Exhibit "A" to the Petition), states that it does not include the assets and liabilities of Reliance (Canada).

17. Other than the exclusion referred to in the statement of assets and liability, the Petition and the Liquidation Order do not expressly address issues relating to Reliance (Canada) or its assets or liabilities. They do not distinguish Reliance (Canada) from Reliance as a whole, or recognize any separate need for protection or consideration of policyholders or claimants of Reliance (Canada).

18. On October 4, 2001 the Superintendent learned that the Liquidation Order had been made.

The Superintendent's Exercise of Control Under the Insurance Companies Act

Assets in Canada not Sufficient

19. The Superintendent, in reaching his opinion referred to in paragraph 22 below, considered the following facts:

(a) The most current financial information received from Reliance (Canada) discloses that, as at June 30, 2001, the Assets in Canada totalled approximately (Cdn.) $171 million, compared to total gross liabilities of (Cdn.) $167 million. Accordingly, the Assets in Canada are insufficient to cover any material increase in gross liabilities;

(b) As reported on page 60.40 of Reliance (Canada)'s P&C-2 annual return for December 31, 2000, Reliance (Canada)'s net claims and adjustment expenses have historically been underestimated by 20% to 40%. This indicates that the gross liabilities may well be underestimated by (Cdn.) $28 million to (Cdn.) $57 million; and

(c) OSFI's review of the liabilities of Reliance (Canada) also indicated that the bulk of Reliance (Canada)'s underwriting was of a nature that generates a low frequency of claims with potential of high severity and an inherently high degree of volatility and uncertainty. This, combined with the experience of Reliance in the U.S. described in the Petition, gave OSFI concern that the liabilities of Reliance (Canada) may have been understated.

Reinsurance

20. In addition to Assets in Canada, Reliance (Canada) reports reinsurance recoverables of approximately (Cdn.) $82 million as at June 30, 2001. Reinsurance treaties entered into through Reliance's U.S. offices represent approximately 10% to 15% of Reliance (Canada)'s reinsurance recoverables, which amounts to approximately (Cdn.) $8 million to (Cdn.) $12 million. Reliance (Canada) has been experiencing significant difficulties and delays in collecting reinsurance proceeds under such treaties.

21. The reinsurance contracts between Reliance or Reliance (Canada), on the one hand, and the reinsurers, on the other hand, contain insolvency and offsetting clauses. Some reinsurers have claimed set-off for amounts owing to Reliance (Canada) against amounts they claim are owed to them by Reliance. OSFI is concerned that other reinsurers may attempt to assert set-off, that the amounts may be material, and that the collection of reinsurance may be affected. OSFI is also concerned that the timing of collection will be prejudiced. As indicated in the Petition, the timing of collection of reinsurance proceeds has been a serious problem. The reinsurance treaties at issue, from Reliance (Canada)'s point of view, include those that cover Reliance (Canada)'s most volatile books of business (i.e., Director and Officer, Errors and Omissions, and Environmental Liability).

Taking Control

22. On October 5, 2001, the Superintendent, having formed the opinion that:

(a) in respect of its insurance business in Canada, Reliance (Canada) will not be able to pay its liabilities as they become due and payable;

(b) a practice or state of affairs exist in respect of Reliance (Canada) that may be materially prejudicial to the interests of policyholders or creditors in Canada; and

(c) Reliance's Assets in Canada are not sufficient to give adequate protection to its policyholders and creditors in Canada,

took control of the Assets in Canada together with its other assets held in Canada under the control of its chief agent, including all amounts received or receivable in respect of its insurance business in Canada (the "Assets") for a period not exceeding 16 days pursuant to section 679(1)(a) of the *Insurance Companies Act* and notified the Chief Agent by letter dated October 5, 2001, a copy of which is attached as Exhibit "E".

23. Further, on October 5, 2001, pursuant to the *Insurance Companies Act*, the Superintendent designated myself, Karen Badgerow-Croteau and the firm of KPMG Inc. to act as his representatives in this regard (the "Designated Representatives").

24. By letter of October 11, 2001, the Superintendent advised the Chief Agent and the U.S. Liquidator that, subject to written representations to be received on or before October 17, 2001, and unless the Secretary of State (International Financial Institutions) advised him that it is not in the public interest to do so, he intended to continue control of the Assets beyond 16 days and to request the Attorney General of Canada to apply to the Court for a winding-up order in respect of the insurance business of Reliance in Canada. Attached as Exhibit "F" is a copy of the Superintendent's letter of October 11, 2001.

25. On October 17, 2001, the U.S. Liquidator, through its Canadian solicitor, submitted written representations. Attached as Exhibit "G" is a copy of these representations. The blackened portion contains confidential information concerning a policyholder.

26. These written representations did not alter the Superintendent's opinion that, for the benefit of the Canadian policyholders and creditors, he should continue control of the Assets beyond 16 days and request the Attorney General of Canada to apply to the Court for a winding-up order.

27. On October 18, 2001, the Superintendent informed the Secretary of State (International Financial Institutions) of his intention to continue control of the Assets beyond 16 days and to request the Attorney General of Canada to apply to court for a winding-up order.

28. The Secretary of State, through his counsel, advised that he was not of the opinion that it was not in the public interest to continue control of the Assets beyond 16 days.

29. By letter of October 19, 2001, the Superintendent advised the Chief Agent and the U.S. Liquidator that, after due consideration of the representations submitted by the U.S. Liquidator, the Superintendent remained of the opinion that in respect of the insurance business in Canada:

- Reliance (Canada) will not be able to pay its liabilities as they come due and payable;
- a practice or state of affairs exist in respect of Reliance (Canada) that may be materially prejudicial to the interests of its policyholders or creditors in Canada;
- the Assets in Canada are not sufficient to give adequate protection to its policyholders and creditors in Canada.

The Superintendent further advised that he was continuing control of the Assets beyond 16 days and confirmed the authority of the Designated Representatives. Attached as Exhibit "H" is a copy of this letter.

30. By letter of October 19, 2001, the Superintendent asked the Attorney General of Canada to apply to the Ontario Superior Court of Justice, pursuant to Section 684.1 of the *Insurance Companies Act*, for a winding-up order of the insurance business of Reliance (Canada).

Protection of Canadian Policyholders and Creditors

31. Since the taking of control I have been advised by KPMG Inc. and verily believe that the assumptions made in the October 20, 2000 report referred to in Exhibit "A" as to claims and claims adjustment expenses in running-off Reliance (Canada)'s business appear to have been overly optimistic. The projected amount for claims and claims adjustment expenses for the six month period ended June 30, 2001 was less than $1 million. In fact, Reliance (Canada) suffered claims and claims adjustment expenses of (Cdn.) $9.9 million for the period. Despite lower than projected operating costs, Reliance (Canada) incurred a loss of (Cdn.) $3.9 million for the six month period ended June 30, 2001. This further supports that opinion that the Assets are inadequate.

32. The liquidation of Reliance in the U.S. has a material impact on Reliance (Canada). Reliance is insolvent. Reliance (Canada) cannot look to Reliance for financial support. Reliance (Canada) has depended on Reliance for certain administrative, information technology and processing functions. The liquidation of Reliance may further negatively affect the extent, timing and quality of these services being provided to Reliance (Canada)

given the many competing priorities and issues faced by the U.S. Liquidator. Already, during the Rehabilitation period, there was great uncertainty concerning the future direction of Reliance (Canada), the position of the employees and the accessibility to decision-makers.

33. OSFI also believes that serious prejudice would result to policyholders of Reliance (Canada), by reason of there being no stay of proceedings and claims in respect of Reliance (Canada). Without the protection of such a stay, the assets available for claims of policyholders of Reliance (Canada) are exposed to the risk of claims by Reliance claimants generally being asserted in Canada.

34. Since the taking of control, policyholder claims and the costs of defending claims against policyholders have been paid. However, in the event of a protracted control period with mounting costs, the Superintendent may have to reconsider such payments to ensure there is no prejudice to policyholders in the future.

35. Attached as Exhibit "I" is a copy of a letter dated November 7, 2001, from the U.S. Liquidator to the Superintendent. The U.S. Liquidator refers to an October 17, 2001 letter which is attached hereto as Exhibit "G". She states that in her view, it is not unreasonable to delay the winding-up of Reliance (Canada) for 2 months, to give her time to explore the marketplace to determine if a transaction covering the Canadian liabilities can be consummated. She goes on to state:

> "we do not believe that the time requested will cause undo [*sic*] harm to the Canadian policyholders."

36. The Superintendent took into account the U.S. Liquidator's concerns in continuing his control of the assets and in bringing on this application. Among the things he considered, which have been referred to herein, was the fact that Reliance's efforts to market Reliance

(Canada) were unsuccessful as of October 20, 2000. I am not aware of any formal marketing efforts by Reliance since October 20, 2000 or during the Rehabilitation.

37. The Superintendent recommends that KPMG Inc. be appointed liquidator of Reliance (Canada). Attached as Exhibit "J" is a copy of KPMG Inc.'s letter to OSFI dated November 8, 2001. KPMG Inc. confirms that, in the event of a liquidation of Reliance (Canada), the best interests of its policyholders, creditors and other interested parties would be served if, in the initial phases, the liquidator "explored the possibility of the arranging for transfer or reinsurance of all or a portion of the policies of Reliance (Canada)". Indeed, KPMG Inc. provides specific recommendations for provisions in an order precisely to enhance the value of the estate.

38. I therefore believe that the interest of the U.S. Liquidator in preserving the opportunity of a transaction maximizing the value of Reliance (Canada) is not undermined by a winding-up of Reliance (Canada). To the contrary, I believe the exercise of the powers of winding-up will preserve and enhance its value. A liquidator of Reliance (Canada) will in fact be in the best position to accomplish this, and to seek a potential sale of Reliance (Canada), while at the same time having the ability in the meantime to protect the interests of the policyholders and claimants of Reliance (Canada).

39. Therefore, while OSFI appreciates the U.S. Liquidator's obligation to U.S. policyholders, the Superintendent remains concerned that the Assets in Canada are not sufficient to protect the Canadian policyholders and believes that the best interest of all parties will be served by bringing certainty to Reliance (Canada) on as timely a basis as possible.

40. In summary:

(a) the Superintendent has taken control of the Assets of Reliance (Canada), being a branch of a foreign insurance company, under subparagraphs 679(1)(b)(i) and (ii) of the *Insurance Companies Act*;

(b) the control of Reliance (Canada)'s Assets was taken, *inter alia*, on the grounds referred to in paragraphs 679(1.2)(a) and (c) of the *Insurance Companies Act*; and

(c) it is vital, to ensure protection of the policyholders of Reliance (Canada), that clarity, certainty and informed management be brought to Reliance (Canada). The financial information that is available shows an ongoing financial deterioration, in a context where even the apparent very narrow surplus of vested assets for Reliance (Canada) is suspect as having underestimated the risk and claims exposure of Reliance (Canada).

41. For the reasons cited throughout this affidavit, policyholders and creditors of Reliance (Canada) are not adequately protected. The control, powers and supervision of a winding-up proceeding, will be in the best interests of the policyholders and creditors of Reliance (Canada).

Dear Francois,

Enclosed are three draft copies of the report for the voluntary and orderly runoff of Reliance Insurance Company, Canadian Branch.

This report was written in collaboration with, and input from, our external accountants, actuaries, and legal counsel along with input from our Parent in the United States, and, of course, our own management team here in Toronto.

The report has been written from a high level perspective with emphasis on our obligation to respond fully to policyholders and all the stakeholders. I believe you will concur that we have met that objective.

Francois, we believe that we have anticipated many of the questions you would ask. However, we remain available to respond to any information contained in the draft or otherwise. As stated, it is a draft and we welcome your comments. Timing is such that October estimates will soon be 'actuals' and we will revise the exhibits during early November and forward copies of same to you.

With the exception of the week of November 6th, my calendar is free for the purpose of being available to you to answer questions and to take this draft report to the next level.

Thank you for your consideration in this matter.

PETITION FOR LIQUIDATION

Petitioner M. Diane Koken, Insurance Commissioner of the Commonwealth of Pennsylvania (the "Commissioner"), in her capacity as Rehabilitator of Reliance Insurance Company (the "Rehabilitator"), hereby seeks an order of liquidation of the business and affairs of Reliance Insurance Company (in Rehabilitation) ("Reliance" or the "Company"), effective immediately, pursuant to Article V of the Insurance Department Act of 1921 (the "Act"), 40 P.S. §§221.14, 221.18(a), 221.19, and 221.20.

INTRODUCTION

The serious financial difficulties faced by Reliance, which were worse than known by the Commissioner on May 29, 2001 when the Order of Rehabilitation was entered, were exacerbated recently by the ramifications of the terrorist attack on the World Trade Center. Specifically, Reliance's main source of cash to pay claims, reinsurance receivables, has slowed seriously since the attack from already unacceptable levels. This obviously unanticipated development occurred in the context of the Commissioner's receipt, during the last week, of

financial statements as of March 31, 2001 showing a negative surplus of $1.05 billion (a much more negative level than was known on May 29), and financial modeling results that indicate that Reliance will run out of cash as early as the current quarter of 2001 (assuming no extraordinary sources of cash). The coalescing of these three factors, any one of which renders impossible a successful rehabilitation where all policyholder claims are paid in full, has forced the difficult conclusion that Reliance should be placed in liquidation immediately.

Accordingly, the Commissioner, after extensive and diligent effort, has determined that there is no alternative to the liquidation of Reliance, for the following reasons, as explained more fully herein: the Commissioner has determined, pursuant to §221.18(a) of the Act, that due to a variety of circumstances, any further attempts to rehabilitate Reliance would substantially increase the risk of loss to creditors, policyholders and the public, and would be futile. Specifically, among other things, it has been determined that the assets of Reliance will be insufficient to pay all policyholder claims in full, and accordingly, that the equitable pro-rata distribution of assets in liquidation is in the public interest. The Commissioner has further determined, pursuant to §221.14(1) of the Act, that Reliance is insolvent, and that absent the possibility of a viable rehabilitation plan, the further transaction of business would be hazardous, financially, to its policyholders, creditors and the public. In addition, §221.19 of the Act provides that all grounds for rehabilitation under §221.14, including consent of the insurer, are grounds for liquidation. Reliance, through the Rehabilitator, acting pursuant to her authority under 40 P.S. §221.16(b), has consented to the entry of the proposed Order of Liquidation due to the futility of further efforts at rehabilitation and the Company's insolvent and financially hazardous condition.

JURISDICTION

1. Jurisdiction is founded upon 42 Pa. C.S. §761(a) and 40 P.S. §221.4(d).

PARTIES

2. Plaintiff is M. Diane Koken, acting in her official capacity as Insurance Commissioner of the Commonwealth of Pennsylvania and as Rehabilitator of Reliance. The Commissioner maintains her principal office at 1326 Strawberry Square, Harristown State Office Building No. 1, Harrisburg, Pennsylvania 17120.

3. Under the Act, the Commissioner is vested with the authority and charged with the duty to execute the insurance laws of the Commonwealth of Pennsylvania for the protection of policyholders, creditors and the public, generally. 40 P.S. §221.1 et seq.; see 40 P.S. §§41-42.

4. Reliance is primarily a property and casualty insurer organized and existing under the laws of the Commonwealth of Pennsylvania. Reliance is domiciled in Pennsylvania and maintains principal places of business at Three Parkway, Philadelphia, Pennsylvania, 19103, and 5 Hanover Street, 17th Floor, New York, New York, 10004.

BACKGROUND

5. Based upon its financial condition reported on November 16, 2000, the Commissioner, with Reliance's consent, placed Reliance under the formal supervision of the Department on January 29, 2001. See 40 P.S. § 221.11.

6. On May 29, 2001, this Court, with the consent of Reliance, issued an Order of Rehabilitation, appointing the Commissioner as statutory Rehabilitator of Reliance pursuant

to the Act. See 40 P.S. §221.15. The Commissioner now brings this Petition for Liquidation pursuant to the authority conferred on her by 40 P.S. §§ 221.18(a), 221.19 and 221.20.

7. At the inception of the rehabilitation on May 29, 2001, more than halfway through the second quarter of 2001, Reliance had not completed or delivered to the Department its year-end December 31, 2000 financial statement. Reliance's failure to deliver timely financial information to the Department prevented the Commissioner from accurately evaluating the Company's financial condition until well after the Commissioner took control of the Company in rehabilitation. Only after May 29, when the Commissioner and the Rehabilitation Team moved into Reliance's offices and had unfettered access, for the first time, to Reliance's books, records and employees (as were still available and cooperative), did the Rehabilitator have the opportunity to assess objectively Reliance's claims exposure, Reliance's claims reserve adequacy, and Reliance's reinsurance assets.

8. The Commissioner, as Rehabilitator, estimated that up to six months would be needed to evaluate the financial condition of Reliance in sufficient detail to make a reasonable assessment of the feasibility of a Plan of Rehabilitation for Reliance or whether liquidation was necessary. After four months of diligent efforts, the Commissioner has determined (a) that the continued rehabilitation of Reliance would substantially increase the risk of loss to policyholders, creditors and the public, and would be futile; and (b) that the Company is insolvent as that term is defined in the Act. See 40 P.S. §§ 221.3, 221.18(a). These conclusions are supported by: (a) the just-completed first quarter (3/31/01) financial statements of Reliance, which show a significantly worse financial position than was known to the Rehabilitator as of May 29, 2001; (b) the ongoing shortfall in cash receipts (especially

reinsurance) needed to pay Reliance policyholder claims and administrative expenses; and (c) output from the long-term financial model prepared by Ernst & Young which shows, as of September 29, 2001 and considering the recent rate of reinsurance collections, that Reliance will be unable to pay policyholder claims as early as this fourth quarter of 2001.

GROUNDS FOR LIQUIDATION

A. Further Attempts to Rehabilitate Reliance Would Be Futile

9. Section 221.18(a) of the Act provides:

> Whenever [s]he has reasonable cause to believe that further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policy and certificate holders, or the public, or would be futile, the rehabilitator may petition the Commonwealth Court for an order of liquidation. . . .

40 P.S. §221.18(a). The Commissioner, as Rehabilitator of Reliance, has determined that further attempts to rehabilitate Reliance would substantially increase the risk of loss to the policyholders, claimants and creditors of Reliance and would be futile. Specifically, there will be insufficient assets to pay all policyholder claims in full.

1. First Quarter Financial Statements Disclosed A Financial Condition Worse Than Previously Known

10. On November 16, 2000, Reliance provided the Department with a copy of its 2000 third quarter financial statements showing that as of September 30, 2000, the Company had a surplus of approximately $624 million. Because the reported surplus had decreased dramatically, the Department informed Reliance that supervision under the Act would be required, and the Department and the Company began negotiating the terms of a supervisory order. On January 29, 2001, with the agreement of the Company, the Commissioner entered an order placing Reliance under statutory supervision.

11. In February, 2001, the Company notified the Department that its December 31, 2000 year-end audited financial statements were not complete and would not be provided. In response, the Department demanded additional information from Reliance's officers, directors and managers regarding whether and how much the Company's financial condition had deteriorated as compared with the 2000 third quarter financial statements.

12. In April 2001, the Department placed a representative at Reliance to monitor the Company while a consent to formal rehabilitation proceedings was negotiated between the Department and the directors of Reliance. Reliance reported to the Department on April 4, 2001 that the 2000 year-end financial statements remained incomplete and further confirmed that, as of December 31, 2000, the Company's surplus was negative $220 million. The Department immediately took steps to finalize Reliance's consent to rehabilitation (which was believed desirable to avoid a potentially lengthy contested proceeding) and place Reliance in rehabilitation.

13. On May 29, 2001, the Company's board of directors consented to the entry of an Order of Rehabilitation. The Commissioner, as Rehabilitator, then took control of the Company.

14. Shortly after the commencement of rehabilitation, when it became apparent that Deloitte & Touche could not predict when the audited December 31 financials would be completed, the Rehabilitator discharged the auditors and directed the Company to immediately complete the 2000 year-end financial statements. In mid-August, 2001, the Company provided the Rehabilitator with unaudited financial statements showing that, as of

December 31, 2000, Reliance's surplus was actually negative $730 million -- not the negative $220 million reported by the Company in April, 2001.

15. The Rehabilitator directed the Company to prepare the 2001 first quarter financial statements for the period ending March 31, 2001. On September 28, 2001, Reliance completed the financial statements, which showed that as of March 31, 2001, the total admitted assets of Reliance were $8.8 billion. The total liabilities of the Company, as of that same date, were approximately $9.9 billion, **leaving a negative surplus of $1,053,700,000**. See Attachment "A", First Quarter 2001 Balance Sheet.

16. Since March 31, 2001, the financial condition of Reliance has continued to deteriorate. Consequently, the negative surplus reflected on the March 31 balance sheet likely underestimates the present financial condition of the Company. Reliance's total assets of $8.8 billion assumes that all reinsurance recoverables (approximately $5.1 billion) are collectible from the Company's over 1000 reinsurers. The delays Reliance is experiencing in collection have increased since the World Trade Center tragedy on September 11, 2001, which has caused significant uncertainty in the insurance industry. Other assets have also declined in value.

17. Given that Reliance's liabilities exceeded its assets by well over $1 billion as of March 31, 2001, combined with the deteriorating reinsurance collections, the continued rehabilitation of Reliance would likely increase the risk of loss to the Company's insureds, creditors and the general public and would be futile. See 40 P.S. §221.18(a).

2. Crippling Delays in Receipt of Reinsurance Proceeds

18. Reinsurance receivables and recoverables comprise Reliance's largest pool of assets and account for over 65% of Reliance's cash receipts. Reliance's ability to meet its daily policyholder claims and expense obligations depends on timely and continuing receipt of reinsurance proceeds. Since the beginning of 2001, and throughout the period of the rehabilitation, Reliance has been experiencing greater delays in receipt of reinsurance proceeds from its reinsurers than it had experienced as a matter of course over the years. The Rehabilitator made concerted efforts to expedite the payment of reinsurance proceeds upon taking over Reliance, but has not seen improvement.

19. Recent events have made timely collections even more difficult. The World Trade Center complex housed several of Reliance's reinsurers and reinsurance intermediaries, and the destruction of those buildings and the loss of life on September 11 exacerbated the delay in receipt of reinsurance proceeds. Reinsurance receipts in September were lower than projected, and lower than the receipts in July and August.

20. Although Reliance holds some non-reinsurance assets, most of these assets are not readily marketable and considerable time will be required to accomplish sales of these assets at commercially reasonable prices. The delays in collection of reinsurance proceeds will result, in the very near future, in Reliance being unable to pay claims as they become due, threatening to increase the risk of loss to Company policyholders, absent the orderly liquidation process set forth in the Act.

3. Claims Payment Requirement in Coming Months Cannot Be Met

21. Reliance's current weekly cash needs for claims and expenses average between $35 and $40 million. This figure increased from the last status report due to the expiration of stays and the increase in litigation activity after the end of the summer slow-down. Projections reflect that reinsurance receipts are expected to average only between $12 and $18 million per week in the near future. Reliance's residual premium income is projected to shrink from approximately $17 million in the month of September to only $5 million in December 2001.

22. Cash flow projections show that Reliance will lack available cash from all ordinary sources to meet its obligations as they come due over the course of the next three months. Indeed, without the projected but uncertain asset sales, commutations and borrowings, Reliance has insufficient cash resources to meet its present financial obligations.

23. The most currently available information shows that for the month of September, 2001, Reliance's paid losses, payroll and operating expenses totaled over $111 million. Reliance's cash receipts in the month of September, including the proceeds from the sale of certain pieces of real estate and business operations, totaled only approximately $80 million, resulting in a cash deficit of over $31 million. Reliance was forced to cover September's deficit with, inter alia, borrowings from two if its wholly-owned subsidiaries and utilizing most of its remaining available cash.

24. Cash flow projections for the months of October, November and December, 2001 reveal ever larger cash deficits resulting from anticipated delays in reinsurance receipts and an increase in claims payments. The expected increase in claims payments results as

previously stayed suits against insureds proceed to trial, result in verdicts or settle prior to trial. Over 170 cases pending against Reliance insureds are scheduled for trial in the next sixty days. Payment of these claims in the next few months, either by settlement or after judgment, assuming coverage, will deplete Reliance's limited cash resources even further.

25. Reliance's cash requirements are also expected to rise in the future due to the release from stays of the backlog of large-dollar cases in litigation. Reliance will run out of all available cash early in the fourth quarter of 2001.

4. Inability to Access Statutory Deposits Held in Other States

26. Despite efforts of the Rehabilitator to obtain the types of agreements approved by this Court's August 2, 2001 Order regarding statutory deposits, many states, including those holding the most significant deposits, have refused to release Reliance's statutory deposits (amounting to over $400 million) to the Rehabilitator to pay appropriate claims. The inability of the Rehabilitator to obtain access to these statutory deposits has contributed to Reliance's serious cash flow deficiencies and supports the conclusion that further efforts to rehabilitate Reliance would be futile.

5. Decline in Value of Symbol Technology Common Stock

27. The most substantial, readily marketable asset of Reliance consists of its holdings of approximately 11.2 million shares of Symbol Technologies Inc. common stock. By May 2001, just prior to the filing of the Petition for Rehabilitation, the stock was trading at $26 a share. Since May 2001, Symbol Technologies' stock price has declined, trading at approximately $10 a share on September 28, 2001.

6. Reliance Group Continues to Hold $95 Million in Reliance Assets

28. The Rehabilitator's efforts, in both this Court and federal bankruptcy court, to obtain $95 million in Reliance assets held by RGH have been vigorously resisted by RGH and its attorneys. The inability to obtain these funds has also contributed to Reliance's liquidity crisis.

7. The Financial Model Shows Rehabilitation Is Not Feasible

29. After the entry of the May 29 Order, the Rehabilitator hired the accounting and consulting firm of Ernst & Young to develop a financial model (the "model") that would project the ability of Reliance to meet its policyholder obligations over a period of years under continued rehabilitation by the Commissioner. The model prepared by Ernst & Young, based on data and assumptions provided by Reliance and the Rehabilitation staff, was delivered within the last week to the Rehabilitator. It shows that Reliance will have insufficient cash assets to fund claims payments on a monthly basis as early as the current quarter of 2001. The model also shows, with less precision due to the inherent unpredictability of future claims activity and potential loss exposure, that Reliance's assets will be insufficient to meet its projected policyholder claims, in the aggregate.

30. Given the financial condition of Reliance as of March 31, 2001, adverse developments in Reliance's reinsurance collections, the refusal of key states to release the Company's statutory deposits to the Rehabilitator for the payment of appropriate claims, the decline in value of the primary marketable asset of Reliance, the inability to obtain the $95 million held by RGH, and the projections set forth in the model, the continued rehabilitation

of Reliance is futile and not in the best interest of the Company's policyholders, claimants and creditors.

B. Reliance Is Insolvent

31. Section 221.19 of the Act provides that "[a]ny ground on which an order of rehabilitation may be based, as specified in section [221.14], whether or not there has been a prior order of rehabilitation of the insurer, shall be grounds for liquidation." See 40 P.S. §221.19. Section 221.14 provides that an appropriate ground for liquidation is the insolvency of the insurer. See 40 P.S. §221.14(1). The section states, "An order of [liquidation] may be based on . . . the following ground[:] . . . the insurer is insolvent, or in such condition that the further transaction of business would be hazardous, financially, to its policyholders, creditors or the public." Id.; see 40 P.S. §221.19.

32. For an insurer such as Reliance, the Act defines insolvency as:

> [t]he inability to pay its obligations when they are due, or whose admitted assets do not exceed its liability plus the greater of (i) any capital and surplus required by law for its organization, or (ii) its authorized and issued capital stock.

See 40 P.S. §221.3

33. Reliance's total liabilities exceed its total assets by approximately $1,053,700,000. (This deficit does not take into account the statutorily determined minimum level of capital and surplus Reliance is required to maintain for the purpose of ensuring sufficient assets to protect the interests of the Company's insureds, creditors and the public. See 40 P.S. §221.3; see also 40 P.S. §§221.1-A et seq. If the required capital and surplus were considered, the deficit would be considerably more than $1.1 billion).

34. Based on the output of the Ernst & Young financial model, the sale of Reliance's non-cash assets will not improve the financial position of the Company to the point where Reliance would be able to meet its policyholder liabilities at 100% while maintaining the required minimum level of statutory capital and surplus.

35. In addition, Reliance presently has insufficient cash assets to pay its obligations as they come due. See 40 P.S. §221.3.

36. Under 40 P.S. §§221.3 and 221.14(1), Reliance is insolvent, and the entry of an Order of Liquidation is necessary for the equitable protection of policyholders.

C. Reliance Consents To Liquidation

37. Sections 221.14 and 221.19 provide that an Order of Liquidation may be entered where "[t]he board of directors . . . request or consent to [liquidation] under this article." 40 P.S. §221.14(12).

38. The Commissioner, as Rehabilitator, is vested with "all the powers of the directors, officers and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator." See 40 P.S. §221.16(b). Pursuant to her authority under 40 P.S. §221.16(b), the Rehabilitator of Reliance consents to the entry of an Order of Liquidation in accordance with 40 P.S. §§221.14(12) and 221.16(b), as reflected in the executed Consent to Entry of Order Liquidation and Waiver of Notice and Hearing.

39. The consent provides independent and sufficient grounds for the entry of an Order of Liquidation.

WORKERS COMPENSATION AND PERSONAL INJURY PROTECTION CLAIMS

40. Upon entry of the proposed order of liquidation, relevant state guaranty association statutes are triggered and guaranty associations become obligated, to the extent of their statutory coverage, for payment of the claims of Reliance insureds and claimants under policies of insurance.

41. Upon entry of an order placing Reliance in liquidation, delays of sixty to ninety days or more may be experienced before the guaranty associations in the states and territories of the United States are able to administer, process and begin paying the covered claims of Reliance's policyholders.

42. To maintain continued confidence in the insurance system, the Commissioner seeks the approval of the Court to continue timely to pay workers compensation and personal injury protection ("PIP") claims of claimants. The Commissioner's request to pay these claims would be subject to the conditions that (1) sufficient funds exist to make the payments; (2) the guaranty associations would endeavor to assume the payment obligations expeditiously; and (3) the Commissioner would have the discretion to pay for a period up to 90 days and the discretion to cease payments at any time.

43. Workers compensation and PIP claimants are particularly prejudiced by delay in the processing of claims payments. These individuals rely upon benefits payments to cover medical and living expenses. A delay of sixty to ninety days could create significant hardship for these claimants, as they may not have sufficient resources to meet these expenses.

44. Under all guaranty association statutes in every state, claims for workers compensation are covered 100% without limit. Effectively all PIP claims are also covered. Due to the inability to give the associations any significant advance warning as to the filing of this petition for liquidation, there is a need for the Liquidator to cooperate with guaranty associations in transitioning covered claims.

45. There also exist for the benefit of workers compensation claimants certain statutory deposits in certain states that may be available to pay workers compensation claims.

46. The petitioner seeks authority to make the facilities, computer systems, books, records and arrangements with third party administrators of Reliance available for the processing and payment of such claims, for a period not to exceed 90 days, if she determines, in her discretion, that to do so is in the best interests of the policyholders and the public interest.

47. To avoid the potential creation of preferences, as well as the possibility of double recovery by some claimants, the Commissioner further requests that the Order of Liquidation provide that the Liquidator is authorized in exercising her discretion to enter into agreements with guaranty associations to have the guaranty associations fund the payments of such workers compensation and PIP claims, but to use the systems, facilities, third party administrators and books and records of Reliance to effectuate payment, for a period not to exceed 90 days. The Commissioner anticipates that some guaranty associations may not have funds available on an immediate or short-term basis. In such instances, the Liquidator should be authorized to exercise her discretion, if she chooses to do so, to advance such funds from the estate, if the advancement is treated as an early

access payment as described in 40 P.S. §221.36. The Liquidator will eventually require written agreements memorializing the commitment by the guaranty associations to treat advancement of moneys as early access.

STAY OF LITIGATION

48. Section 221.26 of the Act provides that upon entry of an Order appointing the Commissioner liquidator of a domestic insurer, all existing actions brought against the insurer are prohibited from continuing. The Section states: "Upon issuance of an order appointing the liquidator of a domestic insurer[,] . . . no action at law or equity shall be brought by or against the insurer, whether in this Commonwealth or elsewhere, nor shall any such existing actions be continued after issuance of such order." 40 P.S. §221.26(a).

49. Pursuant to 40 P.S. §221.26, the Commissioner requests that the Order of Liquidation provide that all actions pending against Reliance, in the Commonwealth of Pennsylvania or elsewhere, be stayed indefinitely.

50. Upon entry of an order declaring an insurer insolvent, 40 P.S. §991.1819(a) provides that actions pending in the Commonwealth of Pennsylvania against the company's insureds are stayed for ninety days "to permit proper defense by the [guaranty] association of all pending causes of action." 40 P.S. §991.1819(a). Given the size of Reliance and the fact that Reliance has over 75,000 policyholders, many with claims that may be covered by the Pennsylvania Property and Casualty Insurance Guaranty Association ("PPCIGA"), and many with actions pending against them in this Commonwealth, the Commissioner reserves the right to petition the Court for an extension of this ninety day stay under Section 991.1819 as needed to protect the interests of insureds, the PPCIGA, the estate of the

insurer, or the public. Other state guaranty association acts contain similar stay provisions and the Liquidator requests the authority to cooperate with such associations in seeking the implementation of such stays in other states. With respect to suits and other proceedings outside the Commonwealth of Pennsylvania and in federal courts of the United States, the Commissioner requests that the Order of Liquidation include a request by this Court for comity in the imposition of a 90-day stay by such courts or tribunals, and that those courts afford this order deference by reason of this Court's responsibility for and supervisory authority over the rehabilitation of Reliance as vested in this Court by the Pennsylvania Legislature.

EFFECTIVE DATE OF LIQUIDATION

51. The Commissioner requests that the liquidation of Reliance be effective immediately.

WHEREFORE, Plaintiff respectfully requests that this Court grant the Petition, enter an Order of Liquidation in the form attached hereto, and order such other relief as this Court deems necessary and appropriate.

18. For a period not to exceed 90 days from entry of this Order, the Liquidator is authorized but not obligated, in her sole discretion, to make arrangements for the continued payment in full of the claims under policies of workers compensation and under policies providing personal injury protection (PIP) by making the facilities, computer systems, books, records and arrangements with third party administrators (to the extent possible) of Reliance available for the processing and payment of such

claims, to any affected guaranty association (or other entity that is the functional equivalent) and to states and state officials holding statutory deposits for the benefit of such workers compensation and PIP claimants, provided, however, that such guaranty associations, states or state officials shall provide or make available the funds to make the actual payment of such claims. Any and all persons, firms, or corporations having or claiming to have any accounts, debts, claims or demands against Reliance, contingent or otherwise, or claiming any right, title, or interest in any funds or property in the possession of the Liquidator are required to file with the Liquidator at the location designated in the above-described notices, on or before the date specified by the Liquidator as the last date upon which to file a claim (which shall be no earlier than one year from the date of the notice), a properly completed proof of claim or be thereafter barred as claimants against any assets in the hands of the Liquidator, unless a late filing is permitted under 40 P.S. §221.37. No person shall participate in any distribution of the assets of Reliance unless such claims are filed and presented in accordance with and within the time limit established by the Liquidator, subject to the provisions for the late filing of claims in 40 P.S. §221.37.

EXPENSES, PAYMENTS AND LAWSUITS

20. Without filing a petition for distribution, the Liquidator shall have the discretion to pay as costs and expenses of administration, pursuant to 40 P.S. §221.44, the actual, reasonable and necessary costs of preserving or recovering assets of Reliance and the costs of goods or services provided to and approved by Reliance (In Rehabilitation) or this Court during the period of Rehabilitation and that are unpaid as of the date of this Order. The rights and liabilities of Reliance and of its creditors,

policyholders, trustees, shareholders, members, and all other persons interested in this estate shall be determined in accordance with the Act as of the date of the filing of the Petition for Liquidation.

21. Reliance, its affiliates, or their directors, officers, trustees, employees, attorneys, brokers, consultants, agents, insureds, creditors, and any other persons, wherever located, are enjoined from: (a) the transaction of further business; (b) transferring, selling, concealing, terminating, canceling, destroying, disbursing, disposing of or assigning any assets, funds or other property of any nature; (c) any interference, in any manner, with Commissioner M. or self insured retentions from Reliance's insureds; and (m) the taking of any other action which might lessen the value of Reliance's assets or property, prejudice the rights and interests of policyholders and creditors, or interfere in the administration of the proceeding.

22. Unless the Liquidator consents thereto in writing, no action at law or equity, or arbitration or mediation, shall be brought against Reliance or the Liquidator, whether in this Commonwealth or elsewhere, nor shall any such existing action be maintained or further prosecuted after the date of this Order. All actions, including arbitrations and mediations, currently pending against Reliance in the courts of the Commonwealth of Pennsylvania or elsewhere are hereby stayed. 23. All proceedings in which Reliance is obligated to defend a party in any court of this Commonwealth are hereby stayed for ninety (90) days from the date this Order. The Liquidator, pursuant to 40 P.S. §221.5(a), her designees and/or the Pennsylvania Property and Casualty Insurance Guaranty Association may petition this Court for extensions as needed in the exercise of their respective discretion. With respect to suits and other proceedings in which Reliance is obligated to defend a party, pending outside the Commonwealth of Pennsylvania and in federal courts of the United States, this Order constitutes the request of this Court for comity in the imposition of a 90-day stay by such courts or tribunals, and that those courts afford this order deference by reason of this Court's responsibility for

and supervisory authority over the rehabilitation of Reliance, as vested in this Court by the Pennsylvania Legislature The Liquidator is authorized to cooperate in assisting any guaranty association in any jurisdiction to enforce any stay of any action provided for in any relevant law of another state. Any person that fails to honor a stay ordered by this Court or violates any provision of this Order, where such person has a claim against Reliance, shall have their claim subordinated to all other claims in the same class, with no payment being made with respect to such claim until all others in the same class have been paid in full, in addition to any other remedies available at law or in equity.

24. No judgment or order against Reliance or its insureds entered after the date of filing of the Petition for Liquidation, and no judgment or order against Reliance entered at any time by default or by collusion, need be considered as evidence of liability or quantum of damages by the Liquidator.

25. No action or proceeding in the nature of an attachment, garnishment, or execution shall be commenced or maintained in this Commonwealth or elsewhere against Reliance or the Liquidator, or their assets.

26. All secured creditors or parties, pledges, lienholders, collateral holders or other person claiming secured, priority or preferred interests in any property or assets of Reliance are hereby enjoined from taking any steps whatsoever to transfer, sell, assign, encumber, attach,

dispose of, or exercise, purported rights in or against any property or assets of Reliance except as provided in 40 P.S. §221.43.

Chief Agent
Reliance Insurance Company
1906-200 King Street West
TORONTO, ON M5H 3T4

Dear Mr. Morin:

Subject: Notice of Intent to Continue Control Beyond Sixteen Days of the Assets in Canada of Reliance Insurance Company

This is to notify you that, pursuant to subparagraph 679(1)(b)(ii) of the *Insurance Companies Act* (the "Act"), I intend to continue control beyond sixteen days of the assets in Canada of Reliance Insurance Company (the "Company") together with its other assets held in Canada under the control of its chief agent, including all amounts received or receivable in respect of its insurance business in Canada. Subsection 679(1) of that Act provides, in part, as follows:

1) Subject to this Act, where any of the circumstances described in subsection (1.2) exist in respect of a foreign company, the Superintendent may

a) take control, for a period not exceeding sixteen days, in the case of a foreign company, of its assets in Canada together with its other assets held in Canada under the control of its chief agent, including all amounts received or receivable in respect of its insurance business in Canada; or

b) unless the Minister[1] advises the Superintendent that the Minister is of the opinion that it is not in the public interest to do so,

i) take control, for a period exceeding sixteen days, in the case of a foreign company, of its assets in Canada together with its other assets held in Canada under the control of its chief agent, including all amounts received or receivable in respect of its insurance business in Canada,

ii) where control of assets has been taken under paragraph (a), continue the control beyond the sixteen days referred to in that paragraph.

[1] Please note that, pursuant to section 704 of the *Insurance Companies Act*, the powers, duties and functions of the Minister of Finance under that Act have been delegated to the Secretary of State (International Financial Institutions), the Honourable Jim Peterson.

Canada

I intend to continue control beyond sixteen days on the grounds set out in paragraphs 679(1.2)(a), (b) and (c) of the Act as I am of the opinion that

a) in respect of its insurance business in Canada, the Company will not be able to pay its liabilities as they become due and payable;

b) a practice or state of affairs exists in respect of the Company that may be materially prejudicial to the interest of its policyholders or creditors in Canada; and

c) the assets in Canada of the Company are not sufficient to give adequate protection to its policyholders and creditors in Canada.

In this respect, find attached a memorandum dated October 11, 2001 setting out the details supporting my action.

In accordance with subsection 679(1.3) of the Act, the Company has the right to make written representations on the proposed action. Such written representations must be made on or before Wednesday, October 17, 2001.

Also be advised that, if control of the assets is continued, pursuant to section 684.1 of the Act, I intend to request the Attorney General of Canada to apply to the Ontario Superior Court of Justice for a winding-up order under section 10.1 of the *Winding-up and Restructuring Act* in respect of the insurance business in Canada of the Company.

A copy of the relevant statutory provisions is attached for your convenience.

Dear Mr. Le Pan:

Re: Reliance Insurance Company

We are in receipt of your "Notice of Intent to Continue Control.. " letter of October 11, 2001

Pursuant to subsection 679(1.3) of the Insurance Companies Act of Canada (the "Act") we make the following representations regarding your proposed actions.

Before responding to the specific concerns raised in Mr. Doran's memo to you, we would like to suggest a number of facts which we believe may differentiate the Canadian Branch's situation from that of "Reliance (U.S.)". First and foremost it does not appear to us that you have completed a thorough analysis of the Canadian Branch's future claims requirements and evaluated the Canadian Branch's ability to fund these claims through its investment assets and considerable reinsurance receivables. We believe this should be undertaken before any action to put the Canadian Branch into liquidation proceeds.

Second, the Canadian Branch is not facing the severe liquidity crisis that Reliance (U.S.) was confronting when the decision was made to place Reliance (U.S.) into liquidation. According to a conservative analysis, the Canadian Branch is and will be able in the future able to pay all liabilities as they come due.

Third, Reliance (U.S.) assets were significantly less than its liabilities whereas we believe the Canadian Branch's assets (when evaluated and conservatively discounted as appropriate) exceed the liabilities (as currently known) by a significant margin.

Lastly, Reliance (U.S.) parent had correctly concluded that the value of Reliance was of little value to its creditors, whereas Reliance (U.S.) believes that the net realizable asset value of the Canadian Branch will add to the proceeds to be distributed to the Reliance (U.S.) policyholders, after providing for the payment in full of Canadian policyholders.

The following represent our responses to the statements in Part 3 of Mr. Doran's memo to you of October 11, 2001.

a) Reliance (U.S) operations now being in liquidation will strengthen its liquidity position as the Guarantee Funds pay claims and Reliance (U.S.) collects from its reinsurers (we are experiencing temporary delays but expect to ultimately collect a very high percentage of these receivables). This will likely not result in additional financial support for Canada, but will result in our continuing ability to provide administrative services support for the indefinite future.

b) With respect to the 6/30/01 financials, the comparison of "vested" assets to gross liabilities is unfair given the lack of consideration for our reinsurance programs. This is a significant point because of the strength of the participants on these reinsurance programs as confirmed by a study prepared by the staff of the Canadian Branch and independently confirmed by Deloitte & Touche that was submitted to OSFI on 6th of July, 2001. The report indicated, that the Canadian Branch was solvent and the reinsurance receivables were still a viable asset. Stress tests were performed on the reinsurance coverages in place and the solvency result remained very positive, regardless of future amounts collected from Reliance (U S.)'s master programs. These master treaties that the Canadian Branch participates in comprise no more than 20% of the total reinsurance coverage and should not materially alter the overall solvency of the Canadian Branch. That said, Reliance (U.S.) feels confident that the reinsurance participants under these master programs will honor their responsibility to continue to pay claims.

A reference was made as to "set-offs" and the collection of reinsurance proceeds being a serious problem as commented by Diane Koken within the petition seeking the Order of Liquidation. We acknowledge the difficult task at hand of reinsurance collections in the future, however, this does not constitute a concession that every effort and resource will not be utilized to collect every dollar that is owed to Reliance (U.S.). In fact, additional resources are being deployed to these areas to continue to pursue reinsurance collections. Set-offs as a percentage of total Reinsurance proceeds for Reliance (U.S.) are less than 10%. Since the Canadian Branch did not underwrite any significant assumption business, offsets should have a minimal impact on the Canadian Branch's collections

We understand the concern raised on the historical deficiency of gross reserves in the past and have taken appropriate underwriting actions over the past 24 months, prior to any orders or notices, to discontinue writing these lines and or programs. We believe the corrective actions and reserve strengthening we have taken should arrest this trend. Therefore, to properly understand the current position of IBNR we suggest an independent actuarial analysis be performed quickly to determine an accurate depiction of where the operation stands. To only look at historical trends is misleading in the face of the corrective actions taken by the Canadian Branch.

[redacted]

[redacted]

Also it is important to note, that all of the runoff models that have been submitted to date, which considered many, if not all, of the above named issues, have shown a consistent forecast of positive surplus at the conclusion of a voluntary run-off.

We acknowledge that Reliance (U S.) has collected reinsurance proceeds that should have previously been remitted to the Canadian Branch. We will determine such amounts in the next two weeks and remit same to the Canadian branch. We will continue doing so in the future.

We respectfully request that you immediately request KPMG to conduct an actuarial review of the Canadian branch and withhold placing it into Liquidation until such review is completed and you then determine if such action is still warranted. We will work with you in such manner as you deem appropriate in the interim to make sure no asset diminution greater than what will occur if you place it in liquidation occurs We would be happy to meet with you, your staff and KPMG to immediately work on achieving an appropriate conveyance of the Canadian Branch's assets and liabilities to an insurance company satisfactory to you.

Should these representations not prove persuasive and you decide to move ahead with placing the company into a liquidation, we will still cooperate with you in moving the Canadian Branch to a third party, while reserving our right to challenge such a liquidation proceeding. We believe the Reliance (U.S.) estate will suffer a diminution in realized proceeds from any transaction, if the Canadian Branch is placed into a liquidation in Canada, and that such a diminution may be viewed as our failing to fulfil our duty to maximize the value of the U.S. estate for the benefit of U.S. policyholders. We truly believe the Canadian policyholders are adequately protected by the excess assets of the Canadian Branch.

I am available, as needed, to meet with you or to discuss this letter in detail, but please feel free to contact my onsite representative David Brierling at (212) 858-8818.

Sincerely yours,

A COMMISSIONER FOR TAKING AFFIDAVITS

Mr. Denis Morin
Chief Agent
Reliance Insurance Company
1906-200 King Street West
Toronto, Ontario
M5H 3T4

Dear Mr. Morin:

Subject: Continuing Control Beyond Sixteen Days of the Assets in Canada of Reliance Insurance Company

This is to notify you that, pursuant to subparagraph 679(1)(b)(ii) of the *Insurance Companies Act* (the "Act"), I am continuing control beyond October 20, 2001 of the assets in Canada of Reliance Insurance Company together with its other assets held in Canada under the control of its chief agent, including all amounts received or receivable in respect of its insurance business in Canada (the "Assets").

I have carefully considered the written representations submitted on behalf of the Company. I remain of the opinion that:

(a) in respect of its insurance business in Canada, the company will not be able to pay its liabilities as they come due and payable;

(b) a practice or state of affairs exists in respect of the company that may be materially prejudicial to the interests of its policyholders or creditors in Canada; and

(c) the assets in Canada of the company are not sufficient to give adequate protection to the company's policyholders and creditors in Canada.

Accordingly, I believe that immediate action is necessary to protect the rights and interests of the company's policyholders and creditors in Canada.

Canada

The effect of taking control of the Assets in accordance with the provisions of paragraph 679(1)(b)(ii) of the Act is set forth in subsection 679(3) of the Act. Paragraph 679(3)(a) stipulates that the company shall not make, acquire or transfer any loan or make any purchase, sale or exchange of securities or any disbursement or transfer of cash of any kind without my prior approval or the prior approval of a representative designated by me. Paragraph 679(3)(b) further stipulates that no director, officer or employee nor the chief agent of the company shall have access to any cash or securities held by the company unless he has with him a representative of me or unless such access has been previously authorized by me or my representative.

I have designated KPMG Inc. and the following individuals as my representatives in this regard: François Gilbert and Karen Badgerow-Croteau. The authority of one of these representatives will be necessary, therefore, in order to enable the company to deal in any way with the Assets.

Representatives of the Office of the Superintendent of Financial Institutions expect to meet with officials on behalf of the company to work out operating procedures in the near future and they will be in touch with you concerning the arrangements.

Thank you for your co-operation and courtesy.

Yours sincerely,

Nicholas Le Pan

Re: Reliance Insurance Company-Canadian Branch

Dear Mr. Le Pan:

I wanted to take this opportunity to contact you regarding your potential action to place RIC-Canada into Liquidation. I fully support the position that William Taylor, Deputy Insurance Commissioner, and his Liquidation Team have taken in the October 17 letter, as well as the video conference held with your office on November 6. As a fellow regulator, I am acutely aware of your obligation to do what is in the best interests of RIC-Canadian policyholders. As a fellow receiver, I also have an obligation to RIC's U.S. policyholders to maximize the value of RIC-U.S. assets, including the equity value of the Canadian branch. I do not think it is unreasonable for you to allow the RIC-U.S. Liquidator a short time period of two months to explore the marketplace to determine if a transaction covering the Canadian liabilities can be consummated. We do not believe that the time requested will cause undo harm to the Canadian policyholders.

It is my understanding that your office is concerned about possible litigation that might result in RIC-Canada assets being attached. I do not believe that this potential litigation risk is justification for me as Liquidator of RIC-U.S. to consent to placing RIC-Canada into Liquidation. We are willing to work with you to find solutions to protect you from the risks you perceive a delay could cause. All I can request is that you reconsider the issues raised in Mr. Taylor's October 17 letter and the November 6 video conference. Please rest assured that whatever the outcome, we will work together with you to protect the interests of the RIC-Canada policyholders.

Sincerely,

Diane Koken

Attention: François Gilbert

Dear Sir:

Re: Reliance Insurance Company - Canadian Branch ("Reliance (Canada)")

The Superintendent has designated KPMG Inc. as one of his representatives in connection with his taking of control of the assets in Canada of Reliance (Canada). He has also requested that the Attorney General of Canada apply to the Ontario Superior Court of Justice for an order (the "Order") winding up Reliance (Canada) under the *Winding-up and Restructuring Act*. He is recommending that KPMG Inc. be appointed as liquidator of Reliance (Canada) (the "Liquidator").

In our capacity as the Superintendent's representative, we have become familiar with the business of Reliance (Canada). Based on our work thus far and on our experience in the liquidations of both property and casualty insurance companies and branches and life insurance companies, we consider that, if Reliance (Canada) is liquidated, the best interests of policyholders, creditors and other parties interested in Reliance (Canada) would be best served if, in the initial phases of the liquidation, the Liquidator explored the possibility of arranging for transfer or reinsurance of all or a portion of the policies of Reliance (Canada). In order to enhance the value of the estate as much as possible to any potential transferee or reinsurer, the Liquidator should be specifically empowered in the Order to pay certain liabilities relating to the policies, including:

(a) the reasonable legal and other costs which Reliance (Canada) is obligated to pay for defending insureds against losses under their policies in accordance with the policies;

(b) all valid policyholder claims, except as described in paragraph (c) below, up to $25,000 or the amount, if any, of the voluntary compensation payment ("PACICC Voluntary Payment") of the Property and Casualty Insurance Compensation Corporation ("PACICC"), discussed more fully below;

(c) all valid claims under certain warranty and surety programs of Reliance (Canada) up to $5,000 or the amount, if any, of the PACICC Voluntary Payment; and

(d) any other payments in respect of the policies that the Liquidator in its discretion deems advisable.

The Liquidator should also be empowered to pay cheques or drafts issued by Reliance (Canada) prior to the making of the Order but presented for payment thereafter and to enter into arrangements with PACICC.

In our view, making these payments will enhance the value of the business, maximizing any potential opportunity for its sale or transfer. It will also minimize the potential disruption or hardship to policyholders and creditors.

With respect to the payment of liabilities relating to policies:

(a) the payment of defence costs will maintain the standards of claims adjudication, ensuring that claims are properly handled and easing possible concerns of reinsurers; and

(b) the payment levels recommended are based on our review of the claims profiles, which indicate that the vast majority of the claims are under $25,000, other than claims under the warranty and insurance programs referred to above, the vast majority of which are under $5,000.

We recommend that the above provisions with respect to payments on policies be in place until April 30, 2002. By that time, the Liquidator will have had an opportunity to further consider the status of the business and the potential for its transfer, and to further report to the Court and seek directions if necessary.

PACICC was established by property and casualty insurers to compensate policyholders and third party claimants in respect of insolvent property and casualty insurers by making voluntary payments. We considered it prudent to contact PACICC and explore ways in which PACICC and the Liquidator could cooperate, to ensure both the least disruption to policyholders and third party claimants and the most expeditious and efficient handling of claims and processing of PACICC payments. We attach a draft loan agreement reached with PACICC which we would propose be executed by the Liquidator and PACICC if the Order is issued. The loan agreement provides that the Liquidator will advance payments up to PACCIC limits from the assets of Reliance (Canada) in respect of policyholder claims covered under PACICC. PACICC will pay the Liquidator the difference between amounts so advanced and the ultimate percentage recovery which the estate would pay, with interest from the date each payment is made to policyholders and claimants.

We have reviewed all outstanding cheques or drafts issued prior to October 5, 2001, and approved them for payment. Any cheques or drafts issued after October 5, 2001 have been drawn with the authority of the representatives.

We respectfully request that the Attorney General include provisions in the Order being requested which would, if the Order is made, empower the Liquidator to make the payments described in this letter and enter into the loan agreement with PACICC.

Yours very truly,

KPMG INC.

COMPENSATION PAYMENTS AND LOAN ARRANGEMENTS

2.1 Determination of Validity and Amount of Covered Claims and Unearned Premiums

The Liquidator will have sole authority and responsibility to determine the validity and amount of all Claims in the Canadian Estate, including all Covered Claims and Unearned Premiums, provided that the Liquidator shall not determine the validity and amount of any Covered Claim in excess of twenty-five thousand dollars ($25,000.00), or any Claim for Unearned Premiums, without first consulting, and obtaining the approval of, PACICC. In accordance with paragraph 4 of the Memorandum of Operation, the amount determined by the Liquidator in accordance with the foregoing in respect of a Covered Claim shall be deemed to be the "Amount of the Covered Claim" and the amount determined by the Liquidator in accordance with the foregoing in respect of Unearned Premium shall be deemed to be the "Amount of the Unearned Premium", and for so long as the payment procedures prescribed for this Agreement are in effect, PACICC will not dispute the Liquidator's determination of the validity and dollar amount of Covered Claims or Unearned Premium or attempt to verify same pursuant to Section 5 of the Memorandum of Operation.

2.2 Estimated Realization Percentage

The Liquidator will have sole authority to establish the Estimated Realization Percentage and will give PACICC seven (7) days notice before any change. It is acknowledged that the Estimated Realization Percentage as of the date hereof is one-hundred percent (100%).

2.3 Payments

Once the Liquidator has determined the Amount of a Covered Claim pursuant to Section 2.1, the Liquidator may make, on behalf of PACICC, a payment or payments (including on an interim basis) to a Policyholder in respect of that Covered Claim in an aggregate amount equal to the lesser of (i) the amount of the Covered Claim, and (ii) the Ceiling Amount. Similarly, once the Amount of the Unearned Premium has been determined pursuant to Section 2.1, the Liquidator may make a payment to a Policyholder in respect thereof on behalf of PACICC in an amount equal to the lesser of (i) seventy percent (70%) of the Amount of Unearned Premium and (ii) the Unearned Premium Limit. Notwithstanding the foregoing:

(a) where the Liquidator is of the view that all or any portion of a Compensation Payment should be made to one or more Third Party Claimants instead of to the Policyholder, the Liquidator may refuse to make a Compensation Payment to the Policyholder on behalf of the PACICC and may pay all or a portion of the Compensation Payment on behalf of PACICC to one or more Third Party Claimants;

(b) the Liquidator shall not make any payment hereunder on behalf of PACICC to any Person whom the Liquidator believes in good faith would likely be designated an Ineligible Person by PACICC's board of directors without first consulting with PACICC and obtaining its approval (provided that the Liquidator shall have no liability for Compensation Payments made by it in good faith to a Person whom it subsequently learns has been designated as an Ineligible Person by PACICC's board of directors); and

(c) the Liquidator will not be required to make hardship payments on behalf of PACICC pursuant to paragraph 30 of the Memorandum of Operation unless the Liquidator is satisfied that the making of such payment is in the overall best interest of the Canadian Estate.

2.4 Loan

The difference between all Eligible Amounts and the amount which is the result of multiplying Eligible Amounts by the Estimated Realization Percentage shall be deemed to have been loaned by the Liquidator to PACICC, and the aggregate of such amounts outstanding from time to time is referred to herein as the "Amount Outstanding". The Amount Outstanding shall include any amount which would have been advanced on behalf of PACICC if the Estimated Realization Percentage had been the Final Realization Percentage from the date of each payment on a Covered Claim or Unearned Premium. From and after the date hereof, interest shall accrue on the Amount Outstanding from time to time at a rate per annum equal to the Prime Rate until such time as the Amount Outstanding has been repaid in full. Interest will be calculated and will

compound semi-annually. The Liquidator may at any time, by written notice to PACICC, demand repayment of the Amount Outstanding and all interest accrued thereon (a "Demand") whereupon the obligation of the Liquidator to make further payments to Policyholders and Third Party Claimants on behalf of PACICC hereunder will immediately terminate and PACICC will be required to repay to the Liquidator within the ninety (90) days of the issuance of the Demand, without any right of set-off or deduction whatsoever (except as expressly contemplated by Section 4.1), the principal amount of the Amount Outstanding and all interest accrued hereunder, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by PACICC.

2.5 Ability to Repay

To ensure that PACICC is able to repay the Amount Outstanding to the Liquidator, PACICC hereby covenants and agrees that the aggregate of:

(a) the amount currently available for use by PACICC in its Compensation Fund; and

(b) the total draws which PACICC is permitted to levy from its Contributing Members pursuant to section 20(1) of its Memorandum of Operation for the remainder of the calendar year,

will at all times exceed Cdn.$50,000,000. PACICC further covenants and agrees it will undertake no commitments and incur no obligations which would impair its abilities to meet its obligations hereunder. PACICC shall provide evidence satisfactory to the Liquidator of its

compliance herewith at the Liquidator's request, failing which the Liquidator may terminate this agreement forthwith on written notice to PACICC.

ARTICLE III

ADDITIONAL SERVICES

3.1 Services

In addition to making Compensation Payments on behalf of PACICC pursuant to Article II, the Liquidator shall provide such services as PACICC may reasonably require including, without limitation:

(a) liasing with Policyholders and Third Party Claimants, including answering their questions during regular business hours regarding PACICC's role with respect to their particular claims or relating to any documents contemplated by Section 2.2(b) above;

(b) calculating the amount of the Compensation Payment to be made to each Policyholder or Third Party Claimant, and keeping appropriate records for PACICC as to how such amounts were calculated;

(c) sending, notices, brochures, pamphlets, booklets or other items to Policyholders and Third Party Claimants, which PACICC shall provide, as and when PACICC may reasonably request; and

(d) advising PACICC of any claim which the Liquidator believes, acting reasonably and in good faith, may involve an Ineligible Person, or might reasonably be

considered to be a hardship case contemplated by paragraph 30 of the Memorandum of Operation.

3.2 Fees and Expenses

For its services hereunder, PACICC will pay the Liquidator its reasonable fees calculated on the same basis as the fees charged the estate for any incremental costs, plus goods and services tax. In addition, PACICC will pay the Liquidator's reasonable out-of-pocket expenses in connection with the provision of services hereunder within thirty (30) days of the receipt of proper invoices therefor.

3.3 Indemnities

PACICC agrees to indemnify the Liquidator against any and all losses, liabilities, costs, claims, actions or demands (collectively "Indemnified Claims") which the Liquidator may incur or which may be made against the Liquidator as a result of, or in connection with the Liquidator's services and activities hereunder, other than any Indemnified Claims which arise as a result of the Liquidator's negligence or wilful misconduct.

The Liquidator agrees to indemnify PACICC against any and all Indemnified Claims which PACICC may incur or which may be made against PACICC which arise as a result of the Liquidator's negligence or wilful misconduct in the carrying out of the Liquidator's activities and the provision of the Liquidator's services hereunder.

3.4 Standard of Care

In providing its services hereunder, the Liquidator will act diligently, honestly and in good faith and will exercise that degree of care that a prudent professional would exercise in similar circumstances.

3.5 Voluntary Nature of Payments

The Liquidator acknowledges that the compensation arrangements administered by PACICC are voluntary and will conduct itself and carry out its obligations and duties hereunder accordingly.

3.6 Representations and Warranties of PACICC

PACICC hereby represents and warrants that its obligations hereunder are legal, valid and binding obligations, enforceable in accordance with the terms hereof.

ARTICLE IV

4.1 Term

This Agreement will commence on the date hereof and continue until the earlier of:

(a) the Full Recovery Date;

(b) the issuance of a Demand; and

(c) termination pursuant to Section 2.5 above or Section 4.2 below.

No termination of this Agreement will prejudice or impair the Liquidator's right to demand repayment of the Amount Outstanding and all interest accrued thereon. The amount of interest payable to PACICC hereunder will be adjusted by the parties forthwith after the final Realization Percentage is determined.

4.2 Termination

Either party may terminate this Agreement by giving thirty (30) days written notice of termination to the other party.

II. STATEMENT OF PURPOSE

2. The purpose of this Memorandum of Operation is to establish guidelines and procedures whereby the Corporation can make voluntary Compensation Payments in respect of Covered Claims and Unearned Premiums in order to provide a reasonable level of compensation to certain Claimants who have suffered losses in circumstances where a Member has become an Insolvent Insurer. The guidelines and procedures set forth herein are to be given a generous and liberal interpretation in accordance with the spirit of the Corporation's objects.

III. PROCEDURES WITH THE LIQUIDATOR

Procedures to Establish Amount of Covered Claims and Unearned Premiums

3. As soon as is practicable after the Insolvency of a Member the Corporation shall consult with the

Liquidator or proposed Liquidator to ascertain what procedure he intends to follow in determining the validity and amount of Covered Claims and Unearned Premiums and to request that he adopt a procedure which will facilitate the making of prompt Compensation Payments by the Corporation and the recovery by the Corporation of amounts paid as contemplated by paragraph 9.

Reliance by Corporation on Liquidator's Settlements

4. Where the procedure established by the Liquidator after the consultations referred to in paragraph 3 is acceptable to the Corporation, the Corporation may rely on the Liquidator's assessment of the dollar amount of the Covered Claim and the Unearned Premium he is prepared to accept in the Liquidation and where the Corporation so relies, for the purposes of paragraph 6, the Liquidator's amount in respect of the Covered Claim shall be deemed to be "the Amount of the Covered Claim" and the Liquidator's amount in respect of the Unearned Premium shall be deemed to be the "Amount of the Unearned Premium".

Verification by Corporation

5. Where the procedure adopted by the Liquidator to determine the validity and dollar amount of the Covered Claim or the Unearned Premium is unacceptable to the Corporation, or if the procedure is acceptable but the Corporation wishes to verify any Covered Claim or Unearned Premium, the Corporation may adopt or employ any procedures to make such verifications, in which case, notwithstanding paragraph 4, the "Amount of the Covered Claim" and "Amount of the Unearned Premium" for the purposes of paragraph 6 shall be deemed to be the amount determined by the Corporation and not the Liquidator.

IV. PAYMENTS TO CLAIMANTS

Payments to Policyholders

6. (1) Subject to paragraph 7, once the Amount of a Covered Claim has been determined in accordance with paragraphs 4 or 5, as the case may be, the Corporation may make a voluntary payment or payments (including on an interim basis) to a Policyholder in respect of that Covered Claim in an aggregate amount equal to the lesser of (i) the Amount of the Covered Claim and (ii) the Ceiling Amount.

(2) The board of directors shall, from time to time, review the appropriateness of the Ceiling Amount and may adjust it upwards. Until such time as the board of directors acts in this regard, the Ceiling Amount shall be $200,000.

(3) Notwithstanding anything else contained herein, where a Policyholder is a resident or deemed resident of the province of Quebec and where a Covered Claim arises under a contract of insurance issued by or made with a Member which provides an indemnity for bodily injury arising out of an automobile accident, whether the accident occurred within or outside of the Province of Quebec, the Ceiling Amount, and the amount of the Covered Claim shall each be reduced, for the purposes of paragraph 6, by the amount of

compensation the resident or deemed resident is entitled to receive in respect of the accident from the Regie de l'assurance automobile du Quebec (the "Regie") under Title II of the Automobile Insurance Act (L.Q. 1977, c.68, as amended) notwithstanding that the resident or deemed resident is, by the terms of the contract, entitled to the indemnity in addition to any compensation from the Regie as aforesaid.

(4) Subject to paragraph 7, once the Amount of the Unearned Premium has been determined in accordance with paragraphs 4 and 5, as the case may be, the Corporation may make a voluntary payment to a Policyholder in respect thereof in an amount equal to the lesser of (i) 70% of the Amount of the Unearned Premium and (ii) the Unearned Premium Limit.

(5) The board of directors shall, from time to time, review the appropriateness of the Unearned Premium Limit and may adjust it upwards. Until such time as the board of directors acts in this regard, the Unearned Premium Limit shall be $700.

Conditions Precedent to Compensation Payment to Policyholder

7. No Compensation Payment shall be made to a Policyholder until the Corporation is in receipt of documentation or a court order has been made, that, in each case to the satisfaction of the Corporation, entitles it to receive the benefit of any distribution or other benefit provided through the winding up and liquidation with respect to the applicable Covered Policy or Policies or to enable the Corporation to deal with the Liquidator in place of the Policyholder and contains such other provisions that the Corporation considers necessary or appropriate.

Payments to Third Party Claimants

8. Where the Corporation is of the view that all or any portion of a Compensation Payment should be made to one or more Third Party Claimants instead of to the Policyholder, the Corporation may refuse to make a Compensation Payment to the Policyholder and may pay all or a portion of the Compensation Payment to one or more Third Party Claimants upon receipt of the documents or order described in paragraph 7 and additional documentation that, to the satisfaction of the Corporation, entitles it to receive the benefit of any distribution or other benefit provided through the winding up and liquidation with respect to the applicable Covered Policy or Policies or to enable the Corporation to deal with the Liquidator in place of the Third Party Claimant and contains such other provisions that the Corporation considers necessary or appropriate.

V. RECOVERY OF CERTAIN FUNDS FROM LIQUIDATOR

Ensuring Recovery From the Liquidator

9. The Corporation shall promptly file notice with the Liquidator of the particulars of any assignment to the Corporation of Covered Policies contemplated by paragraph 7 made by a Policyholder and do all other acts required to ensure that

(i) the assignment is recognized by the Liquidator; and

(ii) the Corporation is listed on the Statement of Creditors and Claimants prepared by the Liquidator so as to ensure that the Corporation receives the proceeds of any ultimate distribution of the assets of the Insolvent Insurer made by the Liquidator in respect of Covered Claims or Unearned Premiums for which Compensation Payments have been made.

Duty of Corporation to Account to Claimants

10. Any funds received by the Corporation from the Liquidator pursuant to a distribution out of the assets of the Insolvent Insurer in respect of a Covered Claim of a particular Policyholder which in the aggregate exceed the Compensation Amount paid to or on behalf of the Policyholder in respect of that Covered Claim shall be paid over forthwith to the Policyholder or, if directed by the Policyholder, to one or more Third Party Claimants.

VI. OTHER ARRANGEMENTS WITH LIQUIDATOR

11. (1) Early Access

The Corporation may enter into an arrangement with the Liquidator which provides a procedure whereby the Liquidator can distribute funds out of the assets of an Insolvent Insurer to the Corporation, prior to the date on which such a distribution would be made in the normal course of a Liquidation, in order to expedite the making of Compensation Payments and to defer or reduce the necessity for bank borrowings or assessments by the Corporation on its Members. Where the Corporation and the Liquidator agree on such a procedure, the Corporation shall be empowered to execute and deliver to the Liquidator, any contract, guarantee or other instrument in writing, and to do all acts or deeds, necessary to give effect to such procedure.

(2) Notice to Policyholders

The Corporation shall endeavour to cause a notice to be sent by ordinary mail to each Policyholder of an Insolvent Insurer, as soon as possible after a Winding Up Order has been made against the Insolvent Insurer (and in any event no later than a day on which, if the notice was mailed on that day, the Corporation is satisfied that the notice would be received by the Policyholders at least two weeks prior to the 45th day following the date of the Winding Up Order) containing information as to the existence of the Corporation, a warning that Claims arising after the 45th day following the date of the Winding Up Order will not be subject to compensation by the Corporation, a recommendation that alternative insurance coverage be obtained with another insurer and any other matter which is appropriate in the circumstances.

VII. ASSESSMENTS ON MEMBERS

Funding of Compensation Payments and Deeming Provisions

12. (1) Compensation Payments paid to or on behalf of Policyholders pursuant to paragraphs 6

and 8 shall be funded by bank borrowings on terms acceptable to the Corporation, funds recovered from the Liquidator pursuant to paragraph 9 (after deducting any amounts the Corporation is obliged to pay over to Policyholders as required by paragraph 10), and assessments levied on its Members as contemplated by this Part VII and by Part VIIA.

(2) For the purpose of this Part VII, where a Jurisdiction ceases to be a Participating Jurisdiction pursuant to action under sub-paragraphs 6(1) or 6(2) of By-Law No. 1, as the case may be, and where the Corporation is obliged to make Compensation Payments in respect of Covered Policies made, or under applicable insurance legislation deemed to be made, in that Jurisdiction because a Member has become an Insolvent Insurer prior to the Termination Date or Jurisdiction Withdrawal Date, as the case may be, reference in this Part to "Participating Jurisdiction" shall be deemed to include the Jurisdiction referred to above.

(3) The termination of a Member's membership in the Corporation shall in no way derogate from or affect that Member's obligations to the Corporation which have arisen prior to the date the membership was terminated and which, as at such date, have not been fulfilled or satisfied; accordingly, such obligations shall continue in full force and effect after the Member's membership has been terminated until fulfilled or satisfied.

Estimate by Board of Directors

13. (1) As soon as is practicable after a Member becomes an Insolvent Insurer, the board of directors shall estimate an amount (the "Total Assessment") which reflects the maximum exposure of the Corporation anticipated by the board of directors in respect of the Insolvency of a particular Member. The board of directors shall then allocate the Total Assessment among each Participating Jurisdiction in which the Insolvent Insurer was licensed (the "Contributing Participating Jurisdictions") (the amount so allocated in respect of each Contributing Participating Jurisdiction is referred to as a "General Assessment").

(2) The allocation of General Assessments shall be made in the proportion that the board of directors' estimate of Covered Claims and Unearned Premiums arising pursuant to Covered Policies made, or under applicable insurance legislation deemed to be made, in a particular Contributing Participating Jurisdiction is to the Total Assessment.

Levy on Members

14. The Corporation shall levy assessments on each Member who is licensed (or, in the case of Member who is a Government Owned Insurer, who carries on business) in a Contributing Participating Jurisdiction as defined in sub-paragraph 13(1) (a "Contributing Member") and shall make separate assessments on each Contributing Member in respect of each Contributing Participating Jurisdiction in which it is licensed in accordance with paragraph 15.

Amount of Assessment

15. The amount of the assessment to be made on each Contributing Member in respect of each Contributing Participating Jurisdiction shall be calculated in accordance with the following formula:

$$A = \frac{B \times C}{D}$$

where:

A is the assessment to be borne by the Contributing Member in respect of the particular Contributing Participating Jurisdiction (the "Contributing Member's Assessment");

B is the General Assessment allocated to the particular Contributing Participating Jurisdiction;

C is the Total Direct Written Premiums of the Contributing Member in respect of the particular Contributing Participating Jurisdiction; and

D is the Total Direct Written Premiums of all Contributing Members in respect of the particular Contributing Participating Jurisdiction.

Meaning of "Total Direct Written Premiums"

16. For the purpose of paragraphs 15 and 20, the phrase "Total Direct Written Premiums" in respect of any particular Contributing Participating Jurisdiction means the total premiums written (excluding reinsurance premiums assumed and without deduction of premiums in respect of Covered Policies held by Ineligible Persons or for amounts paid by way of reinsurance premiums ceded) in respect of all Covered Policies made or deemed to be made in that Contributing Participating Jurisdiction which have been reported in respect of the particular Contributing Member's fiscal year preceding the date of the assessment.

Reliance on Reports

17. For the purpose of determining the Total Direct Written Premiums of Contributing Members, the Corporation shall be entitled to rely on the reports thereof filed with the insurance regulatory authority of the relevant Contributing Participating Jurisdiction.

Interest on Assessments Etc. and Grievance Procedures

18. (1) A Contributing Member may contest the amount of its Contributing Member's Assessment or any draws thereon by notifying the Corporation in writing to that effect and by stipulating in such notice the reason or reasons therefor but, notwithstanding the sending of such notice, the Contributing Member shall pay the draws levied in respect of its Contributing Member's Assessment when due and payable and shall not withhold any such amounts pending the outcome of the determination contemplated by sub-paragraph

18(2).

(2) As soon as is practicable after receipt by the Corporation of a notice referred to in sub-paragraph 18(1), a committee of three persons appointed by the board of directors for the purposes hereof shall investigate the Contributing Member's complaint and meet with its Designated Representative to discuss the matter. Following such meeting, the committee shall render a decision in respect of the matter and notify the Contributing Member thereof.

(3) In the event that the committee decides that the Corporation should refund any amounts previously paid by the Contributing Member, the Corporation shall do so with interest at the rate specified in sub-paragraph 20(4).

(4) Any determination made by the Corporation, the board of directors and any committee thereof with respect to any assessment made on its Members shall be final and binding on all parties and interests.

Notice of Assessment

19. (1) The Corporation shall notify, in writing, each Contributing Member of the Contributing Member's Assessment(s) levied against it as calculated under paragraph 15. No monies in respect of a Contributing Member's Assessment shall be due and payable by the Contributing Member until the Corporation levies draws on the Contributing Member Assessment in accordance with paragraph 20.

(2) Notwithstanding sub-paragraph 19(1) or paragraph 20, a Contributing Member Assessment shall be deemed to have been effected on the date the assessment is approved by the Board of Directors and any accounting therefor in the books of a Contributing Member shall be made in respect of the fiscal year in which such approval is made.

Draws

20. (1) The Corporation may levy draws from time to time in respect of each Contributing Member's Assessment as is deemed necessary by the board of directors. However, the aggregate of the draws levied in respect of each Contributing Member Assessment in any fiscal year of the Contributing Member shall not, subject to sub-paragraph 20(2), exceed the greater of (a) three-quarters of one per cent of the Contributing Member's Total Direct Written Premiums in respect of the relevant Contributing Participating Jurisdiction for that Contributing Member's preceding fiscal year and (b) the Contributing Member's proportionate share of the lesser of $10 million and an amount equal to one per cent of the Total Direct Written Premiums of all Contributing Members in respect of that Participating Jurisdiction for that year. For this purpose "proportionate share" is the ratio of C/D, where "C" and "D" have the meanings given to them in paragraph 15. Any draws made against and paid by a Contributing Member shall reduce its Contributing Member's Assessment by the amount paid; the balance of the Contributing Member's Assessment shall be carried forward so that draws may be made thereon in subsequent years; provided that the balance carried forward shall not be applied to any other Contributing Member so as to increase that other's Contributing Member's Assessment.

(2) Where, by reason of a Contributing Member having ceased to do business in a Contributing Participating Jurisdiction, its Total Direct Written Premiums in respect of that Contributing Participating Jurisdiction for a particular fiscal year have been reduced or eliminated, the board of directors may, for the purpose of sub-paragraph 20(1), apply the percentage referred to therein to the Contributing Member's Total Direct Written Premiums in respect of the relevant Contributing Participating Jurisdiction for the fiscal year preceding the date the Contributing Member ceased to do business therein.

(3) The Corporation shall send, from time to time, a written notice to each Contributing Member of the draws levied in respect of the Contributing Member's Assessment and all draws shall be due and payable by the Contributing Member on the thirtieth day following the date appearing in the notice.

(4) The Corporation shall charge, and each Contributing Member shall pay, interest on any overdue draw at a rate of interest equal, from time to time, to the rate of interest charged at that time to the Corporation in respect of its bank borrowings (or, if the Corporation has no outstanding bank borrowings, the best available rate of interest which would be charged to the Corporation by its banks if bank borrowings were made).

Refund of Contributing Member Assessments

21. Where the board of directors is of the view that the aggregate of the funds obtained through Contributing Member Assessments or interest thereon and held by it exceed the Corporation's requirements in satisfying any indebtedness of the Corporation and in making Compensation Payments, the Corporation shall refund the excess to each Contributing Member on a pro rata basis calculated in a manner consistent with paragraph 15.

Adjustment of Total and Other Assessments

22. The board of directors may, at any time, adjust the amount of the Total Assessment in accordance with the information then available to it. In such case, the Corporation shall make a corresponding adjustment to the General Assessments and each Contributing Member's Assessment.

Administrative Assessments

23. The Corporation shall be entitled to levy on its Members, on an annual basis, administrative assessments in such amounts and on such basis as may be determined by the board of directors, such that the total annual assessment on all Members does not exceed $500,000. The board of directors shall, from time to time, review the appropriateness of this amount and may adjust it upwards. Until such time as the board of directors acts in this regard, the total annual assessments shall not exceed $500,000.

VIIA. COMPENSATION FUND ASSESSMENT

23A Background and Compensation Fund Assessment

(1) The Corporation and the Members recognize that circumstances may arise from time to time in which either:

(a) the funds available to the Corporation to make Compensation Payments from Contributing Members' Assessments under Part VII may not be sufficient to compensate Claimants who have suffered losses in circumstances where a Member has become an Insolvent Insurer; or

(b) it is desirable for the Corporation to make Compensation Payments to Claimants before funds have become available for such purpose from Contributing Members' Assessments under Part VII.

The Compensation Fund established in accordance with this Part shall be available in such circumstances.

(2) The Members agree, therefore, to the establishment by the Corporation of a fund (the "Compensation Fund"), which shall be funded by assessments ("Compensation Fund Assessments") of Members as and when approved by Members in accordance with this Part and which will be available to the Corporation to make Compensation Payments, all as described in this Part.

23B Compensation Fund Assessment

(1) A Compensation Fund Assessment shall be levied in a particular year (the "Assessment Year") and shall comprise for each Member the percentage determined in accordance with the authorizing resolution adopted under paragraph 23C (the "Authorized

Percentage") of that Member's Total Direct Written Premiums reported for the preceding year (the "Base Year"). For the purpose of this sub-paragraph, "Total Direct Written Premiums" means total premiums written (excluding reinsurance premiums assumed and without deduction of premiums in respect of Covered Policies held by Ineligible Persons or for amounts paid by way of reinsurance premiums ceded) in respect of all Covered Policies made or deemed to be made in all Participating Jurisdictions in which the Member was licensed in the Base Year. For the purpose of determining "Total Direct Written Premiums" of Members, the Corporation shall be entitled to rely on the reports thereof filed with the insurance regulatory authority of the relevant Participating Jurisdiction.

(2) The total of all Compensation Fund Assessments, together with any income or other amounts earned thereon, shall form the Compensation Fund.

(3) The Corporation shall maintain separate accounts regarding all transactions involving the Compensation Fund.

(4) The Compensation Fund shall be an asset of the Corporation and shall not constitute trust funds.

23C Approval of Compensation Fund Assessments

(1) A Compensation Fund Assessment may be levied as to any particular Assessment Year only with the consent of the Members given by an authorizing resolution sanctioned by an affirmative vote of at least two-thirds of the votes cast by Designated Representatives at a meeting of Members. The authorizing resolution shall specify or authorize the directors to determine the percentage to be used in determining the amount of the assessment payable by each member under sub-paragraph 23B(1). This resolution shall be binding on all Members.

(2) A Compensation Fund Assessment is authorized with 1998 as the Assessment Year and 1997 as the Base Year and the assessment percentage shall be 0.15%.

23D Investment of Compensation Fund

The board of directors will have authority to invest the Compensation Fund in accordance with investment guidelines adopted from time to time by the Board of Directors. Until such time as investment guidelines are adopted, the investment of the Compensation Fund will be limited to debt obligations of or guaranteed by Canada or a province of Canada.

23E Use of Compensation Fund Where Assessments are Insufficient

(1) If, in any year, the cumulative amounts of assessments to be made with respect to any Participating Jurisdiction (arrived at by aggregating item B in paragraph 15 as it is determined for each and every assessment in that year) is, by reason of the restriction on draws levied in sub-paragraph 20(1), greater than the amount that can be levied with

respect to that Participating Jurisdiction in the year, then the Board of Directors may determine to draw on the Compensation Fund for all or any portion of the short-fall (the amount so drawn being referred to as the "CF Draw" for the particular Participating Jurisdiction).

(2) Where a CF Draw has been made, the Corporation may estimate the additional income that would have been earned by the Compensation Fund if it had available for investment during the year an amount equal to the amount of the CF Draw. Such amount is referred to as the "Adjustment Amount", which may be increased or decreased from year to year as further CF Draws are made or as amounts become available under sub-paragraph 23E(5).

(3) Where a CF Draw has been made, the Corporation shall, in each following year, make an additional assessment on each Member with respect to the particular Participating Jurisdiction which shall be calculated in accordance with the following formula:

$$A = \frac{B \times C}{D}$$

where:

A is the assessment to be borne by the Member in respect of the particular Participating Jurisdiction;

B is the Adjustment Amount (if any) attributable to the particular Participating Jurisdiction;

C is the Total Direct Written Premiums of the Member in respect of the particular Participating Jurisdiction; and

D is the Total Direct Written Premiums of all Members in respect of the particular Participating Jurisdiction.

(4) For the purpose of sub-paragraph (3), the phrase "Total Direct Written Premiums" in respect of any particular Participating Jurisdiction means the total premiums written (excluding reinsurance premiums assumed and without deduction of premiums in respect of Covered Policies held by Ineligible Persons or for amounts paid by way of reinsurance premiums ceded) in respect of all Covered Policies made or deemed to be made in that particular Participating Jurisdiction which have been reported in respect of the particular Member's fiscal year preceding the date of the assessment.

(5) The Corporation may levy draws from time to time in respect of each Member's assessment under sub-paragraph (3) as is deemed necessary by the board of directors. However, the aggregate of the draws levied in respect of each Member's assessment in any fiscal year of that Member shall not, after allowing for all other draws levied in that year with respect to that Member under sub-paragraph 20(1), exceed the amount permitted under sub-paragraphs 20(1) and (2).

(6) The amount paid by a member in respect of a draw made against it under sub-paragraph 23E(5) shall be added to the Compensation Fund and the Adjustment Amount shall be reduced by that amount.

23E-1 Use of Compensation Fund to Bridge Assessment Delays

(1) If, with respect to any Insolvency, the Board of Directors determines that it would be desirable to make Compensation Payments to Claimants before funds have become available for such purpose from Contributing Members' Assessments under Part VII, the Board of Directors may determine to draw an amount from the Compensation Fund for the purpose of making Compensation Payments to such Claimants (the amount so drawn being referred to as a "Bridge Draw").

(2) Where a Bridge Draw has been made, the Corporation may estimate the additional income that would have been earned by the Compensation Fund if it had available for investment during the year an amount equal to such Bridge Draw. Such amount is referred to as the "Bridge Adjustment Amount".

(3) Each Bridge Draw and related Bridge Adjustment Amount for a particular Insolvency shall be repaid to the Compensation Fund from Contributing Members' Assessments under Part VII for such Insolvency forthwith after funds from such Contributing Members' Assessments which are not required for Compensation Payments are received by the Corporation.

23F Notice of Compensation Fund Assessment

(1) The Corporation shall notify each Member in writing of the amount of its Compensation Fund Assessment. Each Member shall be required to pay to the Corporation the amount of its Compensation Fund Assessment within 30 days of receipt of the notice. In the case of the Compensation Fund Assessment for 1998, one-third of the Compensation Fund Assessment shall be payable in each of the years 1998, 1999 and 2000.

(2) If a Member wishes to contest the amount of its Compensation Fund Assessment, the provisions of paragraph 18 will apply, with necessary modifications.

(3) Sub-paragraph 20(4) applies, with the necessary modifications, to any amounts not paid on time under this Part.

23G Special Provisions

(1) The board of directors, acting reasonably, but in their discretion, may determine how amounts received from Members under Part VII are to be allocated between Compensation Payments generally and the Compensation Fund.

(2) Where an issue arises with respect to the interpretation or application generally of this

Part that is not specifically addressed in this Part, the board of directors, acting reasonably, may resolve the matter on a basis that it considers to be appropriate in light of the facts of the particular case, or may enact a rule or policy, which will be binding on all Members, to resolve the issue, provided that the rule or policy is not inconsistent with this Part.

23H Income

None of the income (excluding the amount of any taxable capital gains) of the Corporation will be payable to, or otherwise available for the personal benefit of, any Member.

23I Compensation Fund Not Refundable

Members shall not be entitled to any return or refund of their Compensation Fund Assessments or of amounts in the Compensation Fund.

VIII. OTHER EXCLUSIONS

Insolvencies Prior to Participation by a Jurisdiction

24. Notwithstanding anything else contained herein, no Compensation Payments shall be made in respect of Covered Policies made, or under applicable insurance legislation deemed to be made, in a Participating Jurisdiction if the Covered Policies were made by a Member which became an Insolvent Insurer prior to the date that Participating Jurisdiction became a Participating Jurisdiction.

Insolvencies of Controlled Insurers

25. No Compensation Payments shall be made in respect of any of the Covered Policies made, or under applicable insurance legislation deemed to be made, in a Participating Jurisdiction if the Covered Policies were made by a Member which was a Controlled Insurer at any time between the period commencing on November 1, 1987 and ending on the date such Participating Jurisdiction became a Participating Jurisdiction.

Late Filing of Claim with Liquidator, Etc.

26. Subject to paragraph 30, the Corporation need not make any Compensation Payment in respect of a Covered Claim or Unearned Premium where, by reason of a Policyholder having failed to notify the Liquidator of his Covered Claim or Unearned Premium within the time period specified in the Winding Up Act or because of some other delinquent act by the Policyholder, the Policyholder's right to receive proceeds of any ultimate distribution of the assets of the Insolvent Insurer (and the corresponding right of the Corporation to such proceeds under the documentation or court order contemplated by paragraph 7) is prejudiced.

Financial Difficulties

27. If the making of Compensation Payments, either actual or anticipated, is at any time likely to cause financial difficulties for the property and casualty industry in a Participating Jurisdiction, or for the Corporation, to the detriment of the public, the Corporation shall participate in discussions with the Insurance Regulatory Authority of that Participating Jurisdiction or all Participating Jurisdictions, as the case may be, with a view to an appropriate modification of the Compensation Payment arrangements provided for herein, and while such discussions take place, the Corporation may defer the making of Compensation Payments as is appropriate in the circumstances.

IX. INELIGIBLE PERSONS

Exclusion of Ineligible Persons

28. For the purposes of this Memorandum of Operation, an "Ineligible Person" is a Person who holds a contract or policy of insurance which is a Covered Policy issued by a Member which has become an Insolvent Insurer and as to which the board of directors of the Corporation concludes that any of the terms of such contract or policy (including extent of coverage, premium rates and other terms) were influenced by the nature of the relationship between the Member and the Person and are more favourable to the Person than the terms the Member would have made available in the absence of that relationship.

Explanation of Reasons

29. Where the board of directors exercises its discretion pursuant to paragraph 28, the Corporation shall notify the Insurance Regulatory Authority of the relevant Contributing Participating Jurisdiction to that effect and explain the reasons for exercising its jurisdiction in the particular matter.

X. HARDSHIP CASES

30. Where the board of directors is satisfied that the loss suffered by a Claimant as a result of the Insolvency of a Member constitutes a hardship case, and where for whatever reason a Compensation Payment is either unavailable or inadequate, the board of directors may, by unanimous approval, authorize the Corporation to compensate that Claimant, or to increase the Compensation Payment otherwise available, as the case may be, in or to an amount established by the board of directors not exceeding the Ceiling Amount.

XI. FEDERAL POLICIES, ETC.

31. In recognition of Part XVI and paragraph 57 of By-Law No. 1, this memorandum of operation is expressly made subject to such Part and paragraph, and the provisions hereof shall be interpreted in a manner consistent therewith.

XII. RULES AND REGULATIONS

32. The board of directors may prescribe such rules and regulations not inconsistent with this Memorandum of Operation which may be necessary or desirable in implementing the procedures referred to herein or which deal with any matter contained herein.

XIII. MISCELLANEOUS

33. In this Memorandum of Operation, the singular shall include the plural and the plural the singular; the masculine shall include the feminine.

34. (1) Notwithstanding paragraphs 7 or 10 or any other provision of this Memorandum of Operation, the Corporation shall not make any payment to any Person, or retain any payment made to the Corporation, if the making or retention of such payment would result in a windfall or double payment to, or double recovery by, such Person or the Corporation, and in lieu of making or retaining any such payment the Corporation may, subject to paragraph 34(2), make such payments, or direct that such payments be made on its behalf, as is appropriate in the circumstances (collectively, "Payments in Lieu").

(2) A Payment in Lieu, as defined in paragraph 34(1), shall not be made to a person subject to the Civil Code of Lower Canada who is a Third Party, within the meaning of paragraph 1(1)(dd). In such case, the Payment in Lieu shall be made to the Liquidator.

5. THIS COURT ORDERS that any cheques or drafts in respect of policies, issued by Reliance (Canada) prior to the making of the winding-up order herein and which are presented for payment thereafter, may be paid out of the estate and effects of Reliance (Canada).

6. THIS COURT ORDERS that the amount recoverable from, due or owed by any reinsurer to Reliance (Canada) shall be paid to the Liquidator and shall not be reduced as a result of this Order or the winding-up order, notwithstanding any terms or contractual agreement to the contrary, and that any payment made directly by a reinsurer to an insured or other creditor or claimant of Reliance (Canada) or Reliance Insurance Company shall not diminish or reduce or affect such reinsurer's obligation to Reliance (Canada).

7. THIS COURT ORDERS that the Liquidator is authorized to cure such defaults and effect such arrangements as may be required to reinstate such reinsurance affecting the operations of Reliance (Canada), as the Liquidator deems to be in the interest and for the protection of policyholders, creditors and claimants of Reliance (Canada).

8. THIS COURT ORDERS that the Liquidator may pay all valid policyholder claims, including claims in respect of unearned premiums, to the amount of $25,000 or the amount, if any, of the voluntary compensation payment of PACICC which may be paid under the terms of its Memorandum of Operations (the "PACICC Voluntary Compensation Payment") until April 30, 2002 or such later date as this Court may order, subject to paragraph 9 hereof, and such payments shall be deemed for all purposes to have been payments made on account of claims in the course of the liquidation of Reliance (Canada).

9. THIS COURT ORDERS that the Liquidator may pay all valid claims including claims in respect of unearned premiums under the Meridian and other warranty and surety programs to the amount of $5,000 or the amount, if any, of the PACICC Voluntary Compensation Payment until January 31, 2002 or such later date as this Court may order, and such payments shall be deemed for all purposes to have been payments made on account of claims in the course of the liquidation of Reliance (Canada).

10. THIS COURT ORDERS that the Liquidator may, after consultation with the Inspectors, make such other payments as the Liquidator in the Liquidator's discretion deems advisable in the circumstances in respect of policies of Reliance (Canada) and such payments shall be deemed for all purposes to have been payments made on account of claims in the course of the liquidation of Reliance (Canada).

11. THIS COURT ORDERS that in addition to the payments referred to in paragraphs 8 and 10, until April 30, 2002 or such later date as this Court may order, the Liquidator may pay and continue to pay all reasonable legal and other costs, incurred to and including April 30, 2002, which Reliance (Canada) is obligated to pay for defending any insureds against losses under Reliance (Canada)'s policies in accordance with the applicable policy ("Defence Costs"), subject to the applicable terms and limits of such policies. For greater certainty, all payments of Defence Costs shall be deemed for all purposes to have been payments made on account of claims in the course of the liquidation of Reliance (Canada) and to form part of the expenses of the liquidation as a first charge on the assets of the estate. However, if the applicable policy so provides, such payments shall be taken into account in determining the amount which would otherwise be distributed to the respective policyholders and claimants, or otherwise paid on account of Defence Costs, as the case may be, at such time as any further distributions or similar arrangements are made in respect of their policies.

12. THIS COURT ORDERS that any payments made by the Liquidator pursuant to paragraphs 5, 8, 9, 10 and 11 hereof, other than payments made pursuant to clerical errors (the "Payments"):

(a) shall be deemed to be payments made on account of claims in the liquidation of Reliance (Canada) and shall be deducted from the amount which would otherwise

be distributed at such time as further distributions or similar arrangements are made in respect of such claims;

(b) shall be deemed to have been made in accordance with this Order;

(c) in respect of any policy shall not obligate the Liquidator to make further payments in respect thereof; and

(d) which may have exceeded the ultimate amount which the Liquidator determines is available for distribution to the respective policyholders and claimants, or available for payment of Defence Costs, as the case may be, (collectively, the "Overpayments") shall be deemed not to be preferences and shall not be repayable by the recipients or policyholders.

Neither the Liquidator nor the Liquidator's agents, advisers or employees shall be liable to any person in respect of the Overpayments.

13. THIS COURT ORDERS that PACICC, which shall designate from time to time one or more persons as its representative, and the Insurance Commissioner of the Commonwealth of Pennsylvania in her capacity as Liquidator of the Respondent or her designee are appointed inspectors (collectively the "Inspectors") to assist and advise the Liquidator in the winding-up of Reliance (Canada).

14. THIS COURT ORDERS that the Inspectors may apply to this Court on motion for directions concerning any matter relating to the liquidation of Reliance (Canada).

15. THIS COURT ORDERS that each claim in respect of which PACICC makes a PACICC Voluntary Compensation Payment (a "Compensated Claim") shall be deemed to be and

shall hereby be assigned in its entirety to PACICC without specific assignment or further steps required. PACICC shall be entitled to assert each Compensated Claim in the Liquidation. Reliance (Canada) is hereby deemed to have acquiesced to the assignment of Compensated Claims provided for herein and to have received a copy of the deed of assignment. PACICC and the Liquidator shall be deemed to be and shall hereby be released and forever discharged from any and all claims, actions, losses and liabilities which any person has or may have at present or in the future with respect to each Compensated Claim.

16. THIS COURT ORDERS that, notwithstanding the provisions of paragraph 15, the Liquidator may make funds in the estate available to PACICC from time to time to be used by PACICC to make PACICC Voluntary Compensation Payments pursuant to the terms and conditions of the loan and services agreement made effective as of the date hereof between the Liquidator and PACICC, which is hereby approved.

17. THIS COURT ORDERS that the Liquidator is authorised and empowered to act as administrator of insurance coverage on behalf of third parties who assume all or part of the insurance risk, and to be paid the fees earned by Reliance (Canada), pursuant to the terms of the contracts between Reliance (Canada) and such third parties.

18. THIS COURT ORDERS that the Liquidator is entitled forthwith to possession of all of Reliance (Canada)'s books, accounts, securities, documents, papers, computer programs and data, registers and records of any kind ("Books and Records") and that Reliance (Canada), its present and former shareholders, directors, officers, employees, salespeople and agents, accountants, auditors, solicitors, trustees, and every person having knowledge of this Order and having possession or control of such Books and Records, do forthwith deliver over to the Liquidator or to the Liquidator's agent all such Books and Records.

24. THIS COURT ORDERS that all persons, firms, corporations and other entities be and they are hereby enjoined from disturbing or interfering with the occupation, possession or use by the Liquidator of any premises occupied or leased by Reliance (Canada) as at November 8, 2001 except upon further Order of this Court. FIRST D&O/E&O EXCESS OF LOSS REINSURANCE AGREEMENT

FIRST D&O/E&O EXCESS OF LOSS REINSURANCE AGREEMENT

THIS AGREEMENT is made and entered into by and between RELIANCE INSURANCE COMPANY, Philadelphia, Pennsylvania, FIREMARK INSURANCE COMPANY, Philadelphia, Pennsylvania, REGENT INTERNATIONAL INSURANCE COMPANY, LTD., Bermuda, RELIANCE INSURANCE COMPANY OF NEW YORK, Fairport, New York, RELIANCE LLOYDS, Philadelphia, Pennsylvania, RELIANCE NATIONAL (BARBADOS) INSURANCE LTD., Barbados, RELIANCE NATIONAL INSURANCE COMPANY (U.K.) LTD., London, England, RELIANCE NATIONAL PROPERTY AND CASUALTY INSURANCE COMPANY, Des Moines, Iowa, UNITED PACIFIC INSURANCE COMPANY OF NEW YORK, Fairport, New York and any additional company established or acquired by the Company (hereinafter called "Company") of the one part, and the various Reinsurers identified by the attached Interests and Liabilities Agreements (hereinafter called "Reinsurer") of the other part.

WITNESSETH:

That in consideration of the mutual covenants hereinafter contained and upon the terms and conditions herein below set forth, the parties hereto agree as follows:

ARTICLE I

POOLING ARRANGEMENT

Reliance Insurance Company assumes 100% of the liability of United Pacific Insurance Company, Planet Insurance Company, Reliance National Insurance Company, Reliance Insurance Company of Illinois, and Compac Insurance Company as this business pertains to this Agreement after deduction for facultative reinsurance and ceded captive reinsurance programs. Notwithstanding any other provisions of this Agreement, this Agreement protects such assumed reinsurance liability as if it were written directly by Reliance Insurance Company and attaches prior to redistribution to those companies

under the terms of Company's intercompany reinsurance pool, which redistribution will be disregarded for all purposes hereunder. With respect to all other named companies set forth in the preamble of this Agreement, this Agreement will apply as provided for in the Net Retained Lines Article. In the event that this Agreement applies on a per risk basis, and a single occurrence affects two or more of the pooling companies named above under different policies, Company will continue to maintain a separate retention and a separate limit for each risk as if the policies were written by separate companies.

ARTICLE II

BUSINESS COVERED

This Agreement applies to new and renewal policies with an effective date during the term of this Agreement, issued by Company and written through Reliance National Division of Company, and classified by Company as Directors and Officers Liability, Employee's Retirement Income Security Act Liability, General Partnership Liability and Errors and Omissions Liability; except as excluded in the Exclusions Article, subject to the limitations set forth in the Reinsurance Coverage Article.

There will be no coverage under this Agreement for policies where the original policy limit does not exceed Company's retention under this Agreement.

If any law or regulation of the Federal, State or Local government of the United States or the rulings of officials having supervision over insurance companies, should render the undertaking of this Agreement illegal within the jurisdiction of such Authority, Company may upon written notice to Reinsurer suspend, abrogate or amend this Agreement insofar as it relates to such jurisdiction, to the extent necessary to comply with such law, regulation or ruling. Such suspension, abrogation or amendment of a portion of this Agreement will in no way affect any other portion thereof, nor increase or extend Reinsurer's liability hereunder.

ARTICLE III

TERM

This Agreement is effective from July 1, 1993 through June 30, 1994, both days inclusive, at the location of the original policy.

Reinsurance coverage will remain in force for all policies in force at the date of expiration of this Agreement until their natural expiration defined as the full original policy period plus any run-off provision and/or any extended reporting period option and/or any discovery period and/or any retroactive coverage period contained in the original policy. However, should any policy to which this Agreement applies during the reinsurance run-off period be extended, continued or renewed due to regulatory or other legal restrictions, this Agreement will automatically continue to provide reinsurance coverage until such time as said policies may be actually terminated by Company.

The provisions of the preceding paragraph notwithstanding, Company will have the option, subject to Company notifying Reinsurer prior to the date of expiration of this Agreement, to terminate Reinsurer's liability for claims first made after the date of expiration of this Agreement on policies in force as at the date of expiration and Reinsurer will return to Company within 60 days the ceded unearned premium reserve and cash equivalent calculated as of the date of expiration less applicable ceding commission for all policies in force as at the date of termination.

The provisions of this Agreement will continue to apply to all unfinished business hereunder to the end that all obligations and liabilities incurred by each party hereunder prior to termination will be fully performed and discharged.

ARTICLE IV

EXCLUSIONS

A. The reinsurance provided under this Agreement is subject to the exclusions set forth below and will not cover said excluded risks, hazards

and coverages unless individually submitted by Company to Reinsurer for inclusion hereunder, and, if specially accepted by Reinsurer, such business will then be covered under the terms of this Agreement, except as such terms will be modified by such acceptance. Any renewal of a special acceptance covered under the previous year's reinsurance agreement will be automatically covered hereunder.

B. The reinsurance provided under this Agreement does not apply to:

1. Reinsurance assumed except that:

   a) inter-company reinsurance,

   b) reinsurance of one or more of an agent's policies, with the agent acting for the ceding insurer under its authority,

   d) specific arrangements with insureds through their single parent "captive" carrier

   will not be excluded hereunder.

Company will retain for its own account and pay the first $1,000,000 of ultimate net loss, each and every loss, each policy and Reinsurer will be liable to and reimburse Company for 100% of (a) the amount of ultimate net loss paid or payable by Company in excess of that $1,000,000 of ultimate net loss, each and every loss, each policy; but Reinsurer's maximum liability for ultimate net loss will not exceed $1,000,000 each and every loss, each policy and (b) loss adjustment expense when not included within ultimate net loss on a pro rata basis (in the amount that the ultimate net loss reimbursed under this Agreement bears to the original whole ultimate net loss incurred by Company) and in addition to the limits stated herein and (c) monitoring counsel expense on a pro rata basis (in the amount that the ultimate net loss reimbursed under this Agreement bears to the original whole ultimate net loss incurred by Company) and in addition to the limits stated herein.

Reinsurer will reimburse Company for 100% of the amount of ultimate net loss reimbursable under the preceding paragraph up to a 250% loss ratio to Reinsurer. Company will thereafter retain and be responsible for the amount of ultimate net loss otherwise reimbursable under the preceding paragraph up to an amount equal to 25% of

Reinsurance Premium, net of ceding commission thereon. Thereafter, Reinsurer will be obligated to pay to Company the amount of ultimate net loss reimbursable under the preceding paragraph only up to an additional amount equal to 25% of Reinsurance Premium, net of ceding commission thereon that is, up to a maximum loss ratio cap to Reinsurer of 275% in all during the term hereof.

ARTICLE VII

WARRANTIES

A. The first $1,000,000 of ultimate net loss, each and every loss, each policy is to be retained net to Company's own account and unreinsured other than from other Casualty Catastrophe Excess of Loss reinsurances.

B. All policies subject to this Agreement will contain a pollution liability exclusion or so deemed.

ARTICLE VIII

GENERAL INFORMATION

A. All policies subject to this Agreement are issued on a claims made basis.

B. If Company issues two or more policies on different layers of the same program for any one insured, such policies will be deemed one policy for the purpose of recovery hereunder, subject to one limit and retention within the terms of the Reinsurance Coverage Article.

C. Company will be the sole judge of what constitutes one insured.

ARTICLE IX

DEFINITIONS

"Policies" means each of Company's binders, policies and contracts providing insurance or reinsurance on the business covered hereunder.

"Each and every loss" means each claim made or series of claims made arising from a wrongful act or the same or series of interrelated wrongful acts, as defined in the original policy.

"Ultimate net loss" means the amount paid or payable by Company in settlement of losses or liability on its net retained line after deducting all other recoveries and salvages, and will include all loss indemnity payments, allocated loss adjustment expense when included within the original policy limits, 90% of any Extra Contractual Obligations losses and 90% of losses in Excess of Policy Limits.

All salvages and recoveries received subsequent to a loss settlement under this Agreement will be applied as if received prior to said loss settlement and all necessary adjustments will be made between Company and Reinsurer.

Nothing in this definition will be construed to mean that losses hereunder are not recoverable until Company's final ultimate net loss has been ascertained.

Ultimate net loss includes 90% of any Extra Contractual Obligations losses and 90% of losses in Excess of Policy Limits which are both recoverable hereunder. The remaining 10% of the Extra Contractual Obligations losses and losses in Excess of Policy Limits will be retained net by Company unreinsured except for Casualty Catastrophe Excess of Loss reinsurances. Company will retain an unreinsured $1,000,000 Self-Insured Retention in addition to the 10% participation in Extra Contractual Obligation losses and losses in Excess of Policy Limits. Such self-insured retention is to be applied before the application of the Extra Contractual Obligations losses or losses in Excess of Policy Limits provision contained herein.

"Allocated loss adjustment expense" means all expenses and costs relating to the adjustment and defense of specific losses hereunder, including appellate expenses, expenses and costs associated with policy coverage and declaratory judgment actions that are claim specific, pre-judgment and post-judgment interest, and legal costs and expenses associated with losses in Excess of Policy Limits (90%) and Extra Contractual Obligations losses (90%). However, where defense costs on original policies are in addition to the policy limits, those loss expenses will be reimbursed by Reinsurer to

Company on a pro rata basis (in the amount that the ultimate net loss reimbursed under this Agreement bears to the original whole ultimate net loss incurred by Company) and in addition to the limits stated in the Reinsurance Coverage Article.

"Monitoring counsel expense" means all loss adjustment expenses incurred by Company as a result of activities of an authorized monitoring counsel related to one specific loss and one specific policy that cannot be charged against the limit of the original policy.

"Extra Contractual Obligations" means the legal liability of Company for loss or losses not covered under the coverage, terms and conditions of Company's policies, arising from the handling of any claim on business otherwise covered under this Agreement, when such loss arises because of:

1. The failure of Company to pay a claim within the policy terms of coverage or to provide a defense against such claim as required by law, or

2. Bad faith, fraud or negligence in adjusting a claim, rejecting a claim or in rejecting an offer of settlement, or

3. Negligence or breach of duty in the preparation of the defense or the conduct of a trial or the preparation or prosecution of any appeal and/or subrogation and/or subsequent action resulting therefrom.

Extra Contractual Obligation will not include loss arising out of engineering or other services or any other non claims-related activity provided to the insured by Company.

However, this coverage for Extra Contractual Obligations will not apply when the Extra Contractual Obligations loss has been incurred due to the fraud of a member of the Board of Directors or a corporate officer of Company or any other employee of Company with claims settlement authority acting individually or collectively or in collusion with a member of the Board of Directors, a corporate officer, partner or any other employee of any other corporation or partnership or with any other individual.

"Losses in Excess of Policy Limits" means any judgment or settlement in lieu thereof rendered against an original insured which is in excess of limits provided by Company's policy but otherwise within the terms of Company's policies and for which Company is held liable as a result of alleged or actual bad faith, fraud or negligence in rejecting a settlement within its policy limits, in the duty to defend, in the preparation of the defense, in the trial of an action against the insured or in the preparation or prosecution of an appeal consequent upon such action.

"Loss ratio" means the percent resulting from Reinsurer's paid ultimate net loss arising from policies with an effective date during the term of this Agreement divided by Reinsurance Premium, net of ceding commission thereon, arising from policies with an effective date during the term of this Agreement.

"Gross Net Written Premium" means Company's gross premiums charged for the original policies with an effective date during the term of this Agreement plus additional premiums thereon, less return premiums thereon and less any premiums paid or payable for reinsurance inuring to the benefit of Reinsurers.

ARTICLE X

NET RETAINED LINES

This Agreement will apply only to that portion of any insurance or reinsurance Company retains net for its own account [prior to the deduction of any underlying, and other treaty excess of loss reinsurances (including Casualty Catastrophe Excess of Loss) but not inuring facultative reinsurance], and in calculating the amount of any ultimate net loss hereunder and the amount in excess of which this Agreement attaches, only ultimate net loss or ultimate net losses with respect to that portion of any insurance or reinsurance Company retains net for its own account will be included. It is understood and agreed, however, that Reinsurer's liability hereunder with respect to any ultimate net loss or

ultimate net losses will not be increased by reason of the inability of Company to collect from any other reinsurers, whether specific or general, any amounts which may be due from them, whether such inability arises from the insolvency of such other reinsurers or otherwise.

Recoveries, collectibles or retention from any form of insurance or reinsurance other than: 1) from other excess of loss reinsurances including Casualty Catastrophe Excess of Loss reinsurances, 2) primary Errors and Omissions policy issued to Company, 3) the deductible thereon, and 4) Self-Insured Excess Errors and Omissions policy, will inure to the benefit of Reinsurer and will be deducted in arriving at the Ultimate Net Loss hereunder. It being the intention of the parties hereto that any Extra Contractual Obligations and Excess of Policy Limits coverage provided hereunder will be applied first to the original insured's loss and any loss under Company's own insurance (i.e., primary insurance, deductible and Self-Insured Excess insurance) will be treated as a separate loss.

Intercompany reinsurance and other underlying and excess of loss reinsurance will be disregarded in calculating ultimate net loss and net retained line.

ARTICLE XI

SUBROGATION AND SALVAGE

Reinsurer will be credited with salvage i.e., reimbursement obtained or recovery made by Company, less the actual cost, excluding salaries of officials and employees of Company and sums paid to attorneys as retainer, of obtaining such recovery on account of claims and settlements involving reinsurance hereunder. Salvage hereon will always be used to reimburse the excess carriers in the reverse order of their priority according to their participation before being used in any way to reimburse Company for its primary loss. Company agrees reasonably to enforce its rights to salvage or subrogation relating to

any loss, a part of which loss was sustained by Reinsurer, and to prosecute all reasonable claims arising out of such rights.

ARTICLE XII

NOTICE OF LOSS AND LOSS SETTLEMENT

Company will advise Reinsurer of all losses for which Company has established an indemnity and/or expense reserve of $500,000 or greater and of all losses which, in the opinion of Company, are likely to involve Reinsurer under this Agreement, and all material subsequent developments pertaining thereto, which, in the opinion of Company, may materially affect the position of Reinsurer.

Company may make loss settlements either under strict policy conditions or by way of compromise and such settlements will be unconditionally binding on Reinsurer provided such settlements are made within the terms and conditions of this Agreement and within the terms and conditions of the original policies including all modifications, waivers, alterations and interpretations made thereto.

ARTICLE XIII

REINSURANCE PREMIUM

Company will pay to Reinsurer its proportionate share of Gross Net Written Premium as allocated by Company for the limit or limits ceded hereunder in accordance with Company's increased limits factors for this layer.

If Company issues two or more policies on different layers of the same program for any one insured, cession factors are applied to the combined total limits of the original policies only when Company writes contiguous policies and the full limit of each original policy.

If Company does not write contiguous policies and/or does not write the full limit of each original policy, the underlying policy will be ceded by applying the cession factors to the limit of that policy. Subsequent policy(ies) will be ceded on a pro rata basis (i.e., based on the amount of limit applied to the reinsurance layer).

ARTICLE XIV

CEDING COMMISSION

Reinsurer will allow Company a ceding commission of 27% of the Reinsurance Premium.

ARTICLE XV

REPORTS AND REMITTANCES

Company will provide Reinsurer with all necessary data respecting premiums, losses and recoveries on forms mutually acceptable to Company and Reinsurer.

Company will render a quarterly account of Gross Net Written Premium due Company and Reinsurance Premium due thereon during said quarter and any premium due Reinsurer will be remitted within 60 days of the end of each calendar quarter.

Company will provide to Reinsurer, as promptly as possible after the close of each year the information necessary for Annual Statement purposes.

Except as provided in the following paragraph, payment by Reinsurer of its proportion of ultimate net loss paid by Company will be made by Reinsurer to Company within 15 days after proof of payment by Company is received by Reinsurer.

In the event Reinsurer's share of any one ultimate net loss is $500,000 or more, Company may give Reinsurer written notice of its intention to pay such loss on a certain date and may require Reinsurer to have its share of the ultimate net loss in the hands of Company by such date. Such written notice will allow Reinsurer at least 15 working days after its receipt to prepare and dispatch its payment by check or wire transfer.

ARTICLE XVI

TAXES

In consideration of the terms under which this Agreement is issued, Company will not claim a deduction in respect of the premium hereon when making tax returns, other than income or profits tax returns, to any state or territory of the United States of America, the District of Columbia or Canada.

ARTICLE XVII

FEDERAL EXCISE TAX

(Applicable to those reinsurers, except Underwriters at Lloyds London and other reinsurers exempt from Federal Excise Tax, who are domiciled outside the United States of America.)

Reinsurer has agreed to allow for the purpose of paying the Federal Excise Tax the applicable percentage of the premium payable hereon (as imposed under Section 4371 of the Internal Revenue Service Code) to the extent such premium is subject to the Federal Excise Tax.

In the event of any return of premium becoming due hereunder, Reinsurer will deduct the aforesaid percentage from the return premium payable hereon and Company or its agent should take steps to recover the tax from the United States government.

ARTICLE XVIII

CURRENCY

Wherever the word "Dollars" or the "$" sign appears in this Agreement, they will be construed to mean United States Dollars, except in those cases where the policies are issued by Company in Canadian Dollars, they will mean Canadian Dollars.

All transactions under this Agreement as regards payment and settlements of premium and losses will be made in the currency of the original policy except that

currencies other than United States Dollars or Canadian Dollars will be converted to United States Dollars at the applicable rate of exchange appearing in the Wall Street Journal on the date such transaction is entered in the books of Company.

The Retention and the Limit are stated in United States Dollars or its equivalent at the same rate of exchange as used by Company in recording the transaction in Company's records. In the event that there is an increase or reduction in the parity value of the United States Dollar against the currency of the original policy at the date of settlement of loss, from that existing at the time of the risk's cession to this Agreement, then the Retention and the Limit will be adjusted to maintain the original relative Retention and Limit.

In the event Company is involved in a loss requiring payment in more than one currency hereunder, Company's retention and the amount recoverable hereunder will be apportioned in the currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total ultimate net loss from all currencies paid by Company.

ARTICLE XIX

ACCESS TO RECORDS

Reinsurer or its duly authorized representatives will have the right at any reasonable time upon 5 working days prior notice during the term of this Agreement, or at any time after the expiration of this Agreement to visit the offices of Company to inspect, examine, audit, and verify any of the policy or claim files ("records") relating to the business reinsured under this Agreement. Reinsurer will have the right to make copies, at its own expense, or extracts of any records. Notwithstanding the above, Reinsurer will not have any right of access to the records of Company if it is not current in all payments due to Company and Company will have no right to reimbursement under this Agreement if it fails or refuses to provide the access required by this Article other than by reason of Reinsurer's failure to pay. Reinsurer will keep confidential all information and reports

derived from the records of Company to which it has received access and will not publish or communicate that information or report(s) to any other person or reinsurer without Company's express prior written consent.

ARTICLE XX

DELAYS, ERRORS, OR OMISSIONS

Inadvertent delays, errors, or omissions made in connection with this Agreement or any transaction hereunder will not relieve either party from any liability which would have attached had such delay, error, or omission not occurred, provided always that such error or omission will be rectified as soon as possible after discovery, and shall not impose any greater liability on the other party than would have attached hereunder if such delay, error or omission had not occurred.

ARTICLE XXI

INSOLVENCY

In the event of the insolvency of one (or more) of the reinsured companies, and the appointment of a liquidator, receiver, conservator or statutory successor for such insolvent company, reinsurance payable to such company will be payable immediately upon demand, with reasonable provision for verification, on the basis of the liability of such Company as a result of claims allowed against such company by any court of competent jurisdiction or any liquidator, receiver, conservator or statutory successor having authority to allow such claims, without diminution because of such insolvency or because such liquidator, receiver, conservator or statutory successor has failed to pay all or a portion of any claims. Every liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor of Company will give written notice to Reinsurer of the pendency of a claim involving Company indicating the subject policy, which claim would be a possible liability on the part of Reinsurer to Company or to its domiciliary liquidator, receiver, or statutory successor within a reasonable amount of time after the claim is filed in the conservation, liquidation, receivership or other proceeding; during the

pendency of any claim, Reinsurer may investigate the same and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses that it may deem available to Company, to its policyholder or to any liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor. The expense thus incurred by Reinsurer will be chargeable, subject to the approval of the Court, against Company as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to Company as a result of the defense undertaken by Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expense will be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by Company.

This reinsurance will be payable directly by Reinsurer to Company or to its domiciliary liquidator, receiver, conservator or statutory successor, except as expressly provided otherwise by applicable insurance law, or except (a) where this Agreement specifically provides another payee of the reinsurance in the event of the insolvency of Company and (b) where Reinsurer with the express written consent of the direct policyholder or policyholders has assumed the policy obligations of Company as direct obligations of Reinsurer to the payees under the subject policies and in substitution for the obligations of Company to such payees; however, as between Company or its domiciliary liquidator, receiver, conservator or statutory successor and any ancillary liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor, howsoever named, the proceeds hereof will be payable to Company or its domiciliary liquidator, receiver, conservator or statutory successor. Prior to implementation of a novation, any certificate of assumption on New York risks must be approved by the Superintendent of Insurance for the state of New York.

ARTICLE XXII

ARBITRATION

Any and all disputes between Company and Reinsurer arising out of, relating to, or concerning this Agreement, whether sounding in contract or tort and whether arising during or after termination of this Agreement, will be submitted to the decision of a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration will be conducted under the Federal Arbitration Act and will proceed as follows:

A. Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, will be in writing and will be sent certified or registered mail, return receipt requested, to the affected parties. The notice requesting arbitration will state in particulars all issues to be resolved in the view of the claimant, will appoint the arbitrator selected by the claimant, and will set a tentative date for the hearing, which date will be no sooner than 90 days and no later than 150 days from the date that the notice requesting arbitration is mailed. Within 30 days of receipt of claimant's notice, the respondent will notify the claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

B. Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board will be impartial and disinterested and will be active or retired lawyers, familiar with insurance and reinsurance, or current or former officers of property-casualty insurance companies, reinsurance companies, or Underwriters at Lloyd's, London. Company and Reinsurer as aforesaid will each appoint an arbitrator and the two arbitrators will choose an umpire before instituting the hearing. As time is of the essence, if the respondent fails to appoint its arbitrator within 30 days after having received the claimant's written request for arbitration, the claimant is authorized to and will appoint the second arbitrator. If the two arbitrators fail to agree upon the appointment of an umpire within 30 days after notification of the appointment of the second arbitrator, within 10 days thereof, the two arbitrators will request the American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the qualifications set forth above in this Article. If the AAA fails to name an umpire, either party may apply to a court of competent jurisdiction to appoint an umpire with the above required qualifications. The umpire will promptly notify in writing all parties to the arbitration of his/her selection

and of the scheduled date for the hearing. Upon resignation or death of any member of the Board, a replacement will be appointed in the same fashion as the resigning or deceased member was appointed.

C. Submission of Briefs. The claimant and respondent will each submit initial briefs to the Board outlining the issues in dispute and the basis, authority and reasons for their respective positions within 30 days of the date of notice of appointment of the umpire. The claimant and the respondent may submit reply briefs to the Board within 10 days after filing of the initial brief(s). Initial and reply briefs may be amended by the submitting party at any time, but not later than 10 days prior to the date of commencement of the arbitration hearing. Reasonable responses will be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

D. Arbitration Award. The Board will make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the custom and usage of the property and casualty insurance and reinsurance business, which decision and award will be in writing and will state the factual and legal basis for the decision and award. The decision and award will be based upon a hearing in which evidence will be allowed and in which the formal rules of evidence will not strictly apply but in which cross examination and rebuttal will be allowed. At its own election or at the request of the Board, either party may submit a post-hearing brief for consideration of the Board within 20 days of the close of the hearing. The Board will make its decision and award within 30 days following the close of the hearing or the submission of post-hearing briefs, whichever is later, unless the parties consent to an extension. Every decision by the Board will be by a majority of the members of the Board, and each decision and award by the majority of the members of the Board will be final and binding upon all parties to the proceeding. Either party may apply to a court of competent jurisdiction for an order confirming any decision and the award; a judgment of that Court will thereupon be entered on any decision or award. If such an order is issued, the attorneys' fees of the party so applying and court costs will be paid by the party against whom confirmation is sought. The Board may award interest at the rate published in the Wall Street Journal on the date of the award calculated from the date the Board determines that any amounts due the prevailing party should have been paid to the prevailing party, but may not award punitive, exemplary, or treble damages.

E. Arbitration Expense. Except in the event of a consolidated arbitration, each party will bear the expense of the one arbitrator appointed by it and will jointly and equally bear with the other party the expense of any stenographer requested, and of the umpire. The remaining costs of the arbitration proceedings will be finally allocated by the Board.

F. Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration will have the obligation to produce those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests, providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the umpire determines in his/her sole discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision, and award by the Board. The umpire will be the final judge of the procedures of the Board, the conduct of the arbitration, of the rules of evidence, the rules of privilege and production, and of excessiveness and relevancy of any witnesses and documents upon the petition of any participating party. To the extent permitted by law, the Board and the umpire will have the authority to issue subpoenas and other orders to enforce their decisions.

G. Equitable Relief. Nothing herein will be construed to prevent any participating party from applying to a federal district court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board. The Board will also have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing, decision, and award by the Board.

H. Consolidate Hearing. Upon request of Company made within 30 days of the umpire's appointment, the Board may order a consolidated hearing between Company and all affected reinsurers to this Agreement if the Board is satisfied in its discretion that the issues in dispute affect more than one reinsurer and a consolidated hearing would be in the interest of fairness and a prompt resolution of the issues in dispute. If the Board orders a consolidated hearing, all other affected participating reinsurers will join and participate in the arbitration at Company's request under time frames established by the umpire and will be bound by the Board's

decision and award unless excused by the Board in its discretion. Any reinsurer may decline to actively participate in a consolidated arbitration if in advance of the hearing, that reinsurer files with the Board a written agreement satisfactory to the Board to be bound by the decision and award of the Board in the same fashion and to the same degree as if it actively participated in the arbitration.

In the event of an order of consolidation by the Board, the arbitrator appointed by the original reinsurer will be subject to being and may be replaced within 30 days of the Board's order of consolidation by an arbitrator named by the reinsurer with the largest participation in this Agreement affected by the dispute. In the event two or more reinsurers affected by the dispute each have the same largest participation, they will agree among themselves as to the replacement arbitrator, if any, to be appointed. The umpire will be the final determiner in the event of any dispute over replacement of that arbitrator. All other aspects of the arbitration will be conducted as provided for in this Article provided that (a) each party actively participating in the consolidated arbitration will have the right to its own attorney, position, and related claims and defenses; (b) each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and (c) the cost and expense of the arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board determines to be fair and appropriate under the circumstances.

ARTICLE XXIII

OFFSET

All amounts due either Company or Reinsurer, by reason of premiums, losses or otherwise, under this Agreement will be subject to recoupment and to offset, the rights to which may be exercised at any time and from time to time by either party and, upon exercise thereof, only the balance will be due.

ARTICLE XXIV

SERVICE OF SUIT

(This Article only applies to Reinsurers domiciled outside of the United States and/or unauthorized in any state, territory, or district of the United States having jurisdiction over Company.)

In the event of a dispute or the failure of Reinsurer to pay any amount claimed to be due hereunder, Reinsurer hereon, at the request of Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this Article constitutes or should be understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829 and that in any suit instituted, Reinsurer will abide by the final decision of such court or of any Appellate Court in the event of an appeal.

The above-named is hereby authorized and directed to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of Company to give a written undertaking to Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit will be instituted.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, Reinsurer hereon hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of Company or any beneficiary hereunder arising out of this Agreement of reinsurance, and hereby designates the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

ARTICLE XXV

SECURITY AND UNAUTHORIZED REINSURANCE

If any reinsurer is unauthorized or otherwise unqualified in any state or other jurisdiction, or if, without such security, a financial penalty to Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of Company's financial security and condition, that reinsurer will secure no later than December 31 of each year its share of "obligations" under this Agreement in a manner, form and amount and from a bank acceptable to the regulatory authorities having jurisdiction, by a clean, irrevocable, and unconditional "evergreen" letter of credit.

The "obligations" referred to herein will mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which Reinsurer is responsible;

2. The amount of paid losses and allocated loss adjustment expenses paid by Company but not yet recovered from Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss adjustment expenses, for which Reinsurer is responsible;

4. The amount of return and refund premiums for which Reinsurer is responsible.

5. Contingent Profit Collateral. The amount of such collateral is calculated by applying the following criteria and rates:

6 Months	18 Months	30 Months	42 Months	54 Months
35%	35%	25%	15%	0%

The amount of such collateral will equal the percentage shown above times the difference between the ceded earned premium, net of ceding commission and brokerage, and the total of all ceded paid losses, ceded paid allocated loss expenses and ceded case reserves.

The first calculation of the Contingent Profit Collateral will be made by Company no later than December 31, 1993 and will be recalculated by Company at 12 month intervals until 48 months after the initial calculation when Company agrees to return the Contingent Profit Collateral to Reinsurer.

If any reinsurer is unauthorized in any province or jurisdiction of Canada, that reinsurer agrees to fund 115% of its share of Company's ceded Canadian unearned premium and outstanding loss and loss adjustment expense reserves by cash advances, if, without such funding, a penalty would accrue to Company on any financial statement it is required to file with the insurance regulatory authorities involved. Such cash advances will not exceed treaty limits as defined in Article VI, Reinsurance Coverage.

Company, or its successors in interest may draw, at any time and from time to time, upon the established letter of credit (or subsequent cash deposit) without diminution or restriction because of the insolvency of either Company or Reinsurer for one or more of the following purposes:

1. To make payment to and reimburse Company for Reinsurer's share of paid loss and allocated loss adjustment expense paid by Company under its original policies covered under this Agreement due to Company but unpaid by Reinsurer;

2. To make payments to Reinsurer of any amounts held thereby that exceed the amount required to fund Reinsurer's "obligations" under this Agreement.

3. To make payment to Company of Reinsurer's share of premium refunds and returns; and

4. To obtain a cash deposit of the entire amount of the remaining balance under the letter of credit where Company:

   a. has received notice of non-renewal or expiration of the letter of credit;

b. has not received assurances satisfactory to Company of any required increase in the amount of the letter of credit, or its replacement or other continuation of the letter of credit at least 30 days before its stated expiration date;

c. has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit; or

d. has concluded that the issuing (or confirming) bank's financial condition is such that the security represented by the letter of credit may be in jeopardy;

and under any of those circumstances where Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least 30 days prior to the stated expiration date or at the time Company learns of the possible jeopardy to the security.

If Company draws on the letter of credit to obtain a cash deposit, Company will hold the amount of the cash deposit so obtained in the name of Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to Reinsurer:

1. upon the complete and final liquidation and discharge of all Reinsurer's obligations to Company under this Agreement; or

2. in the event Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to Company.

All income earned and received by the amount held in a trust account will be added to the principal.

Company will prepare and forward at least quarterly to Reinsurer a statement for the purposes of this Article, showing Reinsurer's share of "obligations" as set forth above. If Reinsurer's share thereof exceeds the then existing balance of the security provided,

Reinsurer will, within 15 days of receipt of Company's statement, but never later than December 31 of any year, increase the amount of the letter of credit (or cash deposit) to the required amount of Reinsurer's share of "obligations" set forth in Company's statement.

If Reinsurer's share thereof is less than the then existing balance of the letter of credit (or cash deposit) provided, Company will release the excess thereof to Reinsurer upon Reinsurer's written request.

Reinsurer will take any other reasonable steps that may be required for Company to take credit on its statutory financial statements for the reinsurance provided by this Agreement.

Company may apply the Canadian cash advances under the third paragraph above to satisfy Reinsurer's Canadian obligations to Company in the same manner as if it were drawing on the letter of credit (or subsequent cash deposit).

ARTICLE XXVI

OTHER TERMS AND CONDITIONS

A. Waiver. The failure of Company or Reinsurer to insist on strict compliance with this Agreement, or to exercise any right or remedy hereunder, will not constitute a waiver of any rights contained herein nor stop the parties from thereafter demanding full and complete compliance nor prevent the parties from exercising such a remedy in the future.

B. Conflict with Law and Severability. If any provision of this Agreement should be invalid under applicable laws, the latter will control but only to the extent of the conflict without affecting the remaining provisions of this Agreement.

C. Headings. The headings preceding the text of the Articles and paragraphs of this Agreement are intended and inserted solely for the convenience of reference and will not affect the meaning, interpretation, construction or effect of this Agreement.

D. Assignment. This Agreement will be binding upon and inure to the benefit of Company and Reinsurer and their respective successors and assignees, provided, however, that this Agreement may not be assigned or delegated by either Company or Reinsurer without the prior written consent of the other which consent may be withheld by either party in its sole unfettered discretion.

E. Notices. Wherever notice of termination is required under this Agreement, it will be in writing, sent by certified mail, return receipt requested.

F. Governing Law. This Agreement will be governed by and construed according to the laws of Pennsylvania, exclusive of its rules with respect to conflict of laws, except as to rules with respect to credit for reinsurance where the laws of (a) the domicile of the individual ceding company will apply, and (b) the laws of other states applying their laws with respect to credit for reinsurance with foreign reinsurers will also apply.

G. Entire Agreement. This Agreement supersedes, merges with and makes null and void any and all previous agreements, whether written or oral, between Company and Reinsurer with respect to the reinsurance to be written under this Agreement commencing July 1, 1993 and constitutes the full and complete agreement between the parties with respect to that reinsurance. No amendment to this Agreement will be enforceable unless in writing and signed by the party against whom enforcement is sought.

ARTICLE XXVIII

AGENCY AGREEMENT

If more than one reinsured company is named as a party to this Agreement, the first named company will be deemed the agent of the other reinsured companies for purposes of sending or receiving notices required by the terms and conditions of this Agreement, and for purposes of remitting or receiving any monies due any party.

ARTICLE XXIX

NEGOTIATED AGREEMENT

This Agreement has been negotiated by the parties and the fact that the initial and final draft will have been prepared by the Intermediary will not give rise to any presumption for or against any party to this Agreement or be used in any form in the construction or interpretation of this Agreement or any of its provisions.

For the purposes of this Agreement, "self-insured obligations" means insurable exposures of Company on which Company has issued an actual policy of the kind described above. If a self-insured obligation policy reinsured under this Agreement protects Company for loss arising from the handling of a claim under another policy reinsured hereunder, the date on which such loss from the handling of that claim is incurred will be deemed to be the date the claim under that other policy reinsured hereunder is first made but nevertheless will be considered as a separate accident, casualty, disaster or occurrence for which a separate retention and limit will apply.

Any insurance or reinsurance wherein Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party, either alone or jointly with some other party, will be deemed to be an insurance or reinsurance coming within the scope of this Agreement, notwithstanding that no legal liability may arise in respect thereof by reason of the fact that Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party or one of the Insured or Reinsured parties.

All amounts of ultimate net loss paid hereunder will be deemed to reimburse for loss and loss adjustment expense first and Extra Contractual Obligations and losses in Excess of Policy Limits thereafter.

SECOND D&O/E&O EXCESS OF LOSS REINSURANCE AGREEMENT

WITNESSETH:

That in consideration of the mutual covenants hereinafter contained and upon the terms and conditions herein below set forth, the parties hereto agree as follows:

ARTICLE I

POOLING ARRANGEMENT

Reliance Insurance Company assumes 100% of the liability of United Pacific Insurance Company, Planet Insurance Company, Reliance National Insurance Company, Reliance Insurance Company of Illinois, and Compac Insurance Company as this business pertains to this Agreement after deduction for facultative reinsurance and ceded captive reinsurance programs. Notwithstanding any other provisions of this Agreement, this Agreement protects such assumed reinsurance liability as if it were written directly by Reliance Insurance Company and attaches prior to redistribution to those companies

under the terms of Company's intercompany reinsurance pool, which redistribution will be disregarded for all purposes hereunder. With respect to all other named companies set forth in the preamble of this Agreement, this Agreement will apply as provided for in the Net Retained Lines Article. In the event that this Agreement applies on a per risk basis, and a single occurrence affects two or more of the pooling companies named above under different policies, Company will continue to maintain a separate retention and a separate limit for each risk as if the policies were written by separate companies.

ARTICLE II

BUSINESS COVERED

This Agreement applies to new and renewal policies with an effective date during the term of this Agreement, issued by Company and written through Reliance National Division of Company, and classified by Company as Directors and Officers Liability, Employee's Retirement Income Security Act Liability, General Partnership Liability and Errors and Omissions Liability; except as excluded in the Exclusions Article, subject to the limitations set forth in the Reinsurance Coverage Article.

Such suspension, abrogation or amendment of a portion of this Agreement will in no way affect any other portion thereof, nor increase or extend Reinsurer's liability hereunder.

ARTICLE III

TERM

This Agreement is effective from July 1, 1993 through June 30, 1994, both days inclusive, at the location of the original policy.

Reinsurance coverage will remain in force for all policies in force at the date of expiration of this Agreement until their natural expiration defined as the full original policy period plus any run-off provision and/or any extended reporting period option and/or any discovery period and/or any retroactive coverage period contained in the original policy. However, should any policy to which this Agreement applies during the reinsurance run-off period be extended, continued or renewed due to regulatory or other legal restrictions, this Agreement will automatically continue to provide reinsurance coverage until such time as said policies may be actually terminated by Company.

The provisions of the preceding paragraph notwithstanding, Company will have the option, subject to Company notifying Reinsurer prior to the date of expiration of this Agreement, to terminate Reinsurer's liability for claims first made after the date of expiration of this Agreement on policies in force as at the date of expiration and Reinsurer will return to Company within 60 days the ceded unearned premium reserve and cash equivalent calculated as of the date of expiration less applicable ceding commission for all policies in force as at the date of termination.

The provisions of this Agreement will continue to apply to all unfinished business hereunder to the end that all obligations and liabilities incurred by each party hereunder prior to termination will be fully performed and discharged.

ARTICLE IV

A. The reinsurance provided under this Agreement is subject to the exclusions set forth below and will not cover said excluded risks, hazards

and coverages unless individually submitted by Company to Reinsurer for inclusion hereunder, and, if specially accepted by Reinsurer, such business will then be covered under the terms of this Agreement, except as such terms will be modified by such acceptance. The remaining 10% of the Extra Contractual Obligations losses and losses in Excess of Policy Limits will be retained net by Company unreinsured except for Casualty Catastrophe Excess of Loss reinsurances. Company will retain an unreinsured $1,000,000 Self-Insured Retention in addition to the 10% participation in Extra Contractual Obligation losses and losses in Excess of Policy Limits. Such self-insured retention is to be applied before the application of the Extra Contractual Obligations losses or losses in Excess of Policy Limits provision contained herein.

"Allocated loss adjustment expense" means all expenses and costs relating to the adjustment and defense of specific losses hereunder, including appellate expenses, expenses and costs associated with policy coverage and declaratory judgment actions that are claim specific, pre-judgment and post-judgment interest, and legal costs and expenses associated with losses in Excess of Policy Limits (90%) and Extra Contractual Obligations losses (90%). However, where defense costs on original policies are in addition to the policy limits, those loss expenses will be reimbursed by Reinsurer to

Company on a pro rata basis (in the amount that the ultimate net loss reimbursed under this Agreement bears to the original whole ultimate net loss incurred by Company) and in addition to the limits stated in the Reinsurance Coverage Article.

"Monitoring counsel expense" means all loss adjustment expenses incurred by Company as a result of activities of an authorized monitoring counsel related to one specific loss and one specific policy that cannot be charged against the limit of the original policy.

"Extra Contractual Obligations" means the legal liability of Company for loss or losses not covered under the coverage, terms and conditions of Company's policies, arising from the handling of any claim on business otherwise covered under this Agreement, when such loss arises because of:

1. The failure of Company to pay a claim within the policy terms of coverage or to provide a defense against such claim as required by law, or

2. Bad faith, fraud or negligence in adjusting a claim, rejecting a claim or in rejecting an offer of settlement, or

3. Negligence or breach of duty in the preparation of the defense or the conduct of a trial or the preparation or prosecution of any appeal and/or subrogation and/or subsequent action resulting therefrom.

Extra Contractual Obligation will not include loss arising out of engineering or other services or any other non claims-related activity provided to the insured by Company.

However, this coverage for Extra Contractual Obligations will not apply when the Extra Contractual Obligations loss has been incurred due to the fraud of a member of the Board of Directors or a corporate officer of Company or any other employee of Company with claims settlement authority acting individually or collectively or in collusion with a member of the Board of Directors, a corporate officer, partner or any other employee of any other corporation or partnership or with any other individual.

"Losses in Excess of Policy Limits" means any judgment or settlement in lieu thereof rendered against an original insured which is in excess of limits provided by Company's policy but otherwise within the terms of Company's policies and for which Company is held liable as a result of alleged or actual bad faith, fraud or negligence in rejecting a settlement within its policy limits, in the duty to defend, in the preparation of the defense, in the trial of an action against the insured or in the preparation or prosecution of an appeal consequent upon such action.

"Loss ratio" means the percent resulting from Reinsurer's paid ultimate net loss arising from policies with an effective date during the term of this Agreement divided by Reinsurance Premium, net of ceding commission thereon, arising from policies with an effective date during the term of this Agreement.

"Gross Net Written Premium" means Company's gross premiums charged for the original policies with an effective date during the term of this Agreement plus additional premiums thereon, less return premiums thereon and less any premiums paid or payable for reinsurance inuring to the benefit of Reinsurers.

ARTICLE X

NET RETAINED LINES

This Agreement will apply only to that portion of any insurance or reinsurance Company retains net for its own account [prior to the deduction of any underlying, and other treaty excess of loss reinsurances (including Casualty Catastrophe Excess of Loss) but not inuring facultative reinsurance], and in calculating the amount of any ultimate net loss hereunder and the amount in excess of which this Agreement attaches, only ultimate net loss or ultimate net losses with respect to that portion of any insurance or reinsurance Company retains net for its own account will be included. It is understood and agreed, however, that Reinsurer's liability hereunder with respect to any ultimate net loss or

ultimate net losses will not be increased by reason of the inability of Company to collect from any other reinsurers, whether specific or general, any amounts which may be due from them, whether such inability arises from the insolvency of such other reinsurers or otherwise.

Recoveries, collectibles or retention from any form of insurance or reinsurance other than: 1) from other excess of loss reinsurances including Casualty Catastrophe Excess of Loss reinsurances, 2) primary Errors and Omissions policy issued to Company, 3) the deductible thereon, and 4) Self-Insured Excess Errors and Omissions policy, will inure to the benefit of Reinsurer and will be deducted in arriving at the Ultimate Net Loss hereunder. It being the intention of the parties hereto that any Extra Contractual Obligations and Excess of Policy Limits coverage provided hereunder will be applied first to the original insured's loss and any loss under Company's own insurance (i.e., primary insurance, deductible and Self-Insured Excess insurance) will be treated as a separate loss.

Intercompany reinsurance and other underlying and excess of loss reinsurance will be disregarded in calculating ultimate net loss and net retained line.

ARTICLE XI

SUBROGATION AND SALVAGE

Reinsurer will be credited with salvage i.e., reimbursement obtained or recovery made by Company, less the actual cost, excluding salaries of officials and employees of Company and sums paid to attorneys as retainer, of obtaining such recovery on account of claims and settlements involving reinsurance hereunder. Salvage hereon will always be used to reimburse the excess carriers in the reverse order of their priority according to their participation before being used in any way to reimburse Company for its primary loss. Company agrees reasonably to enforce its rights to salvage or subrogation relating to

any loss, a part of which loss was sustained by Reinsurer, and to prosecute all reasonable claims arising out of such rights.

ARTICLE XII

NOTICE OF LOSS AND LOSS SETTLEMENT

Company will advise Reinsurer of all losses for which Company has established an indemnity and/or expense reserve of $1,000,000 or greater and of all losses which, in the opinion of Company, are likely to involve Reinsurer under this Agreement, and all material subsequent developments pertaining thereto, which, in the opinion of Company, may materially affect the position of Reinsurer.

Company may make loss settlements either under strict policy conditions or by way of compromise and such settlements will be unconditionally binding on Reinsurer provided such settlements are made within the terms and conditions of this Agreement and within the terms and conditions of the original policies including all modifications, waivers, alterations and interpretations made thereto.

ARTICLE XIII

REINSURANCE PREMIUM

Company will pay to Reinsurer its proportionate share of Gross Net Written Premium as allocated by Company for the limit or limits ceded hereunder in accordance with Company's increased limits factors for this layer.

If Company issues two or more policies on different layers of the same program for any one insured, cession factors are applied to the combined total limits of the original policies only when Company writes contiguous policies and the full limit of each original policy.

If Company does not write contiguous policies and/or does not write the full limit of each original policy, the underlying policy will be ceded by applying the cession factors to the limit of that policy. Subsequent policy(ies) will be ceded on a pro rata basis (i.e., based on the amount of limit applied to the reinsurance layer).

ARTICLE XIV

CEDING COMMISSION

Reinsurer will allow Company a ceding commission of 27% of the Reinsurance Premium.

ARTICLE XV

REPORTS AND REMITTANCES

Company will provide Reinsurer with all necessary data respecting premiums, losses and recoveries on forms mutually acceptable to Company and Reinsurer.

Company will render a quarterly account of Gross Net Written Premium due Company and Reinsurance Premium due thereon during said quarter and any premium due Reinsurer will be remitted within 60 days of the end of each calendar quarter.

Company will provide to Reinsurer, as promptly as possible after the close of each year the information necessary for Annual Statement purposes.

Except as provided in the following paragraph, payment by Reinsurer of its proportion of ultimate net loss paid by Company will be made by Reinsurer to Company within 15 days after proof of payment by Company is received by Reinsurer.

In the event Reinsurer's share of any one ultimate net loss is $500,000 or more, Company may give Reinsurer written notice of its intention to pay such loss on a certain date and may require Reinsurer to have its share of the ultimate net loss in the hands of Company by such date. Such written notice will allow Reinsurer at least 5 working days after its receipt to prepare and dispatch its payment by check or wire transfer.

ARTICLE XVI

TAXES

In consideration of the terms under which this Agreement is issued, Company will not claim a deduction in respect of the premium hereon when making tax returns, other than income or profits tax returns, to any state or territory of the United States of America, the District of Columbia or Canada.

ARTICLE XVII

FEDERAL EXCISE TAX

(Applicable to those reinsurers, except Underwriters at Lloyds London and other reinsurers exempt from Federal Excise Tax, who are domiciled outside the United States of America.)

Reinsurer has agreed to allow for the purpose of paying the Federal Excise Tax the applicable percentage of the premium payable hereon (as imposed under Section 4371 of the Internal Revenue Service Code) to the extent such premium is subject to the Federal Excise Tax.

In the event of any return of premium becoming due hereunder, Reinsurer will deduct the aforesaid percentage from the return premium payable hereon and Company or its agent should take steps to recover the tax from the United States government.

ARTICLE XVIII

CURRENCY

Wherever the word "Dollars" or the "$" sign appears in this Agreement, they will be construed to mean United States Dollars, except in those cases where the policies are issued by Company in Canadian Dollars, they will mean Canadian Dollars.

All transactions under this Agreement as regards payment and settlements of premium and losses will be made in the currency of the original policy except that

currencies other than United States Dollars or Canadian Dollars will be converted to United States Dollars at the applicable rate of exchange appearing in the Wall Street Journal on the date such transaction is entered in the books of Company.

The Retention and the Limit are stated in United States Dollars or its equivalent at the same rate of exchange as used by Company in recording the transaction in Company's records. In the event that there is an increase or reduction in the parity value of the United States Dollar against the currency of the original policy at the date of settlement of loss, from that existing at the time of the risk's cession to this Agreement, then the Retention and the Limit will be adjusted to maintain the original relative Retention and Limit.

In the event Company is involved in a loss requiring payment in more than one currency hereunder, Company's retention and the amount recoverable hereunder will be apportioned in the currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total ultimate net loss from all currencies paid by Company.

ARTICLE XIX

ACCESS TO RECORDS

Reinsurer or its duly authorized representatives will have the right at any reasonable time upon 5 working days prior notice during the term of this Agreement, or at any time after the expiration of this Agreement to visit the offices of Company to inspect, examine, audit, and verify any of the policy or claim files ("records") relating to the business reinsured under this Agreement. Reinsurer will have the right to make copies, at its own expense, or extracts of any records. Notwithstanding the above, Reinsurer will not have any right of access to the records of Company if it is not current in all payments due to Company and Company will have no right to reimbursement under this Agreement if it fails or refuses to provide the access required by this Article other than by reason of Reinsurer's failure to pay. Reinsurer will keep confidential all information and reports

derived from the records of Company to which it has received access and will not publish or communicate that information or report(s) to any other person or reinsurer without Company's express prior written consent.

ARTICLE XX

DELAYS, ERRORS, OR OMISSIONS

Inadvertent delays, errors, or omissions made in connection with this Agreement or any transaction hereunder will not relieve either party from any liability which would have attached had such delay, error, or omission not occurred, provided always that such error or omission will be rectified as soon as possible after discovery.

ARTICLE XXI

INSOLVENCY

In the event of the insolvency of one (or more) of the reinsured companies, and the appointment of a liquidator, receiver, conservator or statutory successor for such insolvent company, reinsurance payable to such company will be payable immediately upon demand, with reasonable provision for verification, on the basis of the liability of such Company as a result of claims allowed against such company by any court of competent jurisdiction or any liquidator, receiver, conservator or statutory successor having authority to allow such claims, without diminution because of such insolvency or because such liquidator, receiver, conservator or statutory successor has failed to pay all or a portion of any claims. Every liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor of Company will give written notice to Reinsurer of the pendency of a claim involving Company indicating the subject policy, which claim would be a possible liability on the part of Reinsurer to Company or to its domiciliary liquidator, receiver, or statutory successor within a reasonable amount of time after the claim is filed in the conservation, liquidation, receivership or other proceeding; during the

pendency of any claim, Reinsurer may investigate the same and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses that it may deem available to Company, to its policyholder or to any liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor. The expense thus incurred by Reinsurer will be chargeable, subject to the approval of the Court, against Company as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to Company as a result of the defense undertaken by Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expense will be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by Company.

This reinsurance will be payable directly by Reinsurer to Company or to its domiciliary liquidator, receiver, conservator or statutory successor, except as expressly provided otherwise by applicable insurance law, or except (a) where this Agreement specifically provides another payee of the reinsurance in the event of the insolvency of Company and (b) where Reinsurer with the express written consent of the direct policyholder or policyholders has assumed the policy obligations of Company as direct obligations of Reinsurer to the payees under the subject policies and in substitution for the obligations of Company to such payees; however, as between Company or its domiciliary liquidator, receiver, conservator or statutory successor and any ancillary liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor, howsoever named, the proceeds hereof will be payable to Company or its domiciliary liquidator, receiver, conservator or statutory successor. Prior to implementation of a novation, any certificate of assumption on New York risks must be approved by the Superintendent of Insurance for the state of New York.

ARTICLE XXII

ARBITRATION

Any and all disputes between Company and Reinsurer arising out of, relating to, or concerning this Agreement, whether sounding in contract or tort and whether arising during or after termination of this Agreement, will be submitted to the decision of a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration will be conducted under the Federal Arbitration Act and will proceed as follows:

A. Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, will be in writing and will be sent certified or registered mail, return receipt requested, to the affected parties. The notice requesting arbitration will state in particulars all issues to be resolved in the view of the claimant, will appoint the arbitrator selected by the claimant, and will set a tentative date for the hearing, which date will be no sooner than 90 days and no later than 150 days from the date that the notice requesting arbitration is mailed. Within 30 days of receipt of claimant's notice, the respondent will notify the claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

B. Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board will be impartial and disinterested and will be active or retired lawyers, familiar with insurance and reinsurance, or current or former officers of property-casualty insurance companies, reinsurance companies, or Underwriters at Lloyd's, London. Company and Reinsurer as aforesaid will each appoint an arbitrator and the two arbitrators will choose an umpire before instituting the hearing. As time is of the essence, if the respondent fails to appoint its arbitrator within 30 days after having received the claimant's written request for arbitration, the claimant is authorized to and will appoint the second arbitrator. If the two arbitrators fail to agree upon the appointment of an umpire within 30 days after notification of the appointment of the second arbitrator, within 10 days thereof, the two arbitrators will request the American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the qualifications set forth above in this Article. If the AAA fails to name an umpire, either party may apply to a court of competent jurisdiction to appoint an umpire with the above required qualifications. The umpire will promptly notify in writing all parties to the arbitration of his/her selection

and of the scheduled date for the hearing. Upon resignation or death of any member of the Board, a replacement will be appointed in the same fashion as the resigning or deceased member was appointed.

C. Submission of Briefs. The claimant and respondent will each submit initial briefs to the Board outlining the issues in dispute and the basis, authority and reasons for their respective positions within 30 days of the date of notice of appointment of the umpire. The claimant and the respondent may submit reply briefs to the Board within 10 days after filing of the initial brief(s). Initial and reply briefs may be amended by the submitting party at any time, but not later than 10 days prior to the date of commencement of the arbitration hearing. Reasonable responses will be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

D. Arbitration Award. The Board will make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the custom and usage of the property and casualty insurance and reinsurance business, which decision and award will be in writing and will state the factual and legal basis for the decision and award. The decision and award will be based upon a hearing in which evidence will be allowed and in which the formal rules of evidence will not strictly apply but in which cross examination and rebuttal will be allowed. At its own election or at the request of the Board, either party may submit a post-hearing brief for consideration of the Board within 20 days of the close of the hearing. The Board will make its decision and award within 30 days following the close of the hearing or the submission of post-hearing briefs, whichever is later, unless the parties consent to an extension. Every decision by the Board will be by a majority of the members of the Board, and each decision and award by the majority of the members of the Board will be final and binding upon all parties to the proceeding. Either party may apply to a court of competent jurisdiction for an order confirming any decision and the award; a judgment of that Court will thereupon be entered on any decision or award. If such an order is issued, the attorneys' fees of the party so applying and court costs will be paid by the party against whom confirmation is sought. The Board may award interest at the rate published in the Wall Street Journal on the date of the award calculated from the date the Board determines that any amounts due the prevailing party should have been paid to the prevailing party, but may not award punitive, exemplary, or treble damages.

E. Arbitration Expense. Except in the event of a consolidated arbitration, each party will bear the expense of the one arbitrator appointed by it and will jointly and equally bear with the other party the expense of any stenographer requested, and of the umpire. The remaining costs of the arbitration proceedings will be finally allocated by the Board.

F. Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration will have the obligation to produce those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests, providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the umpire determines in his/her sole discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision, and award by the Board. The umpire will be the final judge of the procedures of the Board, the conduct of the arbitration, of the rules of evidence, the rules of privilege and production, and of excessiveness and relevancy of any witnesses and documents upon the petition of any participating party. To the extent permitted by law, the Board and the umpire will have the authority to issue subpoenas and other orders to enforce their decisions.

G. Equitable Relief. Nothing herein will be construed to prevent any participating party from applying to a federal district court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board. The Board will also have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing, decision, and award by the Board.

H. Consolidate Hearing. Upon request of Company made within 30 days of the umpire's appointment, the Board may order a consolidated hearing between Company and all affected reinsurers to this Agreement if the Board is satisfied in its discretion that the issues in dispute affect more than one reinsurer and a consolidated hearing would be in the interest of fairness and a prompt resolution of the issues in dispute. If the Board orders a consolidated hearing, all other affected participating reinsurers will join and participate in the arbitration at Company's request under time frames established by the umpire and will be bound by the Board's

decision and award unless excused by the Board in its discretion. Any reinsurer may decline to actively participate in a consolidated arbitration if in advance of the hearing, that reinsurer files with the Board a written agreement satisfactory to the Board to be bound by the decision and award of the Board in the same fashion and to the same degree as if it actively participated in the arbitration.

In the event of an order of consolidation by the Board, the arbitrator appointed by the original reinsurer will be subject to being and may be replaced within 30 days of the Board's order of consolidation by an arbitrator named by the reinsurer with the largest participation in this Agreement affected by the dispute. In the event two or more reinsurers affected by the dispute each have the same largest participation, they will agree among themselves as to the replacement arbitrator, if any, to be appointed. The umpire will be the final determiner in the event of any dispute over replacement of that arbitrator. All other aspects of the arbitration will be conducted as provided for in this Article provided that (a) each party actively participating in the consolidated arbitration will have the right to its own attorney, position, and related claims and defenses; (b) each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and (c) the cost and expense of the arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board determines to be fair and appropriate under the circumstances.

ARTICLE XXIII

OFFSET

All amounts due either Company or Reinsurer, by reason of premiums, losses or otherwise, under this Agreement or any other contract previously, now or later in force, between Company and Reinsurer, whether as ceding or assuming company, will be subject to recoupment and to offset, the rights to which may be exercised at any time and from time to time by either party and, upon exercise thereof, only the balance will be due.

ARTICLE XXIV

SERVICE OF SUIT

(This Article only applies to Reinsurers domiciled outside of the United States and/or unauthorized in any state, territory, or district of the United States having jurisdiction over Company.)

In the event of a dispute or the failure of Reinsurer to pay any amount claimed to be due hereunder, Reinsurer hereon, at the request of Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this Article constitutes or should be understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829 and that in any suit instituted, Reinsurer will abide by the final decision of such court or of any Appellate Court in the event of an appeal.

The above-named is hereby authorized and directed to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of Company to give a written undertaking to Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit will be instituted.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, Reinsurer hereon hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of Company or any beneficiary hereunder arising out of this Agreement of reinsurance, and hereby designates the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

ARTICLE XXV

SECURITY AND UNAUTHORIZED REINSURANCE

If any reinsurer is unauthorized or otherwise unqualified in any state or other jurisdiction, or if, without such security, a financial penalty to Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of Company's financial security and condition, that reinsurer will secure, on request, and within 30 days after the end of each calendar quarter (but no later than December 31 of each year as respects the fourth quarter), its share of "obligations" under this Agreement in a manner, form and amount and from a bank acceptable to the regulatory authorities having jurisdiction, by a clean, irrevocable, and unconditional "evergreen" letter of credit.

The "obligations" referred to herein will mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which Reinsurer is responsible;

2. The amount of paid losses and allocated loss adjustment expenses paid by Company but not yet recovered from Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss adjustment expenses, for which Reinsurer is responsible;

4. The amount of return and refund premiums for which Reinsurer is responsible.

5. Contingent Profit Collateral. The amount of such collateral is calculated by applying the following criteria and rates:

6 Months	18 Months	30 Months	42 Months	54 Months
35%	35%	25%	15%	0%

The amount of such collateral will equal the percentage shown above times the difference between the ceded earned premium, net of ceding commission and brokerage, and the total of all ceded paid losses, ceded paid allocated loss expenses and ceded case reserves.

The first calculation of the Contingent Profit Collateral will be made by Company no later than December 31, 1993 and will be recalculated by Company at 12 month intervals until 48 months after the initial calculation when Company agrees to return the Contingent Profit Collateral to Reinsurer.

If any reinsurer is unauthorized in any province or jurisdiction of Canada, that reinsurer agrees to fund 115% of its share of Company's ceded Canadian unearned premium and outstanding loss and loss adjustment expense reserves by cash advances, if, without such funding, a penalty would accrue to Company on any financial statement it is required to file with the insurance regulatory authorities involved.

Company, or its successors in interest may draw, at any time and from time to time, upon the established letter of credit (or subsequent cash deposit) without diminution or restriction because of the insolvency of either Company or Reinsurer for one or more of the following purposes:

1. To make payment to and reimburse Company for Reinsurer's share of paid loss and allocated loss adjustment expense paid by Company under its original policies covered under this Agreement due to Company but unpaid by Reinsurer;

2. To make payments to Reinsurer of any amounts held thereby that exceed the amount required to fund Reinsurer's "obligations" under this Agreement.

3. To make payment to Company of any other amounts Company claims are due under this Agreement from Reinsurer including but not limited to Reinsurer's share of premium refunds and returns; and

4. To obtain a cash deposit of the entire amount of the remaining balance under the letter of credit where Company:

   a. has received notice of non-renewal or expiration of the letter of credit;

b. has not received assurances satisfactory to Company of any required increase in the amount of the letter of credit, or its replacement or other continuation of the letter of credit at least 30 days before its stated expiration date;

c. has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit; or

d. has concluded that the issuing (or confirming) bank's financial condition is such that the security represented by the letter of credit may be in jeopardy;

and under any of those circumstances where Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least 30 days prior to the stated expiration date or at the time Company learns of the possible jeopardy to the security.

If Company draws on the letter of credit to obtain a cash deposit, Company will hold the amount of the cash deposit so obtained in the name of Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to Reinsurer:

1. upon the complete and final liquidation and discharge of all Reinsurer's obligations to Company under this Agreement; or

2. in the event Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to Company.

Company will prepare and forward at least quarterly to Reinsurer a statement for the purposes of this Article, showing Reinsurer's share of "obligations" as set forth above. If Reinsurer's share thereof exceeds the then existing balance of the security provided, Reinsurer will, within 15 days of receipt of Company's statement, but never later than December 31 of any year, increase the amount of the letter of credit (or cash deposit) to

the required amount of Reinsurer's share of "obligations" set forth in Company's statement.

If Reinsurer's share thereof is less than the then existing balance of the letter of credit (or cash deposit) provided, Company will release the excess thereof to Reinsurer upon Reinsurer's written request.

Reinsurer will not attempt to prevent Company from drawing on the letter of credit (or cash deposit) so long as Company is acting in accordance with this Article.

Company's "successors in interest" will include those by operation of law, including without limitation, any liquidator, rehabilitator, receiver, or conservator.

Reinsurer will take any other reasonable steps that may be required for Company to take credit on its statutory financial statements for the reinsurance provided by this Agreement.

Company may apply the Canadian cash advances under the third paragraph above to satisfy Reinsurer's Canadian obligations to Company in the same manner as if it were drawing on the letter of credit (or subsequent cash deposit).

ARTICLE XXVI

OTHER TERMS AND CONDITIONS

A. Waiver. The failure of Company or Reinsurer to insist on strict compliance with this Agreement, or to exercise any right or remedy hereunder, will not constitute a waiver of any rights contained herein nor stop the parties from thereafter demanding full and complete compliance nor prevent the parties from exercising such a remedy in the future.

B. Conflict with Law and Severability. If any provision of this Agreement should be invalid under applicable laws, the latter will control but only to the extent of the conflict without affecting the remaining provisions of this Agreement.

C. Headings. The headings preceding the text of the Articles and paragraphs of this Agreement are intended and inserted solely for the convenience of

reference and will not affect the meaning, interpretation, construction or effect of this Agreement.

D. Assignment. This Agreement will be binding upon and inure to the benefit of Company and Reinsurer and their respective successors and assignees, provided, however, that this Agreement may not be assigned or delegated by either Company or Reinsurer without the prior written consent of the other which consent may be withheld by either party in its sole unfettered discretion.

E. Notices. Wherever notice of termination is required under this Agreement, it will be in writing, sent by certified mail, return receipt requested.

F. Governing Law. This Agreement will be governed by and construed according to the laws of Pennsylvania, exclusive of its rules with respect to conflict of laws, except as to rules with respect to credit for reinsurance where the laws of (a) the domicile of the individual ceding company will apply, and (b) the laws of other states applying their laws with respect to credit for reinsurance with foreign reinsurers will also apply.

G. Entire Agreement. This Agreement supersedes, merges with and makes null and void any and all previous agreements, whether written or oral, between Company and Reinsurer with respect to the reinsurance to be written under this Agreement commencing July 1, 1993 and constitutes the full and complete agreement between the parties with respect to that reinsurance. No amendment to this Agreement will be enforceable unless in writing and signed by the party against whom enforcement is sought.

ARTICLE XXVII

THIRD PARTY BENEFICIARY

Except as specifically and expressly provided for in the Insolvency Article, the provisions of this Agreement are intended solely for the benefit of the parties to and executing this Agreement and nothing in this Agreement will in any manner create or be construed to create any obligations to or establish any rights against any party to this Agreement in favor of any third parties or other persons not parties to and executing this Agreement.

ARTICLE XXVIII

AGENCY AGREEMENT

If more than one reinsured company is named as a party to this Agreement, the first named company will be deemed the agent of the other reinsured companies for purposes of sending or receiving notices required by the terms and conditions of this Agreement, and for purposes of remitting or receiving any monies due any party.

ARTICLE XXIX

NEGOTIATED AGREEMENT

Any insurance or reinsurance wherein Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party, either alone or jointly with some other party, will be deemed to be an insurance or reinsurance coming within the scope of this Agreement, notwithstanding that no legal liability may arise in respect thereof by reason of the fact that Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party or one of the Insured or Reinsured parties.

All amounts of ultimate net loss paid hereunder will be deemed to reimburse for loss and loss adjustment expense first and Extra Contractual Obligations and losses in Excess of Policy Limits thereafter.

ARTICLE I

POOLING ARRANGEMENT

Reliance Insurance Company assumes 100% of the liability of United Pacific Insurance Company, Planet Insurance Company, Reliance National Insurance Company, Reliance Insurance Company of Illinois, and Compac Insurance Company as this business pertains to this Agreement after deduction for facultative reinsurance and ceded captive reinsurance programs. Notwithstanding any other provisions of this Agreement, this Agreement protects such assumed reinsurance liability as if it were written directly by Reliance Insurance Company and attaches prior to redistribution to those companies

under the terms of Company's intercompany reinsurance pool, which redistribution will be disregarded for all purposes hereunder. With respect to all other named companies set forth in the preamble of this Agreement, this Agreement will apply as provided for in the Net Retained Lines Article. In the event that this Agreement applies on a per risk basis, and a single occurrence affects two or more of the pooling companies named above under different policies, Company will continue to maintain a separate retention and a separate limit for each risk as if the policies were written by separate companies.

Such suspension, abrogation or amendment of a portion of this Agreement will in no way affect any other portion thereof, nor increase or extend Reinsurer's liability hereunder.

ARTICLE III

TERM

This Agreement is effective from July 1, 1993 through June 30, 1994, both days inclusive, at the location of the original policy.

Reinsurance coverage will remain in force for all policies in force at the date of expiration of this Agreement until their natural expiration defined as the full original policy period plus any run-off provision and/or any extended reporting period option and/or any discovery period and/or any retroactive coverage period contained in the original policy. However, should any policy to which this Agreement applies during the reinsurance run-off period be extended, continued or renewed due to regulatory or other legal restrictions, this Agreement will automatically continue to provide reinsurance coverage until such time as said policies may be actually terminated by Company.

The provisions of the preceding paragraph notwithstanding, Company will have the option, subject to Company notifying Reinsurer prior to the date of expiration of this Agreement, to terminate Reinsurer's liability for claims first made after the date of expiration of this Agreement on policies in force as at the date of expiration and Reinsurer will return to Company within 60 days the ceded unearned premium reserve and cash equivalent calculated as of the date of expiration less applicable ceding commission for all policies in force as at the date of termination.

This Agreement will apply only to that portion of any insurance or reinsurance Company retains net for its own account [prior to the deduction of any underlying, and other treaty excess of loss reinsurances (including Casualty Catastrophe Excess of Loss) but not inuring facultative reinsurance], and in calculating the amount of any ultimate net loss hereunder and the amount in excess of which this Agreement attaches, only ultimate net loss or ultimate net losses with respect to that portion of any insurance or reinsurance Company retains net for its own account will be included. It is understood and agreed, however, that Reinsurer's liability hereunder with respect to any ultimate net loss or

ultimate net losses will not be increased by reason of the inability of Company to collect from any other reinsurers, whether specific or general, any amounts which may be due from them, whether such inability arises from the insolvency of such other reinsurers or otherwise.

Recoveries, collectibles or retention from any form of insurance or reinsurance other than: 1) from other excess of loss reinsurances including Casualty Catastrophe Excess of Loss reinsurances, 2) primary Errors and Omissions policy issued to Company, 3) the deductible thereon, and 4) Self-Insured Excess Errors and Omissions policy, will inure to the benefit of Reinsurer and will be deducted in arriving at the Ultimate Net Loss hereunder. It being the intention of the parties hereto that any Extra Contractual Obligations and Excess of Policy Limits coverage provided hereunder will be applied first to the original insured's loss and any loss under Company's own insurance (i.e., primary insurance, deductible and Self-Insured Excess insurance) will be treated as a separate loss.

Intercompany reinsurance and other underlying and excess of loss reinsurance will be disregarded in calculating ultimate net loss and net retained line.

ARTICLE XI

SUBROGATION AND SALVAGE

Reinsurer will be credited with salvage i.e., reimbursement obtained or recovery made by Company, less the actual cost, excluding salaries of officials and employees of Company and sums paid to attorneys as retainer, of obtaining such recovery on account of claims and settlements involving reinsurance hereunder. Salvage hereon will always be used to reimburse the excess carriers in the reverse order of their priority according to their participation before being used in any way to reimburse Company for its primary loss. Company agrees reasonably to enforce its rights to salvage or subrogation relating to

any loss, a part of which loss was sustained by Reinsurer, and to prosecute all reasonable claims arising out of such rights.

ARTICLE XII

NOTICE OF LOSS AND LOSS SETTLEMENT

Company will advise Reinsurer of all losses for which Company has established an indemnity and/or expense reserve of $2,500,000 or greater and of all losses which, in the opinion of Company, are likely to involve Reinsurer under this Agreement, and all material subsequent developments pertaining thereto, which, in the opinion of Company, may materially affect the position of Reinsurer.

Company may make loss settlements either under strict policy conditions or by way of compromise and such settlements will be unconditionally binding on Reinsurer provided such settlements are made within the terms and conditions of this Agreement and within the terms and conditions of the original policies including all modifications, waivers, alterations and interpretations made thereto.

ARTICLE XIII

REINSURANCE PREMIUM

Company will pay to Reinsurer its proportionate share of Gross Net Written Premium as allocated by Company for the limit or limits ceded hereunder in accordance with Company's increased limits factors for this layer.

If Company issues two or more policies on different layers of the same program for any one insured, cession factors are applied to the combined total limits of the original policies only when Company writes contiguous policies and the full limit of each original policy.

If Company does not write contiguous policies and/or does not write the full limit of each original policy, the underlying policy will be ceded by applying the cession factors to the limit of that policy. Subsequent policy(ies) will be ceded on a pro rata basis (i.e., based on the amount of limit applied to the reinsurance layer).

ARTICLE XIV

CEDING COMMISSION

Reinsurer will allow Company a ceding commission of 27% of the Reinsurance Premium.

ARTICLE XV

REPORTS AND REMITTANCES

Company will provide Reinsurer with all necessary data respecting premiums, losses and recoveries on forms mutually acceptable to Company and Reinsurer.

Company will render a quarterly account of Gross Net Written Premium due Company and Reinsurance Premium due thereon during said quarter and any premium due Reinsurer will be remitted within 60 days of the end of each calendar quarter.

Company will provide to Reinsurer, as promptly as possible after the close of each year the information necessary for Annual Statement purposes.

Except as provided in the following paragraph, payment by Reinsurer of its proportion of ultimate net loss paid by Company will be made by Reinsurer to Company within 15 days after proof of payment by Company is received by Reinsurer.

In the event Reinsurer's share of any one ultimate net loss is $500,000 or more, Company may give Reinsurer written notice of its intention to pay such loss on a certain date and may require Reinsurer to have its share of the ultimate net loss in the hands of Company by such date. Such written notice will allow Reinsurer at least 5 working days after its receipt to prepare and dispatch its payment by check or wire transfer.

ARTICLE XVI

TAXES

In consideration of the terms under which this Agreement is issued, Company will not claim a deduction in respect of the premium hereon when making tax returns, other than income or profits tax returns, to any state or territory of the United States of America, the District of Columbia or Canada.

ARTICLE XVII

FEDERAL EXCISE TAX

(Applicable to those reinsurers, except Underwriters at Lloyds London and other reinsurers exempt from Federal Excise Tax, who are domiciled outside the United States of America.)

Reinsurer has agreed to allow for the purpose of paying the Federal Excise Tax the applicable percentage of the premium payable hereon (as imposed under Section 4371 of the Internal Revenue Service Code) to the extent such premium is subject to the Federal Excise Tax.

In the event of any return of premium becoming due hereunder, Reinsurer will deduct the aforesaid percentage from the return premium payable hereon and Company or its agent should take steps to recover the tax from the United States government.

ARTICLE XVIII

CURRENCY

Wherever the word "Dollars" or the "$" sign appears in this Agreement, they will be construed to mean United States Dollars, except in those cases where the policies are issued by Company in Canadian Dollars, they will mean Canadian Dollars.

All transactions under this Agreement as regards payment and settlements of premium and losses will be made in the currency of the original policy except that

currencies other than United States Dollars or Canadian Dollars will be converted to United States Dollars at the applicable rate of exchange appearing in the Wall Street Journal on the date such transaction is entered in the books of Company.

The Retention and the Limit are stated in United States Dollars or its equivalent at the same rate of exchange as used by Company in recording the transaction in Company's records. In the event that there is an increase or reduction in the parity value of the United States Dollar against the currency of the original policy at the date of settlement of loss, from that existing at the time of the risk's cession to this Agreement, then the Retention and the Limit will be adjusted to maintain the original relative Retention and Limit.

In the event Company is involved in a loss requiring payment in more than one currency hereunder, Company's retention and the amount recoverable hereunder will be apportioned in the currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total ultimate net loss from all currencies paid by Company.

ARTICLE XIX

ACCESS TO RECORDS

Reinsurer or its duly authorized representatives will have the right at any reasonable time upon 5 working days prior notice during the term of this Agreement, or at any time after the expiration of this Agreement to visit the offices of Company to inspect, examine, audit, and verify any of the policy or claim files ("records") relating to the business reinsured under this Agreement. Reinsurer will have the right to make copies, at its own expense, or extracts of any records. Notwithstanding the above, Reinsurer will not have any right of access to the records of Company if it is not current in all payments due to Company and Company will have no right to reimbursement under this Agreement if it fails or refuses to provide the access required by this Article other than by reason of Reinsurer's failure to pay. Reinsurer will keep confidential all information and reports

derived from the records of Company to which it has received access and will not publish or communicate that information or report(s) to any other person or reinsurer without Company's express prior written consent.

ARTICLE XX

DELAYS, ERRORS, OR OMISSIONS

Inadvertent delays, errors, or omissions made in connection with this Agreement or any transaction hereunder will not relieve either party from any liability which would have attached had such delay, error, or omission not occurred, provided always that such error or omission will be rectified as soon as possible after discovery.

ARTICLE XXI

INSOLVENCY

In the event of the insolvency of one (or more) of the reinsured companies, and the appointment of a liquidator, receiver, conservator or statutory successor for such insolvent company, reinsurance payable to such company will be payable immediately upon demand, with reasonable provision for verification, on the basis of the liability of such Company as a result of claims allowed against such company by any court of competent jurisdiction or any liquidator, receiver, conservator or statutory successor having authority to allow such claims, without diminution because of such insolvency or because such liquidator, receiver, conservator or statutory successor has failed to pay all or a portion of any claims. Every liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor of Company will give written notice to Reinsurer of the pendency of a claim involving Company indicating the subject policy, which claim would be a possible liability on the part of Reinsurer to Company or to its domiciliary liquidator, receiver, or statutory successor within a reasonable amount of time after the claim is filed in the conservation, liquidation, receivership or other proceeding; during the

pendency of any claim, Reinsurer may investigate the same and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses that it may deem available to Company, to its policyholder or to any liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor. The expense thus incurred by Reinsurer will be chargeable, subject to the approval of the Court, against Company as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to Company as a result of the defense undertaken by Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expense will be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by Company.

This reinsurance will be payable directly by Reinsurer to Company or to its domiciliary liquidator, receiver, conservator or statutory successor, except as expressly provided otherwise by applicable insurance law, or except (a) where this Agreement specifically provides another payee of the reinsurance in the event of the insolvency of Company and (b) where Reinsurer with the express written consent of the direct policyholder or policyholders has assumed the policy obligations of Company as direct obligations of Reinsurer to the payees under the subject policies and in substitution for the obligations of Company to such payees; however, as between Company or its domiciliary liquidator, receiver, conservator or statutory successor and any ancillary liquidator, receiver, conservator, guaranty fund(s) or association(s) or statutory successor, howsoever named, the proceeds hereof will be payable to Company or its domiciliary liquidator, receiver, conservator or statutory successor. Prior to implementation of a novation, any certificate of assumption on New York risks must be approved by the Superintendent of Insurance for the state of New York.

ARTICLE XXII

ARBITRATION

Any and all disputes between Company and Reinsurer arising out of, relating to, or concerning this Agreement, whether sounding in contract or tort and whether arising during or after termination of this Agreement, will be submitted to the decision of a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration will be conducted under the Federal Arbitration Act and will proceed as follows:

A. Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, will be in writing and will be sent certified or registered mail, return receipt requested, to the affected parties. The notice requesting arbitration will state in particulars all issues to be resolved in the view of the claimant, will appoint the arbitrator selected by the claimant, and will set a tentative date for the hearing, which date will be no sooner than 90 days and no later than 150 days from the date that the notice requesting arbitration is mailed. Within 30 days of receipt of claimant's notice, the respondent will notify the claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

B. Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board will be impartial and disinterested and will be active or retired lawyers, familiar with insurance and reinsurance, or current or former officers of property-casualty insurance companies, reinsurance companies, or Underwriters at Lloyd's, London. Company and Reinsurer as aforesaid will each appoint an arbitrator and the two arbitrators will choose an umpire before instituting the hearing. As time is of the essence, if the respondent fails to appoint its arbitrator within 30 days after having received the claimant's written request for arbitration, the claimant is authorized to and will appoint the second arbitrator. If the two arbitrators fail to agree upon the appointment of an umpire within 30 days after notification of the appointment of the second arbitrator, within 10 days thereof, the two arbitrators will request the American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the qualifications set forth above in this Article. If the AAA fails to name an umpire, either party may apply to a court of competent jurisdiction to appoint an umpire with the above required qualifications. The umpire will promptly notify in writing all parties to the arbitration of his/her selection

and of the scheduled date for the hearing. Upon resignation or death of any member of the Board, a replacement will be appointed in the same fashion as the resigning or deceased member was appointed.

C. Submission of Briefs. The claimant and respondent will each submit initial briefs to the Board outlining the issues in dispute and the basis, authority and reasons for their respective positions within 30 days of the date of notice of appointment of the umpire. The claimant and the respondent may submit reply briefs to the Board within 10 days after filing of the initial brief(s). Initial and reply briefs may be amended by the submitting party at any time, but not later than 10 days prior to the date of commencement of the arbitration hearing. Reasonable responses will be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

D. Arbitration Award. The Board will make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the custom and usage of the property and casualty insurance and reinsurance business, which decision and award will be in writing and will state the factual and legal basis for the decision and award. The decision and award will be based upon a hearing in which evidence will be allowed and in which the formal rules of evidence will not strictly apply but in which cross examination and rebuttal will be allowed. At its own election or at the request of the Board, either party may submit a post-hearing brief for consideration of the Board within 20 days of the close of the hearing. The Board will make its decision and award within 30 days following the close of the hearing or the submission of post-hearing briefs, whichever is later, unless the parties consent to an extension. Every decision by the Board will be by a majority of the members of the Board, and each decision and award by the majority of the members of the Board will be final and binding upon all parties to the proceeding. Either party may apply to a court of competent jurisdiction for an order confirming any decision and the award; a judgment of that Court will thereupon be entered on any decision or award. If such an order is issued, the attorneys' fees of the party so applying and court costs will be paid by the party against whom confirmation is sought. The Board may award interest at the rate published in the Wall Street Journal on the date of the award calculated from the date the Board determines that any amounts due the prevailing party should have been paid to the prevailing party, but may not award punitive, exemplary, or treble damages.

E. Arbitration Expense. Except in the event of a consolidated arbitration, each party will bear the expense of the one arbitrator appointed by it and will jointly and equally bear with the other party the expense of any stenographer requested, and of the umpire. The remaining costs of the arbitration proceedings will be finally allocated by the Board.

F. Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration will have the obligation to produce those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests, providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the umpire determines in his/her sole discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision, and award by the Board. The umpire will be the final judge of the procedures of the Board, the conduct of the arbitration, of the rules of evidence, the rules of privilege and production, and of excessiveness and relevancy of any witnesses and documents upon the petition of any participating party. To the extent permitted by law, the Board and the umpire will have the authority to issue subpoenas and other orders to enforce their decisions.

G. Equitable Relief. Nothing herein will be construed to prevent any participating party from applying to a federal district court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board. The Board will also have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing, decision, and award by the Board.

H. Consolidate Hearing. Upon request of Company made within 30 days of the umpire's appointment, the Board may order a consolidated hearing between Company and all affected reinsurers to this Agreement if the Board is satisfied in its discretion that the issues in dispute affect more than one reinsurer and a consolidated hearing would be in the interest of fairness and a prompt resolution of the issues in dispute. If the Board orders a consolidated hearing, all other affected participating reinsurers will join and participate in the arbitration at Company's request under time frames established by the umpire and will be bound by the Board's

decision and award unless excused by the Board in its discretion. Any reinsurer may decline to actively participate in a consolidated arbitration if in advance of the hearing, that reinsurer files with the Board a written agreement satisfactory to the Board to be bound by the decision and award of the Board in the same fashion and to the same degree as if it actively participated in the arbitration.

In the event of an order of consolidation by the Board, the arbitrator appointed by the original reinsurer will be subject to being and may be replaced within 30 days of the Board's order of consolidation by an arbitrator named by the reinsurer with the largest participation in this Agreement affected by the dispute. In the event two or more reinsurers affected by the dispute each have the same largest participation, they will agree among themselves as to the replacement arbitrator, if any, to be appointed. The umpire will be the final determiner in the event of any dispute over replacement of that arbitrator. All other aspects of the arbitration will be conducted as provided for in this Article provided that (a) each party actively participating in the consolidated arbitration will have the right to its own attorney, position, and related claims and defenses; (b) each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and (c) the cost and expense of the arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board determines to be fair and appropriate under the circumstances.

ARTICLE XXIII

OFFSET

All amounts due either Company or Reinsurer, by reason of premiums, losses or otherwise, under this Agreement or any other contract previously, now or later in force, between Company and Reinsurer, whether as ceding or assuming company, will be subject to recoupment and to offset, the rights to which may be exercised at any time and from time to time by either party and, upon exercise thereof, only the balance will be due.

ARTICLE XXIV

SERVICE OF SUIT

(This Article only applies to Reinsurers domiciled outside of the United States and/or unauthorized in any state, territory, or district of the United States having jurisdiction over Company.)

In the event of a dispute or the failure of Reinsurer to pay any amount claimed to be due hereunder, Reinsurer hereon, at the request of Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this Article constitutes or should be understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829 and that in any suit instituted, Reinsurer will abide by the final decision of such court or of any Appellate Court in the event of an appeal.

The above-named is hereby authorized and directed to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of Company to give a written undertaking to Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit will be instituted.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, Reinsurer hereon hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of Company or any beneficiary hereunder arising out of this Agreement of reinsurance, and hereby designates the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

ARTICLE XXV

SECURITY AND UNAUTHORIZED REINSURANCE

If any reinsurer is unauthorized or otherwise unqualified in any state or other jurisdiction, or if, without such security, a financial penalty to Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of Company's financial security and condition, that reinsurer will secure, on request, and within 30 days after the end of each calendar quarter (but no later than December 31 of each year as respects the fourth quarter), its share of "obligations" under this Agreement in a manner, form and amount and from a bank acceptable to the regulatory authorities having jurisdiction, by a clean, irrevocable, and unconditional "evergreen" letter of credit.

The "obligations" referred to herein will mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which Reinsurer is responsible;

2. The amount of paid losses and allocated loss adjustment expenses paid by Company but not yet recovered from Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss adjustment expenses, for which Reinsurer is responsible;

4. The amount of return and refund premiums for which Reinsurer is responsible.

5. Contingent Profit Collateral. The amount of such collateral is calculated by applying the following criteria and rates:

6 Months	18 Months	30 Months	42 Months
35%	35%	25%	0%

The amount of such collateral will equal the percentage shown above times the difference between the ceded earned premium, net of ceding commission and brokerage, and the total of all ceded paid losses, ceded paid allocated loss expenses and ceded case reserves.

The first calculation of the Contingent Profit Collateral will be made by Company no later than December 31, 1993 and will be recalculated by Company at 12 month intervals until 36 months after the initial calculation when Company agrees to return the Contingent Profit Collateral to Reinsurer.

If any reinsurer is unauthorized in any province or jurisdiction of Canada, that reinsurer agrees to fund 115% of its share of Company's ceded Canadian unearned premium and outstanding loss and loss adjustment expense reserves by cash advances, if, without such funding, a penalty would accrue to Company on any financial statement it is required to file with the insurance regulatory authorities involved.

Company, or its successors in interest may draw, at any time and from time to time, upon the established letter of credit (or subsequent cash deposit) without diminution or restriction because of the insolvency of either Company or Reinsurer for one or more of the following purposes:

1. To make payment to and reimburse Company for Reinsurer's share of paid loss and allocated loss adjustment expense paid by Company under its original policies covered under this Agreement due to Company but unpaid by Reinsurer;

2. To make payments to Reinsurer of any amounts held thereby that exceed the amount required to fund Reinsurer's "obligations" under this Agreement.

3. To make payment to Company of any other amounts Company claims are due under this Agreement from Reinsurer including but not limited to Reinsurer's share of premium refunds and returns; and

4. To obtain a cash deposit of the entire amount of the remaining balance under the letter of credit where Company:

   a. has received notice of non-renewal or expiration of the letter of credit;

b. has not received assurances satisfactory to Company of any required increase in the amount of the letter of credit, or its replacement or other continuation of the letter of credit at least 30 days before its stated expiration date;

c. has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit; or

d. has concluded that the issuing (or confirming) bank's financial condition is such that the security represented by the letter of credit may be in jeopardy;

and under any of those circumstances where Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least 30 days prior to the stated expiration date or at the time Company learns of the possible jeopardy to the security.

If Company draws on the letter of credit to obtain a cash deposit, Company will hold the amount of the cash deposit so obtained in the name of Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to Reinsurer:

1. upon the complete and final liquidation and discharge of all Reinsurer's obligations to Company under this Agreement; or

2. in the event Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to Company.

Company will prepare and forward at least quarterly to Reinsurer a statement for the purposes of this Article, showing Reinsurer's share of "obligations" as set forth above. If Reinsurer's share thereof exceeds the then existing balance of the security provided, Reinsurer will, within 15 days of receipt of Company's statement, but never later than December 31 of any year, increase the amount of the letter of credit (or cash deposit) to

the required amount of Reinsurer's share of "obligations" set forth in Company's statement.

If Reinsurer's share thereof is less than the then existing balance of the letter of credit (or cash deposit) provided, Company will release the excess thereof to Reinsurer upon Reinsurer's written request.

Reinsurer will not attempt to prevent Company from drawing on the letter of credit (or cash deposit) so long as Company is acting in accordance with this Article.

Company's "successors in interest" will include those by operation of law, including without limitation, any liquidator, rehabilitator, receiver, or conservator.

Reinsurer will take any other reasonable steps that may be required for Company to take credit on its statutory financial statements for the reinsurance provided by this Agreement.

Company may apply the Canadian cash advances under the third paragraph above to satisfy Reinsurer's Canadian obligations to Company in the same manner as if it were drawing on the letter of credit (or subsequent cash deposit).

ARTICLE XXVI

OTHER TERMS AND CONDITIONS

A. Waiver. The failure of Company or Reinsurer to insist on strict compliance with this Agreement, or to exercise any right or remedy hereunder, will not constitute a waiver of any rights contained herein nor stop the parties from thereafter demanding full and complete compliance nor prevent the parties from exercising such a remedy in the future.

B. Conflict with Law and Severability. If any provision of this Agreement should be invalid under applicable laws, the latter will control but only to the extent of the conflict without affecting the remaining provisions of this Agreement.

C. Headings. The headings preceding the text of the Articles and paragraphs of this Agreement are intended and inserted solely for the convenience of

reference and will not affect the meaning, interpretation, construction or effect of this Agreement.

D. Assignment. This Agreement will be binding upon and inure to the benefit of Company and Reinsurer and their respective successors and assignees, provided, however, that this Agreement may not be assigned or delegated by either Company or Reinsurer without the prior written consent of the other which consent may be withheld by either party in its sole unfettered discretion.

E. Notices. Wherever notice of termination is required under this Agreement, it will be in writing, sent by certified mail, return receipt requested.

F. Governing Law. This Agreement will be governed by and construed according to the laws of Pennsylvania, exclusive of its rules with respect to conflict of laws, except as to rules with respect to credit for reinsurance where the laws of (a) the domicile of the individual ceding company will apply, and (b) the laws of other states applying their laws with respect to credit for reinsurance with foreign reinsurers will also apply.

G. Entire Agreement. This Agreement supersedes, merges with and makes null and void any and all previous agreements, whether written or oral, between Company and Reinsurer with respect to the reinsurance to be written under this Agreement commencing July 1, 1993 and constitutes the full and complete agreement between the parties with respect to that reinsurance. No amendment to this Agreement will be enforceable unless in writing and signed by the party against whom enforcement is sought.

ARTICLE XXVII

THIRD PARTY BENEFICIARY

Except as specifically and expressly provided for in the Insolvency Article, the provisions of this Agreement are intended solely for the benefit of the parties to and executing this Agreement and nothing in this Agreement will in any manner create or be construed to create any obligations to or establish any rights against any party to this Agreement in favor of any third parties or other persons not parties to and executing this Agreement.

ARTICLE XXVIII

AGENCY AGREEMENT

If more than one reinsured company is named as a party to this Agreement, the first named company will be deemed the agent of the other reinsured companies for purposes of sending or receiving notices required by the terms and conditions of this Agreement, and for purposes of remitting or receiving any monies due any party.

ARTICLE XXIX

NEGOTIATED AGREEMENT

This Agreement has been negotiated by the parties and the fact that the initial and final draft will have been prepared by the Intermediary will not give rise to any presumption for or against any party to this Agreement or be used in any form in the construction or interpretation of this Agreement or any of its provisions.

ARTICLE XXX

INTERMEDIARY

Aon Re Inc. is hereby recognized as the Intermediary negotiating this Agreement for all business hereunder. Correspondence regarding Agreement terms will be transmitted through Aon Re Inc., Two World Trade Center New York, New York 10048. All statements for premiums, return premiums, commissions, taxes, losses, loss expense, salvages, and loss settlements will be transmitted through Aon Reinsurance Agency, Inc., 123 North Wacker Drive, Chicago, Illinois 60606. Payments by Company to Aon Reinsurance Agency, Inc. will be deemed payment to Reinsurers. Payment by Reinsurers to Aon Reinsurance Agency, Inc. will be deemed payment to Company only to the extent that such payments are actually received by Company.

ARTICLE XXXI

SELF-INSURED OBLIGATIONS

This Agreement will cover self-insured obligations of Company assumed by it as a self-insurer, including self-insured obligations in excess of any valid and collectible insurance available to Company, to the same extent as if all types of insurance covered by this Agreement were afforded to Company under the broadest forms of policies issued by Company.

For the purposes of this Agreement, "self-insured obligations" means insurable exposures of Company on which Company has issued an actual policy of the kind described above. If a self-insured obligation policy reinsured under this Agreement protects Company for loss arising from the handling of a claim under another policy reinsured hereunder, the date on which such loss from the handling of that claim is incurred will be deemed to be the date the claim under that other policy reinsured hereunder is first made but nevertheless will be considered as a separate accident, casualty, disaster or occurrence for which a separate retention and limit will apply.

Any insurance or reinsurance wherein Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party, either alone or jointly with some other party, will be deemed to be an insurance or reinsurance coming within the scope of this Agreement, notwithstanding that no legal liability may arise in respect thereof by reason of the fact that Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party or one of the Insured or Reinsured parties.

All amounts of ultimate net loss paid hereunder will be deemed to reimburse for loss and loss adjustment expense first and Extra Contractual Obligations and losses in Excess of Policy Limits thereafter.

U.S.A.

NUCLEAR INCIDENT EXCLUSION CLAUSE - LIABILITY - REINSURANCE.

(1) This reinsurance does not cover any loss or liability accruing to the Reassured as a member of, or subscriber to, any association of insurers or reinsurers formed for the purpose of covering nuclear energy risks or as a direct or indirect reinsurer of any such member, subscriber or association.

(2) Without in any way restricting the operation of paragraph (1) of this Clause it is understood and agreed that for all purposes of this reinsurance all the original policies of the Reassured (new, renewal and replacement) of the classes specified in Clause II of this paragraph (2) from the time specified in Clause III in this paragraph (2) shall be deemed to include the following provision (specified as the Limited Exclusion Provision):

Limited Exclusion Provision.*

I. It is agreed that the policy does not apply under any liability coverage,
to (*injury, sickness, disease, death or destruction* / bodily injury or property damage) with respect to which an insured under the policy is also an insured under a nuclear energy liability policy issued by Nuclear Energy Liability Insurance Association, Mutual Atomic Energy Liability Underwriters or Nuclear Insurance Association of Canada, or would be an insured under any such policy but for its termination upon exhaustion of its limit of liability.

II. ARTICLE IX

DEFINITIONS

The following definitions will apply to this Agreement:

A. "Policies" as used in this Agreement will mean each of the Company's binders, policies and contracts providing insurance or reinsurance on the business covered hereunder.

B. "Each and every loss" as used in this Agreement will mean each loss discovered and/or claim made or series of losses discovered and/or series of claims made arising from a wrongful act or the same or series of interrelated wrongful acts, as defined in the original policy.

C. "Ultimate net loss" as used in this Agreement will include the amount of loss or liability paid or payable under the Company's original policies, plus 90% of extra contractual obligations plus 90% of losses in excess of policy limits, plus 90% of loss expense from a successful declaratory judgment action. For the purposes of this definition a declaratory judgment action is deemed to be "successful" if the Company incurs no loss from the claim from which the declaratory judgment action arises. In addition, some loss expenses are included within the ultimate net loss (see paragraph B below) and some loss expenses are covered in addition to the ultimate net loss (see paragraph A below) in accordance with the following:

1. With respect to those parts of loss expenses that do not erode the limit of liability under the Company's original policies, the Reinsurer will be liable in addition to its limit of liability for ultimate net loss for its proportionate share of loss expenses in the same proportion as ultimate net loss payments under this Agreement bear to the total ultimate net loss payments made by the Company.

In the event a verdict or judgment is reduced by appeal or settlement, subsequent to the entry of the judgment, resulting in an ultimate saving on that verdict or judgment, or a judgment is reversed outright, the expenses incurred in securing that final reduction or reversal will be prorated between the Reinsurer and the Company in the proportion that each benefit from that reduction or reversal and the expense incurred up to the time of the original verdict or judgment will be prorated in proportion to each party's interest in that verdict or judgment.

2. With respect to those parts of loss expenses that erode the limit of liability under the Company's original policies, the Reinsurer will be liable for the ultimate net loss in excess of the Company's retention under this Agreement; and such ultimate net loss under the limit and retention of this Agreement will consist of either indemnity payments or loss expenses or any combination of indemnity payments and loss expenses as well as extra contractual obligations and losses in excess of policy limits.

   Notwithstanding the above, in the event that the original policy limit does not exceed the Company's retention under this Agreement, reinsurance coverage will be provided by the Reinsurer for ultimate net loss consisting of the amount of loss or liability paid or payable under the Company's original policy, plus 90% of extra contractual obligations, plus 90% of losses in excess of policy limits, plus 90% of loss expense from a successful declaratory judgment action, plus loss expenses associated with extra contractual obligations and losses in excess of policy limits; however, such coverage is subject to 25% of the applicable limits as set forth in the Reinsurance Coverage Article.

D. "Loss expense" as used in this Agreement will mean any and all paid or payable costs and expenses allocable to a specific claim that are incurred by the Company in the investigation, appraisal, adjustment, settlement, litigation, defense, or appeal of a specific claim, including court costs and costs of supersedeas and appeal bonds expense, including a pro rata share of salaries and expenses of Company employees and expenses of Company officers who have been temporarily diverted from their normal and customary duties and assigned to the field adjustment of losses covered by this Agreement, interest accrued after award or judgment and pre-judgment interest awarded, legal expenses and costs incurred by the Company in connection with coverage questions and legal actions connected therewith, monitoring expenses, and legal costs and expenses

associated with extra contractual obligations and loss in excess of policy limits.

E. "Monitoring expense" as used in this Agreement will mean all loss expenses incurred by the Company allocable to a specific loss that cannot be charged against the original policy.

F. "Extra contractual obligations" means any punitive, exemplary, compensatory, or consequential damages, other than loss in excess of policy limits, together with any legal costs and expenses incurred in connection therewith, paid by the Company as a result of a claim against it by its insured, its insured's assignee, or a third party claimant, which claim alleges negligence or bad faith on the part of the Company (or its third party administrator) in the handling of a claim under a policy covered hereunder. An extra contractual obligation will be deemed to have occurred on the same date as the loss covered or alleged to be covered under the policy that gave rise to the extra contractual obligation. This Agreement will not apply to any extra contractual obligation incurred by the Company as the result of any fraudulent or criminal act directed against the Company by any officer or director of the Company acting individually or collectively or in collusion with any other organization or party involved in the presentation, defense, or settlement of any claim under this Agreement.

G. "Loss in excess of policy limits" means any amount of loss, together with any legal costs and expenses incurred in connection therewith, paid by the Company in excess of its policy limits, but otherwise within the coverage terms of the policy, as a result of a claim against it by its insured or its insured's assignee to recover damages the insured is legally obligated to pay to a third party claimant because of the Company's (or its third party administrator's) alleged or actual negligence or bad faith in rejecting a settlement within the policy limits, or in discharging its duty to defend or prepare the defense in the trial of an action against its insured, or in discharging its duty to prepare or prosecute an appeal consequent upon such an action. This Agreement will not apply to any loss in excess of policy limits incurred by the Company as the result of any fraudulent or criminal act directed against the Company by any officer or director of the Company acting individually or collectively or in collusion with any other organization or party involved in the presentation, defense, or settlement of any claim under this Agreement.

The date of loss on which any loss in excess of policy limits is incurred by the Company will be deemed to be as follows: (a) the date of the original

loss occurrence for policies issued on an occurrence basis, or (b) the date the claim is made under the original policy for policies issued on a claims made basis, or (c) the date the loss is discovered for policies issued on a losses discovered basis.

H. "Gross net written premium" as used in this Agreement will mean the Company's gross premiums charged for the original policies with an effective date during the term of this Agreement plus additional premiums thereon, less return premiums thereon and less any premiums paid or payable for reinsurance inuring to the benefit of this Agreement.

I. "Loss ratio" means the percent resulting from the Reinsurer's ultimate net loss arising from policies with an effective date during each annual period of this Agreement divided by reinsurance premium, net of ceding commission thereon arising from policies with an effective date during each annual period of this Agreement.

J. "Annual period" means the period December 31, 1998 to December 30, 1999, and the period December 31, 1999 to December 30, 2000.

ARTICLE X

NET RETAINED LINE

This Agreement will apply only to that portion of any insurance or reinsurance the Company retains net for its own account [prior to the deduction of any underlying, and other treaty excess of loss reinsurances (including Casualty Catastrophe Excess of Loss) but not inuring facultative reinsurance], and in calculating the amount of any ultimate net loss hereunder and the amount in excess of which this Agreement attaches, only ultimate net loss or ultimate net losses with respect to that portion of any insurance or reinsurance the Company retains net for its own account will be included. It is understood and agreed, however, that the Reinsurer's liability hereunder with respect to any ultimate net loss or ultimate net losses will not be increased by reason of the inability of the Company to collect from any other reinsurers, whether specific or general, any amounts which may be due from them, whether such inability arises from the insolvency of such other reinsurers or otherwise.

Recoveries, collectibles or retention from any form of insurance or reinsurance other than: 1) from other excess of loss reinsurances including Casualty Catastrophe Excess of Loss reinsurances, 2) primary Errors and Omissions policy issued to the Company, 3) the deductible thereon, and 4) Self-Insured Excess Errors and Omissions policy, will inure to the benefit of the Reinsurer and will be deducted in arriving at the ultimate net loss hereunder. It being the intention of the parties hereto that any extra

contractual obligations and excess of policy limits coverage provided hereunder will be applied first to the original insured's loss and any loss under the Company's own insurance (i.e., primary insurance, deductible and Self-Insured Excess insurance) will be treated as a separate loss.

Intercompany reinsurance and other underlying and excess of loss reinsurance to be disregarded in calculating ultimate net loss and net retained line.

ARTICLE XI

SUBROGATION AND SALVAGE

The Reinsurer will be subrogated, as respects any loss for which the Reinsurer will actually pay or become liable to pay, but only to the extent of the amount of payment by or the amount of liability to the Reinsurer, to all the rights of the Company against any person or other entity who may be legally responsible in damages for said loss. The Company hereby agrees to reasonably enforce such rights, but in case the Company unreasonably refuses or neglects to do so, the Reinsurer is hereby authorized and empowered to bring any appropriate action in the name of the Company or its policyholders, or otherwise to enforce such right.

Any recoveries, salvage or reimbursements applying to risks covered under this Agreement will always be used to reimburse the excess carriers (from the last to the first, beginning with the carrier of the last excess), according to their participation, before being used in any way to reimburse the Company for its primary loss.

Where subject original policies written by the Company cover expenses in addition to the limit of liability, in the event there are any salvages, recoveries or reimbursements recovered subsequent to a loss settlement, it is agreed that if the loss expense incurred in obtaining salvage or other recoveries is less than the amount recovered, such expense will be borne by each party in the proportion that each party benefits from the recoveries. Otherwise, the amount recovered will first be applied to the reimbursement of the expense of recovery and the remaining expense will be borne by the Company and the Reinsurer in proportion to the liability of each party for the loss before such recovery had been obtained.

Where subject original policies written by the Company include expenses as part of the limit of liability, all salvages, recoveries or reimbursements, after deduction of loss expense applicable thereto, recovered or received subsequent to all loss settlement under this Agreement will be applied as if recovered or received prior to the aforesaid settlement, and all necessary adjustments will be made by the parties hereto, provided always, that nothing in this Article will be construed to mean that losses under this

LPSO R.J.L.

Agreement are not recoverable until the Company's ultimate net loss has been ascertained.

ARTICLE XII

NOTICE OF LOSS AND LOSS SETTLEMENT

The Company will advise the Reinsurer of all losses for which the Company has established an indemnity and/or expense reserve of US$/CAN/£/SINGS$1,000,000 or greater and of all losses, which, in the opinion of the Company, are likely to involve the Reinsurer under this Agreement, and all material subsequent developments pertaining thereto, which, in the opinion of the Company, may materially affect the position of the Reinsurer.

In its full discretion the Company will adjust, settle or compromise all claims and losses. All such adjustments, settlements and compromises will be unconditionally binding on the Reinsurer. The Company will likewise, at its sole discretion, commence, continue, defend, compromise, settle or withdraw from actions, suits or proceedings and generally handle all matters related to all claims or losses.

The Reinsurer agrees to abide by the loss settlements of the Company, such settlements to be construed as satisfactory upon receipt of a proof of loss which contains the following information:

1. Claim number;
2. Policy number;
3. Policy limit;
4. Policy period;
5. Loss location;
6. Date of loss;
7. Date reported;
8. Claim type;
9. Name of insured;
10. Name of claimant;
11. Brief loss description;
12. Gross loss reserve;
13. Paid loss to date;
14. Paid expense to date.

Amounts falling to the share of the Reinsurer will be payable to the Company by the Reinsurer within 15 days of the Reinsurer's receipt of a proof of loss.

R.J.L.

In the event the Reinsurer's share of any one ultimate net loss is US$/CAN$/£/SING$500,000 or greater of the limit of liability for this Agreement, the Company may give the Reinsurer written notice of its intention to immediately pay such loss on a certain date and may require the Reinsurer to have its share of the ultimate net loss in the hands of the Company by such date. Such written notice will allow the Reinsurer at least 15 working days after its receipt to prepare and dispatch its payment by check or wire transfer.

ARTICLE XIII

REINSURANCE PREMIUM

The Company will pay the Reinsurer a net deposit premium for each annual period of this Agreement, after ceding commission, of US $3,250,000 and £6,100,000 to be paid in installments as follows:

US$812,500 and £1,525,000 at January 31, 1999
US$812,500 and £1,525,000 at April 30, 1999
US$812,500 and £1,525,000 at July 31, 1999
US$812,500 and £1,525,000 at October 31, 1999
US$812,500 and £1,525,000 at January 31, 2000
US$812,500 and £1,525,000 at April 30, 2000
US$812,500 and £1,525,000 at July 31, 2000
US$812,500 and £1,525,000 at October 31, 2000

Each annual period is subject to a net minimum premium, after ceding commission, of US $2,925,000 and £5,490,000 (or US $11,700,000 on a combined basis at the Company's option). Reinsurance premium for this layer will be adjusted following the end of each annual period to equal 28.2609% (gross rate) of the Company's Gross Net Written Premium for business subject to this Agreement.

The net rate of 19.5% is the gross rate less ceding commission of 31% as set forth in the Ceding Commission Article.

ARTICLE XIV

CEDING COMMISSION

The Reinsurer will allow the Company a ceding commission of 31% of the reinsurance premium.

L P S O
R.J.L.

ARTICLE XV

REINSTATEMENT

If the Reinsurer's liability hereunder for losses incurred during any one annual period is in excess of $13,000,000, or if the ratio of losses for that annual period of the Agreement to the reinsurance premium (net of ceding commission) for that same annual period is in excess of 100%, whichever is greater, the Company will pay the Reinsurer a reinstatement premium of $1,000,000. Reinstatement of the Reinsurer's liability will be effective immediately and automatically without creating a separate retention or limit hereunder for any one loss, but the reinstatement premium will not be due until the close of the annual period. Subsequent reinstatements will be free and unlimited.

Payment of the reinstatement premium, if applicable, will be made within 30 days after the end of each annual period of the Agreement term, at which time the Company will pay the Reinsurer any reinstatement premium due. Annual adjustments will continue thereafter until all losses under this Agreement are settled, at which time the Company will pay to the Reinsurer any reinstatement premium due, or the Reinsurer will refund any reinstatement premium previously paid if applicable.

"Incurred" means paid plus outstanding loss.

ARTICLE XVI

REPORTS AND REMITTANCES

Within 90 days after the close of each calendar quarter, the Company will furnish the Reinsurer with an informational report of policies written. The report will set forth the policy number, name of insured, policy limits, premium charged, attachment point, and a notation as to the class of business and type of risk subject.

Within 90 days after the expiration of each annual period and annually thereafter, the Company will furnish the Reinsurer with a report of reinsurance premium due the Reinsurer for the term of this Agreement. Such report will show and properly segregate the Company's premium to which the reinsurance rate applies as well as set forth the Reinsurer's portion of the unearned premium reserve and contain such other information as may be required by the Reinsurer for completion of its NAIC annual statement. The premium due the Reinsurer will be balanced against the minimum and deposit premium set forth in the Reinsurance Premium Article, and any balance shown to be due the Reinsurer will be remitted with said report. Any balance shown to be due the Company will be paid as soon as possible following receipt of the report by the Reinsurer.

R.J.L.

ARTICLE XVII

TAXES

In consideration of the terms under which this Agreement is issued, the Company will not claim a deduction in respect of the premium hereon when making tax returns, other than income or profits tax returns, to any state or territory of the United States of America, the District of Columbia or Canada.

ARTICLE XVIII

FEDERAL EXCISE TAX

(Applicable to those reinsurers, except Underwriters at Lloyds London and other reinsurers exempt from Federal Excise Tax, who are domiciled outside the United States of America.)

The Reinsurer has agreed to allow for the purpose of paying the Federal Excise Tax the applicable percentage of the premium payable hereon (as imposed under Section 4371 of the Internal Revenue Service Code) to the extent such premium is subject to the Federal Excise Tax.

In the event of any return of premium becoming due hereunder, the Reinsurer will deduct the aforesaid percentage from the return premium payable hereon and the Company or its agent should take steps to recover the tax from the United States government.

ARTICLE XIX

CURRENCY CONVERSION

Wherever the "$" sign appears in this Agreement, it will be construed to mean United States Dollars. Wherever the "CAN$" sign appears in this Agreement, it will be construed to mean Canadian Dollars. Wherever the "£" sign appears in this Agreement, it will be construed to mean British Pounds Sterling. Wherever the "SING$" sign appears in this Agreement, it will be construed to mean Singapore Dollars.

All original policy transactions under this Agreement as regards payment and settlements of premium and losses will be made in accordance with where the Company underwrites and/or accounts for the original policies, as follows:

A. In respect of all policies written and/or accounted for through the New York office of Reliance National Division of the Company all original policy transactions will be converted to United States Dollars at the applicable rate of exchange appearing in the New York Times on the date such transaction is entered on the books of the Company.

B. In respect of all policies written and/or accounted for through the London office of Reliance National Division of the Company all original policy transactions will be converted to British Pounds Sterling at the applicable rate of exchange appearing in the London Financial Times on the date such transaction is entered on the books of the Company, except when such original policies are written in Canadian Dollars or United States Dollars, then payment and settlements of losses only will be in the original currency.

C. In respect of all policies written and/or accounted for through the Toronto office of Reliance National Division of the Company all original policy transactions will be converted to Canadian Dollars at the applicable rate of exchange appearing in the New York Times on the date such transaction is entered on the books of the Company, except when such original policies are written in United States Dollars, then payment and settlements of losses only will be in the original currency.

D. In respect of all policies written and/or accounted for through the Singapore office of Reliance National Division of the Company all original policy transactions will be converted to United States Dollars at the applicable rate of exchange appearing in the New York Times on the date such transaction is entered on the books of the Company.

The retention and the limit are stated in United States Dollars, Canadian Dollars, British Pounds Sterling, Singapore Dollars or its equivalent at the same rate of exchange as used by the Company in recording the transaction in the Company's records. In the event that there is an increase or reduction in the parity value of the United States Dollar, Canadian Dollar, British Pound Sterling or Singapore Dollar (as applicable) against the currency of the original policy at the date of settlement of loss, from that existing at the time of the risk's cession to this Agreement, then the retention and the limit will be adjusted to maintain the original relative retention and limit.

For purpose of calculating loss ratio and premium adjustments under this Agreement, all losses and premiums will be converted to U.S. Dollars using the following rates of exchange between:

A. Sterling and U.S. dollars:

for reinsurance premiums and claim payments, the currency conversion ratio from Sterling to U.S. dollars will be £.75 = $1.00 or the actual rate of exchange to $1.00 on the date of loss or premium payment, if the actual rate is less than £.75 = $1.00 (i.e., £.74 or less).

B. Canadian dollars and U.S. dollars:

for reinsurance premiums and claim payments, the currency conversion ratio from U.S. dollars to Canadian dollars will be CAN $1.00 = $1.00 or the actual rate of exchange to $1.00 on the date of loss or premium payment, if the actual rate is greater than CAN $1.00 = $1.00 (i.e., CAN $1.01 or greater).

C. Singapore dollars and U.S. dollars:

for reinsurance premiums and claim payments, the currency conversion ratio from Singapore dollars to U.S. dollars will be SING $1.6133 = $1.00 or the actual rate of exchange to $1.00 on the date of loss or premium payment, if the actual rate is greater than SING $1.6133 = $1.00 (i.e., SING $1.6134 or greater).

ARTICLE XX

ACCESS TO RECORDS

The Reinsurer or its duly authorized representatives will have the right at any reasonable time upon 5 working days prior notice, at any time during regular business hours during the term of this Agreement or after the expiration of this Agreement, to visit the offices of the Company to inspect, examine, audit, and verify any of the policy, accounting or claim files ("records") relating to business reinsured under this Agreement. The Reinsurer, at its own expense, will have the right to make copies or extracts of any records. Notwithstanding the above, the Reinsurer will not have any right of access to the records of the Company if it is not current in all undisputed payments due the Company and the Company will have no right to reimbursement under this Agreement if it fails or refuses to provide the access required by this article other than by reason of the Reinsurer's failure to pay. The Reinsurer will keep confidential all information and reports derived from the records of the Company to which it has received access and will not publish or communicate that information or report(s) to any other person or reinsurer without the Company's express prior written consent except under the following circumstances: when required by Retrocessionaires; when a Reinsurer is subject to a lawful subpoena or other duly issued order of a court or other regulatory or other

L P S O R.J.L.

governmental authority; or when required by auditors, legal counsel, and/or arbitrators involved in any arbitration procedures under this Agreement.

ARTICLE XXI

CONFIDENTIALITY

All claim information communicated between the Company and the Reinsurer is intended to further the joint interests of the Company and the Reinsurer in the business covered by and related claims under this Agreement and will be considered and will be treated by both the Company and the Reinsurer as privileged and confidential. Claim information will not be disclosed to any other party other than (i) counsel retained by the Company in the defense of a claim, (ii) to retrocessionaire(s) of the Reinsurer whose interest likewise may be affected by the claim or claims, (iii) as directed by a lawful court order, (iv) counsel retained by the Reinsurer, or (v) external accounting or compliance auditors. The Company and the Reinsurer will take all lawful measures necessary or required to preserve the confidentiality of claim information received from the Company.

ARTICLE XXII

ERRORS AND OMISSIONS

Any inadvertent act, delay, omission, or error by either party to this Agreement will not be held to relieve either party to this Agreement from any liability that would attach to it under this Agreement if that act, delay, omission, or error had not been made, providing that act, delay, omission, or error is sought to be rectified after discovery.

ARTICLE XXIII

INSOLVENCY

In the event of the declared insolvency of one (or more) of the Companies reinsured under this Agreement and the appointment of a liquidator, receiver, conservator, or statutory successor for that Company, this reinsurance will be payable directly to the Company or to its liquidator, receiver, conservator, or statutory successor on the basis of the liability of that insolvent Company as a result of claims allowed against that Company by any court of competent jurisdiction or any liquidator, receiver, conservator, or statutory successor having authority to allow such claims without diminution because of the insolvency of the Company or because the liquidator, receiver, conservator, or statutory successor of the Company has failed to pay all or a portion of any claim.

Every liquidator, receiver, conservator, statutory successor of the Company, or guaranty fund or association will give written notice to the Reinsurer of the pendency of a claim involving the Company indicating the subject policy, which claim would involve a possible liability on the part of the Reinsurer to the Company or to its liquidator, receiver, conservator, or statutory successor, within a reasonable amount of time after the claim is filed in the conservation, liquidation, receivership, or other proceeding. During the pendency of any claim, the Reinsurer may investigate the same and interpose, at its own expense, in the proceeding where that claim is to be adjudicated, any defense or defenses that it may deem available to the Company, or to its liquidator, receiver, conservator, statutory successor, or guaranty fund or association. The expense thus incurred by the Reinsurer will be chargeable, subject to the approval of the Court, against the Company as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit that may accrue to the Company as a result of the defense undertaken by the Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to the claim, the expense will be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by the Company.

The reinsurance will be payable by the Reinsurer to that Company, or to its liquidator, receiver, conservator, or statutory successor (except as provided by Section 4118(a) of the New York Insurance Law) or (a) where the Agreement specifically provides another payee of such reinsurance in the event of the insolvency of that Company and (b) where the Reinsurer with the consent of the direct insured or insureds has assumed such policy obligations of that Company as direct obligations of the Reinsurer to the payees under such policies and in substitution for the obligations of that Company to such payees. Prior to implementation of a novation, any certificate of assumption on New York risks must be approved by the Superintendent of Insurance for the State of New York.

ARTICLE XXIV

ARBITRATION

Any disputes between the Company and the Reinsurer arising out of, relating to, or concerning this Agreement, including its formation and validity, whether sounding in contract or tort and whether arising during or after termination of this Agreement, will be submitted for decision to a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration will be conducted under the Federal Arbitration Act and will proceed as follows:

A. Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, will be in writing and will be sent certified mail, return receipt requested, to the affected parties. The notice requesting arbitration will state in particulars all issues to be resolved in the view of the claimant, the name of the claimant's arbitrator, and will set a tentative date for the hearing, which will be no sooner than 90 days and no later than 150 days from the date that the notice requesting arbitration is mailed if one reinsurer is involved, or no sooner than 180 days and no later than 240 days from the date that the notice requesting arbitration is mailed if more than one Reinsurer is involved.

Should more than one Reinsurer to this Agreement be involved in the same dispute or other matter in controversy, the Company may effect a consolidated arbitration by simultaneously serving notice upon each involved Reinsurer. The Reinsurers so served will then act together as a single party for purposes of this Article provided that:

(1) Each Reinsurer will have the ability to negotiate and reach a settlement of the dispute or matter in controversy separately from the other Reinsurers;

(2) Each Reinsurer has the right to its own attorney, position, and related claims and defenses;

(3) Each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and

(4) The costs and expense of the consolidated arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board will determine to be fair and appropriate under the circumstances.

Within 30 days of receipt of the claimant's notice, or 60 days in the event of a consolidated arbitration, the respondent will notify the claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

B. Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board will be impartial and disinterested and will be current or former (i) officers of property-casualty insurance companies or

reinsurance companies, (ii) underwriters at Lloyd's, London, or (iii) lawyers who have worked or are working for an insurance or a reinsurance company.

As time is of the essence, if the respondent fails to appoint its arbitrator within 30 days after having received the claimant's written request for arbitration, or 60 days in the event of a consolidated arbitration, the claimant is authorized to and will appoint the second arbitrator.

The two appointed arbitrators will choose an umpire before instituting the hearing. If the two arbitrators fail to agree upon the appointment of an umpire within 30 days after notification of the appointment of the second arbitrator, the two arbitrators will promptly request the American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the qualifications set forth above in this Article. If the AAA fails to name an umpire within 30 days of the arbitrators' request, either party may apply to a court of competent jurisdiction to appoint an umpire with the above required qualifications. The umpire will promptly notify in writing all parties to the arbitration of his selection and thereupon the Board will notify all parties of the scheduled date for the hearing. Upon resignation or death of any member of the Board, a replacement will be appointed in the same fashion as the resigning or deceased member was appointed.

C. Submission of Briefs. The claimant and the respondent will each submit initial briefs to the Board outlining the issues in dispute and the basis, authority, and reasons for their respective positions within 30 days of the date of notice of the appointment of the umpire if one Reinsurer is involved, or 60 days of the date of notice of the appointment of the umpire if more than one Reinsurer is involved. The claimant and the respondent may submit reply briefs to the Board within 10 days after filing of the initial brief(s) if one Reinsurer is involved and within 20 days after filing of the initial brief(s) if more than one Reinsurer is involved. Initial and reply briefs may be amended by the submitting party at any time, but not later than 10 days prior to the date of commencement of the arbitration hearing. Reasonable responses will be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

D. Arbitration Award. The Board will make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the practice of the reinsurance business which decision and award will be in writing and will state the basis for the decision and award.

The decision and award will be based upon a hearing in which evidence will be allowed and to which the formal rules of evidence will not strictly apply but in which cross-examination and rebuttal will be allowed. At the request of the Board, or at its own election, either party may submit a post-hearing brief after the close of the hearing. The Board will make its decision and award within 30 days following the close of the hearing or the submission of post-hearing briefs, whichever is later. Every decision by the Board will be by a majority of the members of the Board and each decision and award by the majority of the members of the Board will be final and binding upon all parties to the proceeding. Either party may apply to a court of competent jurisdiction within the State of Pennsylvania for an order confirming any decision and the award; a judgment of that Court will thereupon be entered on any decision or award. If such an order is issued, the attorney's fees of the party so applying and court costs will be paid by the party against whom confirmation is sought.

In its discretion, the Board may award interest at a rate of up to 100 basis points above the prime rate as published in the Wall Street Journal (Eastern Edition) on the date of the award calculated from the date the Board determines that any amounts due the prevailing party should have been paid to the prevailing party. The Board may not award punitive, exemplary, or treble damages.

E. Arbitration Expense. Except in the event of a consolidated arbitration, each party will bear the fee and expenses of the arbitrator appointed by it and one-half of the fee and expenses of the umpire. All other expenses of the arbitration will be equally divided between the parties.

F. Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration will have the obligation to produce, within the limits of its control, those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the Board will determine in its discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision, and award by the Board. The Board will be the final judge of the procedures of the Board, the conduct of the arbitration, the rules of evidence, the rules of privilege and production, and of excessiveness and relevancy of any witnesses and documents upon the petition of any

participating party. To the extent permitted by law, the Board will have the authority to issue subpoenas and other orders to enforce its decisions. The Board will have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing, decision, and award.

G. Equitable Relief. Nothing herein will be construed to prevent any participating party from applying to a federal district court or other court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board.

ARTICLE XXV

OFFSET

Unless otherwise required by applicable law, all amounts due either the Company or the Reinsurer, whether by reason of premium, commission, loss, ultimate net loss, or loss expense, or otherwise, under this Agreement will be subject to the right of recoupment and offset and upon the exercise of the same, only the net balance will be due. All claims for amounts of premium, commission, loss, ultimate net loss, or loss expense, whether or not fixed in amount at the time of the insolvency of any party to this Agreement, arising from coverage placed in effect under this Agreement prior to the insolvency of any party to this Agreement will be deemed pre-liquidation debts and subject to this Article. In the event of insolvency of the Company, offset will be in accord with applicable law.

ARTICLE XXVI

SERVICE OF SUIT

(This Article only applies to Reinsurers not domiciled in the United States of America, and/or not authorized in any state, territory, or district of the United States where authorization is required by insurance regulatory authorities).

It is agreed that in the event of any dispute under this Agreement or the failure of the Reinsurer hereon to pay any amount claimed to be due hereunder, the Reinsurer hereon, at the request of the Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this Article constitutes or should be understood to constitute a waiver of the Reinsurer's rights to commence an

action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Mendes and Mount, 750 Seventh Avenue, New York, New York 10019, and that in any suit instituted against any one of them upon this Agreement, the Reinsurer will abide by the final decision of such court or of any Appellate Court in the event of an appeal.

The above-named is hereby authorized and directed to accept service of process on behalf of the Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon the Reinsurer's behalf in the event such a suit will be instituted.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, the Reinsurer hereon hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this Agreement, and hereby designate the above-named Mendes and Mount as the firm to whom the said officer is authorized to mail such process or a true copy thereof.

ARTICLE XXVII

SECURITY AND UNAUTHORIZED REINSURANCE

If any Reinsurer is unauthorized or otherwise unqualified in any state or other United States jurisdiction, or if, without such security, a financial penalty to the Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of the Company's financial security and condition, that Reinsurer will secure no later than December 31 of each year, its share of "obligations" under this Agreement in a manner, form and amount and from a bank acceptable to the regulatory authorities having jurisdiction, by a clean, irrevocable, and unconditional "evergreen" letter of credit.

If any Reinsurer is unauthorized in any province or jurisdiction of Canada, that Reinsurer agrees to fund 115% of its share of the Company's ceded Canadian unearned premium and outstanding loss and loss expense reserves (including incurred but not reported loss reserves) by cash advances, if, without such funding, a penalty would accrue to the Company on any financial statement it is required to file with the insurance regulatory authorities involved. Such cash advances will not exceed the limits of this Agreement as defined in the Reinsurance Coverage Article.

The "obligations" referred to herein will mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which the Reinsurer is responsible;

2. The amount of paid losses and allocated loss expenses paid by the Company but not yet recovered from the Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss expenses, for which the Reinsurer is responsible;

4. The amount of return and refund premiums for which the Reinsurer is responsible;

5. Contingent Profit Collateral. The amount of such collateral is calculated by using the following criteria and rates:

12 Months	24 Months	36 Months	48 Months	60 Months
35%	35%	25%	15%	0%

The amount of such collateral will equal the percentage shown above times the difference between the ceded earned premium (net of ceding commission and brokerage) and the total of all ceded paid losses, ceded paid allocated loss expenses, and ceded case reserves.

The first calculation of the Contingent Profit Collateral for each annual period will be made by the Company no later than each December 31, following the annual period and will be recalculated by the Company at 12 month intervals until 48 months after the initial calculation, when the Company agrees to return Contingent Profit Collateral to the Reinsurer.

The Company, or its successors in interest may draw, at any time and from time to time, upon the established letter of credit (or subsequent cash deposit) without diminution or restriction because of the insolvency of either the Company or the Reinsurer for one or more of the following purposes:

1. To make payment to and reimburse the Company for the Reinsurer's share of paid losses and allocated loss expense paid by the Company under its original policies covered under this Agreement due to the Company but unpaid by the Reinsurer;

2. To make payments to the Reinsurer of any amounts held thereby that exceed the amount required to fund the Reinsurer's "obligations" under this Agreement;

3. To make payment to the Company of the Reinsurer's share of premium refunds and returns; and

4. To obtain a cash deposit of the entire amount of the remaining balance under a letter of credit, where the Company:

   a. has received notice of non renewal or expiration of the letter of credit;

   b. has not received assurances satisfactory to the Company of any required increase in the amount of the letter of credit, or its replacement or other continuation of the letter of credit at least 30 days before its stated expiration date;

   c. has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit; or

   d. has concluded that the issuing (or confirming) bank's financial condition is such that the security represented by the letter of credit may be in jeopardy;

and under any of those circumstances where the Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least 30 days prior to the stated expiration date or at the time the Company learns of the possible jeopardy to the security.

If the Company draws on the letter of credit to obtain a cash deposit, the Company will hold the amount of the cash deposit so obtained in the name of the Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to the Reinsurer:

A. upon the complete and final liquidation and discharge of all of the Reinsurer's obligations to the Company under this Agreement; or

B. in the event the Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to the Company.

The Company will prepare and forward at least quarterly to the Reinsurer a statement for the purposes of this Article, showing the Reinsurer's share of "obligations," as set forth above. If the Reinsurer's share thereof exceeds the then existing balance of the security provided, the Reinsurer will, within 15 days of receipt of the Company's statement, but never later than December 31 of any year, increase the amount of the letter of credit (or cash deposit) to the required amount of the Reinsurer's share of "obligations" set forth in the Company's statement.

If the Reinsurer's share thereof is less than the then existing balance of the letter of credit (or cash deposit) provided, the Company will release the excess thereof to the Reinsurer upon the Reinsurer's written request.

The Reinsurer will not attempt to prevent the Company from drawing on the letter of credit (or cash deposit) so long as the Company is acting in accordance with this Article.

The Company's "successors in interest" will include those by operation of law, including without limitation, any liquidator, rehabilitator, receiver, or conservator.

Any amounts of cash deposit held by the Company under this Agreement will bear the interest rate at prime, compounded monthly on the average monthly balance in the cash deposit account.

All income earned and received by the amount held in a trust account will be added to the principal.

The Reinsurer will take any other reasonable steps that may be required for the Company to take credit on its statutory financial statements for the reinsurance provided by this Agreement.

The Company may apply the Canadian cash advances under the second paragraph above to satisfy the Reinsurer's Canadian obligations to the Company in the same manner as if it were drawing on the letter of credit (or subsequent cash deposit).

ARTICLE XXVIII

SELF-INSURED OBLIGATIONS

This Agreement will cover self-insured obligations of the Company assumed by it as a self-insurer, including self-insured obligations in excess of any valid and collectible insurance available to the Company, to the same extent as if all types of insurance covered by this Agreement were afforded to the Company under the broadest forms of policies issued by the Company.

For the purposes of this Agreement, "self-insured obligations" means insurable exposures of the Company on which the Company has issued an actual policy of the kind described above. If a self-insured obligation policy reinsured under this Agreement protects the Company for loss arising from the handling of a claim under another policy reinsured hereunder, the date on which such loss from the handling of that claim is incurred will be deemed to be the date the claim under that other policy reinsured hereunder is first made but nevertheless will be considered as a separate accident, casualty, disaster or occurrence for which a separate retention and limit will apply.

Any insurance or reinsurance wherein the Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party, either alone or jointly with some other party, will be deemed to be an insurance or reinsurance coming within the scope of this Agreement, notwithstanding that no legal liability may arise in respect thereof by reason of the fact that the Company hereby reinsured and/or its affiliated and/or subsidiary Companies are named as the Insured or Reinsured party or one of the Insured or Reinsured parties.

All amounts of ultimate net loss paid hereunder will be deemed to reimburse for loss and loss expense first and extra contractual obligations and losses in excess of policy limits thereafter.

ARTICLE XXIX

OTHER TERMS AND CONDITIONS

A. Waiver. The failure of the Company or the Reinsurer to insist on strict compliance with this Agreement or to exercise any right or remedy will not constitute a waiver of any rights contained herein nor estop the parties from demanding full and complete compliance nor prevent the parties from exercising a remedy in the future.

B. Severability. If any provision of this Agreement should be invalid under applicable laws, the latter will control but only to the extent of the conflict without affecting the remaining provisions of this Agreement.

C. Headings. The headings preceding the text of the Articles and paragraphs of this Agreement are intended and inserted solely for the convenience of references and will not affect the meaning, interpretation, construction or effect of this Agreement.

D. Assignment. This Agreement will be binding upon and inure to the benefit of the Company and the Reinsurer and their respective successors

and assignees, provided, however, that this Agreement may not be assigned or delegated by either the Company or the Reinsurer without the prior written consent of the other which consent may be withheld by either party in its sole unfettered discretion.

E. Governing Law. This Agreement will be governed as to performance, administration, and interpretation by the laws of Pennsylvania exclusive of its rules with respect to conflict of laws except as to rules with respect to credit for reinsurance in which case the rules of all applicable states will apply.

F. Entire Agreement. This Agreement supersedes, merges with and makes null and void any and all previous agreements, whether written or oral, between the Company and the Reinsurer or their predecessors with respect to the reinsurance of the Company by the Reinsurer described above and constitutes the full and complete agreement between the parties with respect to that described reinsurance. No amendment to this Agreement will be valid unless in writing and signed by both parties.

G. Third Party Beneficiary. Except as expressly provided for in the Insolvency Article, the provisions of this Agreement are intended solely for the benefit of the Company and the Reinsurer who are executing this Agreement and nothing in this Agreement will in any manner create or be construed to create any obligations to or establish any rights against any party to this Agreement in favor of any third parties or other persons not parties to and executing this Agreement.

H. Negotiated Agreement. This Agreement has been negotiated by the parties and the fact that the initial and final draft will have been prepared by either party or an Intermediary will not give rise to any presumption for or against any party to this Agreement or be used in any form in the construction or interpretation of this Agreement or any of its provisions.

I. Notices. Wherever written notice is required under this Agreement, it will be in writing and either delivered personally, sent by facsimile, overnight mail by a reputable national express mail firm, or by certified mail, return receipt requested to addresses indicated herein.

J. Agency Agreement. If more than one reinsured company is named as a party to this Agreement, the first named company will be deemed the agent of the other reinsured companies for purposes of sending or receiving notices required by the terms and conditions of this Agreement, and for purposes of remitting or receiving any monies due any party.

LPSO R.J.L.

K. Per Risk Coverage. If the described reinsurance is provided on a per risk or per policy basis, this Agreement reinsures each Company listed as a cedent under this Agreement as if each Company were separately reinsured under a separate reinsurance agreement.

L. Per Occurrence Coverage. If the described reinsurance is provided to respond to an occurrence regardless of the number of policies or risks contributing to the ultimate net loss, the retention and the limit of liability of this Agreement for each occurrence will apply to the ultimate net loss of the Companies listed as a cedent under this Agreement as a group and not separately to each of the Companies. The recovery from an occurrence by each such Company under this Agreement will be prorated to each such Company in the proportion that each Company contributed to the whole of the ultimate net loss incurred by the Companies as a group from the occurrence.

M. Aggregate Coverage. If the described reinsurance is provided to respond to the aggregate loss results of the Companies arising from multiple unrelated losses or occurrences, the retention and the limit of liability of this Agreement will apply to the ultimate net loss of the Companies listed as a cedent under this Agreement as a group and not separately to each of the Companies. The recovery by each such Company under this Agreement will be prorated to each such Company in the proportion that each Company contributed to the whole of the ultimate net loss incurred by the Companies as a group.

ARTICLE XXX

INTERMEDIARY

Aon Re Inc., an Illinois corporation, or one of its affiliated corporation duly licensed as a reinsurance intermediary, is hereby recognized as the Intermediary negotiating this Agreement for all business hereunder. All communications (including but not limited to notices, statements, premiums, return premiums, commissions, taxes, losses, loss expenses, salvages, and loss settlements) relating to this Agreement will be transmitted to the Company or the Reinsurers through the Intermediary. Payments by the Company to the Intermediary will be deemed payment to the Reinsurers. Payments by the Reinsurer to the Intermediary will be deemed payment to the Company only to the extent that such payments are actually received by the Company.

2. Without in any way restricting the operation of paragraph (1) of this Clause, this Reinsurance does not cover any loss or liability accruing to the Reassured, directly or indirectly and whether as Insurer or Reinsurer, from any insurance against Physical Damage (including business interruption or consequential loss arising out of such Physical Damage) to:

   I. Nuclear reactor power plants including all auxiliary property on the site, or

   II. Any other nuclear reactor installation, including laboratories handling radioactive materials in connection with reactor installations, and "critical facilities" as such, or

   III. Installations for fabricating complete fuel elements or for processing substantial quantities of "special nuclear material", and for reprocessing, salvaging, chemically separating, storing or disposing of "spent" nuclear fuel or waste materials, or

   IV. Installations other than those listed in paragraph (2) III above using substantial quantities of radioactive isotopes or other products of nuclear fission.

3. Without in any way restricting the operations of paragraphs (1) and (2) hereof, this Reinsurance does not cover any loss or liability by radioactive contamination accruing to the Reassured, directly or indirectly, and whether as Insurer or Reinsurer, from any insurance on property which is on the same site as a nuclear reactor power plant or other nuclear installation and which normally would be insured therewith except that this paragraph (3) shall not operate

   (a) where Reassured does not have knowledge of such nuclear reactor power plant or nuclear installation, or

   (b) where said insurance contains a provision excluding coverage for damage to property caused by or resulting from radioactive contamination, however caused. However on and after 1st January 1960 this sub-paragraph (b) shall only apply provided the said radioactive contamination exclusion provision has been approved by the Governmental Authority having jurisdiction thereof.

4. Without in any way restricting the operations of paragraphs (1), (2) and (3) hereof, this Reinsurance does not cover any loss or liability by radioactive contamination accruing to the Reassured, directly or indirectly, and whether as Insurer or Reinsurer, when such radioactive contamination is a named hazard specifically insured against.

5. It is understood and agreed that this Clause shall not extend to risks using radioactive isotopes in any form where the nuclear exposure is not considered by the Reassured to be the primary hazard.

6. The term "special nuclear material" shall have the meaning given it in the Atomic Energy Act of 1954 or by any law amendatory thereof.

7. Reassured to be sole judge of what constitutes:

   (a) substantial quantities, and

   (b) the extent of installation, plant or site.

NOTE: Without in any way restricting the operation of paragraph (1) hereof, it is understood and agreed that

   (a) all policies issued by the Reassured on or before 31st December 1957 shall be free from the application of the other provisions of this Clause until expiry date or 31st December 1960 whichever first occurs whereupon all the provisions of this Clause shall apply.

   (b) with respect to any risk located in Canada policies issued by the Reassured on or before 31st December 1958 shall be free from the application of the other provisions of this Clause until expiry date or 31st December 1960 whichever first occurs whereupon all the provisions of this Clause shall apply.

(2) Without in any way restricting the operation of paragraph (1) of this Clause it is understood and agreed that for all purposes of this reinsurance all original Boiler and Machinery Insurance or Reinsurance contracts of the Reassured shall be deemed to include the following provisions of this paragraph;

This Policy does not apply to "loss," whether it be direct or indirect, proximate or remote

(a) from an Accident caused directly or indirectly by nuclear reaction, nuclear radiation or radioactive contamination, all whether controlled or uncontrolled; or

(b) from nuclear reaction, nuclear radiation or radioactive contamination, all whether controlled or uncontrolled, caused directly or indirectly by, contributed to or aggravated by an Accident.

(3) However, it is agreed that loss arising out of the use of Radioactive Isotopes in any form is not hereby excluded from reinsurance protection.

(4) Without in any way restricting the operation of paragraph (1) hereof, it is understood and agreed that

(a) all policies issued by the Reassured effective on or before 30th April, 1958, shall be free from the application of the other provisions of this Clause until expiry date or 30th April, 1961, whichever first occurs, whereupon all the provisions of this Clause shall apply,

(b) with respect to any risk located in Canada policies issued by the Reassured effective on or before 30th June, 1958, shall be free from the application of the other provisions of this Clause until expiry date or 30th June, 1961, whichever first occurs, whereupon all the provisions of this Clause shall apply.

PREAMBLE

Wherever the word "Company" is used in this Agreement, such term shall be held to include any and/or all of the companies which are or may hereafter be established or acquired by the Company, provided that notice be given to the Reinsurers of any such company which may hereafter be established or acquired by the Company as soon as practicable, with full particulars as to how such acquisition is likely to affect this Agreement. In the event of either party maintaining that such acquisition calls for alteration in existing terms, and an agreement not being arrived at, then the business of such company is covered only for a period of forty-five (45) days after notice by either party that they do not wish the business so acquired to be covered. The first named

Company shall be the agent of the other named Companies for the purposes of sending or receiving notices or money.

In consideration of the mutual covenants hereinafter contained the parties hereto agree as follows.

ARTICLE I - BUSINESS COVERED

This Agreement applies to claims made during the term of this Agreement on policies in force at the effective date of this Agreement, and on policies written or renewed with an effective date during the term of this Agreement, under binders, policies and/or contracts of insurance or reinsurance written, issued or bound through Environmental Compliance Services and Environmental Compliance Services International on behalf of the Reliance National Division of Company, and classified by the Company as Casualty including General Liability, Owners Contractors Protective Liability, Railroad Protective Liability, Pollution Legal Liability, Pollution and Remediation Legal Liability, Contractors Pollution Liability, Environmental Consultants Errors and Omissions, Consultants Environmental Liability, First Party Clean-Up Coverage, Chemical Distributors Liability, and Products Liability as respects policies issued with limits of indemnity greater than US $2,000,000, CAN $2,500,000 or £1,333,333 (Sterling).

ARTICLE II - TERM AND CANCELLATION

This Agreement shall become effective December 31, 1995, and shall remain in effect through December 30, 1996, both days inclusive, Eastern Standard Time.

In the event of non-renewal hereof, the Reinsurers agree, if required by the Company, to provide coverage in respect of claims first made on or after the expiration date hereof in respect of all policies in force at the date of cancellation or expiration, for the full original policy period including any extended reporting endorsements, that may be in existence at such date, however, the maximum amount recoverable hereunder shall not be increased.

ARTICLE III - TERRITORY

This Agreement is worldwide in scope and shall cover in respect of interests wherever located, as per the original policies.

ARTICLE IV - EXCLUSIONS

This Agreement shall not apply to:

1. Financial Guarantee and Insolvency.

2. Reinsurance Assumed except for intra-company reinsurance between the companies reinsured under this Agreement.

3. Nuclear Incident per Nuclear Incident Exclusion Clauses attached.

4. Business excluded by the Insolvency Funds Exclusion Clause attached hereto.

5. War risks as per original policies.

ARTICLE V - NET RETAINED LINES

This Agreement applies only to that portion of any insurance or reinsurance covered by this Agreement which the Company retains net for its own account, and in calculating the amount of any loss hereunder and also in computing the amount in excess of which this Agreement attaches, only loss or losses in respect of that portion of any insurances or reinsurances which the Company retains net for its own account shall be included.

Intercompany Reinsurance, the Environmental Compliance Services Quota Share and Catastrophe Excess of Loss Reinsurance shall be disregarded in calculating the Net Retained Lines and Ultimate Net Loss.

It is understood and agreed that the amount of the Reinsurer's liability hereunder in respect of any loss or losses shall not be increased by reason of the inability of the Company to collect from any other reinsurer, whether specific or general, any amount which may have become due from them, whether such inability arises from the insolvency of such other reinsurer or otherwise.

Pooling Arrangement

Reliance Insurance Company assumes 100% of the liability of United Pacific Insurance Company, Reliance National Indemnity Company, Reliance National Insurance Company, Reliance Insurance Company of Illinois, and Reliance Insurance Company of California as this business pertains to this Agreement after deduction for facultative reinsurance and ceded captive reinsurance programs. Notwithstanding any other provisions of this Agreement, this Agreement protects such assumed reinsurance liability as if it were written directly by Reliance Insurance Company and attaches prior to

redistribution to those companies under the terms of the Company's intercompany reinsurance pool, which redistribution will be disregarded for all purposes hereunder. With respect to all other named companies set forth in the preamble of this Agreement, this Agreement will apply as provided for in the Net Retained Lines Article. In the event that this Agreement applies on a per risk basis, and a single occurrence affects two or more of the pooling companies named above under different policies, the Company will continue to maintain a separate retention and a separate limit for each risk as if the policies were written by separate companies.

ARTICLE VI - ULTIMATE NET LOSS AND LOSS ADJUSTMENT EXPENSE

Ultimate Net Loss includes the amount of loss paid or payable under the original policies, extra contractual obligations (ECO at 90%) and losses in excess of policy limits (XPL at 90%). In addition, some associated allocated loss expenses are included within the Ultimate Net Loss (see paragraph B below) and some associated allocated loss expenses are covered in addition to the Ultimate Net Loss (see paragraph A below) in accordance with the following:

A. With respect to those parts of Allocated Loss Expenses that do not form part of the limit of liability under Company's original policies, Reinsurer shall be liable in addition to the limit of liability for Ultimate Net Loss for its proportionate share of Allocated Loss Expenses in the same proportion as Ultimate Net Loss payments under this Agreement bear to the total Ultimate Net Loss payments made by Company.

In the event a verdict or judgement is reduced by appeal or settlement, subsequent to the entry of the judgement, resulting in an ultimate saving on that verdict or judgement, or a judgement is reversed outright, the expenses incurred in securing that final reduction or reversal shall be prorated between Reinsurer and Company in the proportion that each benefit from that reduction or reversal and the expense incurred up to the time of the original verdict or judgement being prorated in proportion to each party's interest in that verdict or judgement.

B. With respect to those parts of Allocated Loss Expenses that form part of the limit of liability under Company's original policies Reinsurer shall be liable for the Ultimate Net Loss in excess of Company's retention under this Agreement: that Ultimate Net Loss under the limit and retention of this Agreement consisting of either indemnity payments and those parts of Allocated Loss Expenses as well as extra contractual obligations and losses in excess of policy limits.

"Allocated loss expenses" means all expenses (except for salaries and benefits of Company, its directors, officers and employees, office expenses, overhead and other fixed expenses of Company) allocated by Company to the adjustment of a specific claim under Company's policies including appellate expenses, monitoring expenses and expenses and fees associated with policy coverage and declaratory judgement actions, prejudgment (when not part of indemnity), post-judgment interest and legal costs and expenses associated with extra contractual obligations and losses in excess of policy limits.

LPSO K.C.

The Company shall be the sole judge as to what constitutes each policy.

Wherever the CAN$ or £Sterling equivalent of US$ are referred to above they are based on CAN$ being deemed at a rate of US $0.8: CAN $1, and £Sterling being deemed at a rate of US $1.5: £1.

ARTICLE VIII - REINSTATEMENT

With respect to SECTION B of ARTICLE VII - REINSURANCE COVERAGE, in the event of the whole or any portion of the coverage under this SECTION being exhausted by a loss, the amount so exhausted is automatically reinstated from the time of the loss for three full reinstatements. The Company shall pay to the Reinsurers for each reinstatement an additional premium calculated at pro rata of the net minimum and deposit premium for SECTION B only (being US $440,000 or the equivalent thereof in CAN$ or £Sterling) adjustable at a gross rate of 0.51% of the Company's Environmental Compliance Services General Liability Calendar Year 1996 Gross Net Written Premium Income and at a gross rate of 0.71% of the Company's Environmental Compliance Services Pollution Calendar Year 1996 Gross Net Written Premium Income, being pro rata as to the fraction of the face value hereunder (being US $3,000,000 or the equivalent thereof in CAN$ or £Sterling) reinstated, and 200% as to time.

LPSO K.C.

The additional premium as set forth above shall be calculated and paid by the Company to the Reinsurers as soon as possible following a request by the Company for a loss payment and receipt thereof from Reinsurers. Such reinstatement premium shall be payable in the same currency as the loss relating to such premium payment.

Notwithstanding Reinsurers' liability as set forth above, Reinsurers' liability shall further be limited under SECTION B to a maximum recovery of US $12,000,000 in all (including loss expense) or the equivalent thereof in CAN$ or £Sterling.

Wherever the CAN$ or £Sterling equivalent of US$ are referred to above they are based on CAN$ being deemed at a rate of US $0.8: CAN $1, and £Sterling being deemed at a rate of US $1.5: £1.

ARTICLE IX - PREMIUM AND REPORTS

The Reinsurers shall allow the Company a ceding commission equal to 47.50% on all premiums paid under this Agreement.

The premium to be paid to Reinsurers for coverage under SECTION A and Section B. combined of ARTICLE VII, shall be calculated at a rate of 5.25% of the Company's General Liability Gross Net Written Premium Income and 7.20% of the Company's Pollution Gross Net Written Premium Income.

The term "Gross Net Written Premium Income" shall mean the Calendar Year 1996 gross written premiums applicable to all the Environmental Compliance Services business written subject hereunder less return premiums for cancellations and less premiums paid for reinsurance, if any, recoveries under which would inure to the benefit of this Agreement.

The Company shall pay to the Reinsurers a deposit premium in two installments in advance on December 31, 1995 and June 30, 1996 as follows:

herein, for the term of this Agreement indicating the reinsurance premium due calculated as stipulated above. If the premium due the Reinsurers is greater than the deposit premium paid, an additional premium shall be due and payable to the Reinsurers for the amount in excess thereof. If the premium due the Reinsurers is less than the deposit premium paid then a return premium shall be due and payable to the Company for the difference thereof subject to a minimum premium of US $9,520,000 or its equivalent with CAN$ being deemed at a rate of US $0.8: CAN $1, and with £Sterling being deemed at a rate of US $1.5: £1.

The Company shall also provide the Reinsurers as soon as possible after December 31 any reports which may be necessary for annual statement purposes.

ARTICLE X - EXTRA CONTRACTUAL OBLIGATIONS

"Extra Contractual Obligations" means those liabilities not covered under any other provision of this Agreement and which arise from the handling of any claim on business covered hereunder, such liabilities arising because of, but not limited to, the following: failure by the Company to settle within the policy limit, or by reason of alleged or actual negligence, fraud or bad faith in rejecting an offer of settlement or in the preparation of the defense or in the trial of any action against its Insured or Reinsured or in the preparation or prosecution of an appeal consequent upon such action.

Any Extra Contractual Obligation payment made by the Company is understood to be part of the original loss and the date of such loss, for purposes of this Agreement, shall be the same date of loss as that determined under the original policy.

However, this Article shall not apply where the loss has been incurred due to the fraud of a member of the Board of Directors or a corporate officer of the Company acting individually or collectively or in collusion with any individual or corporation or any other organization or party involved in the presentation, defense or settlement of any claim covered hereunder.

ARTICLE XI - LOSS IN EXCESS OF POLICY LIMITS

However, this Article shall not apply where the loss has been incurred due to the fraud of a member of the Board of Directors or a corporate officer of the Company acting individually or collectively or in collusion with any individual or corporation or any other organization or party involved in the presentation, defense or settlement of any claim covered hereunder.

For the purposes of this Article, the word "loss" shall mean any amounts for which the Company would have been contractually liable to pay had it not been for the limit of the original policy.

ARTICLE XII - CLAIM NOTICE AND LOSS SETTLEMENT

The reinsured shall provide to reinsurers a quarterly bordereau of losses involving policies greater than US $2,000,000 or its equivalent with CAN$ being deemed at a rate of US $0.8: CAN $1 and with £Sterling being deemed at a rate of US $1.5: £1, where a reserve established on such claims exceeds US $200,000 or its equivalent at the forgoing deemed rates.

The Company shall, at any reasonable time, afford the Reinsurers the opportunity to review the Company's claim procedures in accordance with the Access to Records Article herein.

The Reinsurers shall remit immediately their share of any loss covered hereunder upon reasonable evidence for the amount paid or to be paid given in writing by the Company to the Reinsurers.

ARTICLE XIII - CURRENCY

Wherever the word "Dollars" or the "$" sign appears in this Contract, they shall be construed to mean United States dollars (US$), except in those cases where the policies are issued by Company in Canadian Dollars, they shall mean Canadian Dollars (CAN$). Wherever the sign "£" appears in this Contract it shall mean British pounds sterling.

All payments made by either party shall be made in the currency of the original policy except that currencies other than those above shall be converted to sterling at the rate of exchange on the date such transaction is entered in the books of Company.

In the event Company is involved in a loss requiring payment in more than one currency hereunder. Company's retention and the amount recoverable hereunder shall be apportioned in the currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total ultimate net loss from all currencies paid by the Company.

K.C.

ARTICLE XIV - ACCESS TO RECORDS

The Reinsurers or their designated representatives shall have free access at any reasonable time to all policy and claim records of the Company which pertain to this reinsurance.

ARTICLE XV - OFFSET

Each party hereto shall have, and may exercise at any time and from time to time, the right to offset any balance or balances, whether on account of premiums or on account of losses or otherwise, due from each party to the other (or, if more than one, any other) party hereto under this Agreement; provided, however, that in the event of the insolvency of a party hereto, offsets shall be allowed only in accordance with the provisions of applicable insurance law.

ARTICLE XVI - TAX CLAUSE

In consideration of the terms under which this Agreement is issued, the Company undertakes not to claim any deduction of the premium hereon when making Canadian tax returns or when making tax returns other than Income or Profits Tax returns, to any State or Territory of the United States of America or to the District of Columbia.

ARTICLE XVII - FEDERAL EXCISE TAX

(Federal Excise Tax applies only to those Reinsurers, except underwriters at Lloyd's, London and other Reinsurers exempt from the Federal Excise Tax, who are domiciled outside the United States of America.)

A. The Reinsurers have agreed to allow, for the purpose of paying the Federal Excise Tax, the applicable rate of the premium payable hereon to the extent such premium is subject to Federal Excise Tax.

B. In the event of any return premium becoming due hereunder, the Reinsurers will deduct the applicable amount of Federal Excise Tax from the amount of the return and the Company or its Reinsurance Broker should take steps to recover the Tax from the United States Government.

ARTICLE XVIII - ERRORS AND OMISSIONS

Any delays, omissions or errors inadvertently made in conjunction with this Agreement shall not be held to relieve either party hereto from any liability which would attach to it hereunder if such delay, omission, or error had not been made, provided such delay, omission or error is sought to be rectified as soon as possible after discovery.

ARTICLE XIX - INSOLVENCY

In the event of the insolvency of one or more than one of the Companies reinsured by this Agreement, this reinsurance shall be payable directly to the insolvent Company(ies), or to its liquidator, receiver, conservator or statutory successor, on the basis of the liability of the insolvent Company(ies) without diminution because of the insolvency of one or more than one of the Companies reinsured by this Agreement or because the liquidator, receiver, conservator or statutory successor of the insolvent Company(ies) has failed to pay all or a portion of any claim. It is agreed, however, that the liquidator, receiver, conservator or statutory successor of the insolvent Company(ies) shall give written notice to the Reinsurer of the pendency of a claim against the insolvent Company(ies), indicating the policy or bond reinsured, which claim would involve a possible liability on the part of the Reinsurer within a reasonable time after such claim is filed in the conservation or liquidation proceeding or in the receivership, and that during the pendency of such claim the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses that it may deem available to the insolvent Company(ies) or its liquidator, receiver, conservator or statutory successor. The expense thus incurred by the Reinsurer shall be chargeable, subject to the approval of the Court, against the insolvent Company(ies) as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the insolvent Company(ies) solely as a result of the defense undertaken by the Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expenses shall be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by the insolvent Company(ies).

The reinsurance shall be payable by the Reinsurer to the insolvent Company(ies) or to its liquidator, receiver, conservator or statutory successor, except as provided by applicable insurance law or except (1) where the Agreement specifically provides another payee of such reinsurance in the event of the insolvency of the Company(ies) and (2) where the Reinsurer with the consent of the direct insured or insureds has assumed such

K.C.

policy obligations of the insolvent Company(ies) as direct obligations of the Reinsurer to the payees under such policies and in substitution for the obligations of the insolvent Company(ies) to such payees. Prior to the implementation of a novation, any assumption certificates on New York risks must be approved in advance by the Superintendent of Insurance for New York.

ARTICLE XX - ARBITRATION

Any and all disputes between the Company and the Reinsurer arising out of, relating to, or concerning this Agreement, whether sounding in contract or tort and whether arising during or after termination of this Agreement, shall be submitted to the decision of a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration shall be conducted under the Federal Arbitration Act and shall proceed as follows:

(A) Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, shall be in writing and shall be sent certified or registered mail, return receipt requested to the affected parties. The notice requesting arbitration shall state in particulars all issues to be resolved in the view of the claimant, shall appoint the arbitrator selected by the claimant and shall set a tentative date for the hearing, which date shall be no sooner than ninety (90) days and no later than one hundred fifty (150) days from the date that the notice requesting arbitration is mailed. Within thirty (30) days of receipt of claimant's notice, the respondent shall notify claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

(B) Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board shall be impartial and disinterested and shall be active or retired lawyers, familiar with insurance and reinsurance, or active or retired officers of property-casualty insurance companies, reinsurance companies or Lloyd's Underwriters. The Company and the Reinsurer as aforesaid shall each appoint an arbitrator and the two (2) arbitrators shall choose an umpire before instituting the hearing. As time is of the essence, if the respondent fails to appoint its arbitrator within thirty (30) days after having received claimant's written request for arbitration, the claimant is authorized to and shall appoint the second arbitrator. If the two arbitrators fail to agree upon the appointment of an umpire within thirty (30) days after notification of the appointment of the second arbitrator, within ten (10) days thereof, the two (2) arbitrators shall request the American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the

LPSO K.C.

qualifications set forth above in this Article. If the AAA fails to name an umpire, either party may apply to the court named below to appoint an umpire with the above required qualifications. The umpire shall promptly notify in writing all parties to the arbitration of his selection and the scheduled date for the hearing. Upon resignation or death of any member of the Board, a replacement shall be appointed in the same fashion as the resigning or deceased member was appointed.

(C) Submission of Briefs. The claimant and respondent shall each submit initial briefs to the Board outlining the issues in dispute and the basis, authority, and reasons for their respective positions within thirty (30) days of the date of notice of appointment of the umpire. The claimant and the respondent may submit reply briefs to the Board within ten (10) days after filing of the initial brief(s). Initial and reply briefs may be amended by the submitting party at any time, but not later than ten (10) days prior to the date of commencement of the arbitration hearing. Reasonable responses shall be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

(D) Arbitration Award. The Board shall make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the custom and usage of the property and casualty insurance and reinsurance business which decision and award shall be in writing and shall state the factual and legal basis for the decision and award. The decision and award shall be based upon a hearing in which evidence shall be allowed and which the formal rules of evidence shall not strictly apply but in which cross examination and rebuttal shall be allowed. At its own election or at the request of the Board, either party may submit a post-hearing brief for consideration of the Board within twenty (20) days of the close of the hearing. The Board shall make its decision and award within thirty (30) days following the close of the hearing or the submission of post-hearing briefs, whichever is later, unless the parties consent to an extension. Every decision by the Board shall be by a majority of the members of the Board and each decision and award by the majority of the members of the Board shall be final and binding upon all parties to the proceeding. Either party may apply to a Court of competent jurisdiction for an order confirming any decision and the award; a judgement of that Court shall thereupon be entered on any decision or award. If such an order is issued, the attorney's fees of the party so applying and court costs will be paid by the party against whom confirmation is sought. The Board may award interest at a rate of two hundred (200) basis points above the prime rate as published in the Wall Street Journal on the

LPSO K.C.

date of the award by the Board calculated from the date the Board determines that any amounts due the prevailing party should have been paid to the prevailing party but may not award punitive, exemplary, or treble damages.

(E) Arbitration Expense. Except in the event of a consolidated arbitration, each party shall bear the expense of the one arbitrator appointed by it and shall jointly and equally bear with the other party the expense of any stenographer requested, and of the umpire. The remaining costs of the arbitration proceedings shall be finally allocated by the Board.

(F) Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration shall have the obligation to produce those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the umpire shall determine in his/her sole discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision and award by the Board. The umpire shall be the final judge of the procedures of the Board, the conduct of the arbitration, of the rules of evidence, the rules of privilege and production and of excessiveness and relevancy of any witnesses and documents upon the petition of any participating party. To the extent permitted by law, the Board and the umpire shall have the authority to issue subpoenas and other orders to enforce their decisions.

(G) Equitable Relief. Nothing herein shall be construed to prevent any participating party from applying to a federal district court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board. The Board shall also have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing and decision and award by the Board.

(H) Consolidated Hearing. Upon request of Company made within thirty (30) days of the umpire's appointment, the Board may order a

consolidated hearing between Company and all affected reinsurers to this Agreement if the Board is satisfied in its discretion that the issues in dispute affect more than one reinsurer and a consolidated hearing would be in the interest of fairness and a prompt resolution of the issues in dispute. If the Board orders a consolidated hearing, all other affected participating reinsurers shall join and participate in the arbitration at Company's request under time frames established by the umpire and will be bound by the Board's decision and award unless excused by the Board in its discretion. Any reinsurer may decline to actively participate in a consolidated arbitration if in advance of the hearing, that reinsurer shall file with the Board a written agreement satisfactory to the Board to be bound by the decision and award of the Board in the same fashion and to the same degree as if it actively participated in the arbitration.

In the event of an order of consolidation by the Board, the arbitrator appointed by the original reinsurer shall be subject to being and may be replaced within thirty (30) days of the Board's order of consolidation by an arbitrator named by the reinsurer with the largest participation in this Agreement affected by the dispute. In the event two or more reinsurers affected by the dispute each have the same largest participation, they shall agree among themselves as to the replacement arbitrator, if any, to be appointed. The umpire shall be the final determiner in the event of any dispute over replacement of that arbitrator. All other aspects of the arbitration shall be conducted as provided for in this Article provided that (1) each party actively participating in the consolidated arbitration will have the right to its own attorney, position, and related claims and defenses; (2) each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and (3) the cost and expense of the arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board shall determine to be fair and appropriate under the circumstances.

ARTICLE XXI - SERVICE OF SUIT

(This Article is applicable only to an unauthorized Reinsurer in the State of New York or to the Reinsurer who is domiciled outside the United States of America.)

It is agreed that in the event of any dispute or the failure of the Reinsurer hereon to pay any amount claimed to be due hereunder, the Reinsurer hereon, at the request of the Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States of America.

Nothing in this clause constitutes or should be understood to constitute a waiver of the Reinsurer's rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any State in the United States.

It is further agreed that service of process in such suit may be made upon Messrs. Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829, and that in any suit instituted against any one of them upon this contract, the Reinsurer will abide by the final decision of the Court or of any Appellate Court in the event of an appeal.

The above-named are hereby authorized and directed to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon the Reinsurer's behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the Reinsurer hereon hereby designates the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this contract of reinsurance, and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or true copy thereof.

ARTICLE XXII - SECURITY AND UNAUTHORIZED REINSURANCE

A. If any Reinsurer is unauthorized or otherwise unqualified in any state or other United States jurisdiction, and if, without such security, a

financial penalty to Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of Company's financial security and condition, that Reinsurer will secure, at the inception hereof and within thirty (30) days after the end of each calendar quarter (but no later than December 31 of each year as respects the fourth quarter), its share of "obligations" under this Agreement in a manner, form and amount acceptable to Company and to all applicable regulatory authorities by either:

1. Clean, irrevocable, and unconditional evergreen letter(s) of Credit issued and confirmed, if confirmation is required by the applicable insurance regulatory authorities, by a bank or banks meeting the NAIC Securities Valuation Office credit standards for issuers of letters of credit and acceptable to Company and those insurance regulatory authorities;

2. A trust fund meeting at least the standards of New York's Insurance Regulation 114.

3. Cash advances or funds withheld or a combination of both ("deposit of funds").

The initial amount of this security shall be delivered to the Company no later than the first December 31 following the effective date of this Agreement. If Reinsurer fails to provide the security as required by this paragraph by the first December 31st following the effective date of this Agreement, or any anniversary thereof, Reinsurer will secure its obligations under this Agreement at a time, in a manner and form from among the above three options, and in an amount, all as designated by and acceptable to Company in its sole discretion and to insurance regulatory authorities.

B. The "obligations" referred to herein shall mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which Reinsurer is responsible;

2. The amount of paid losses and allocated loss adjustment expenses paid by Company for which Reinsurer is responsible but not yet recovered from the Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss adjustment expenses, for which Reinsurer is responsible;

4. The amount of ceded reserves for the development of losses reported and outstanding, as well as for the development of allocated loss adjustment expenses, for which Reinsurer is responsible;

5. The amount of return and refund premiums for which Reinsurer is responsible but not yet recovered from Reinsurer.

C. If any Reinsurer is unauthorized in any province or jurisdiction of Canada, that Reinsurer agrees to fund one hundred fifteen percent (115%) of its share of Company's ceded Canadian unearned premium and outstanding loss and loss adjustment expense reserves by cash advances, if, without such funding, a penalty would accrue to Company on any financial statement it is required to file with the insurance regulatory authorities involved.

D. Company, or its successors in interest may draw, at any time and from time to time upon the:

1. established letter of credit (or subsequent cash deposit);

2. established trust fund (or subsequent cash deposit); or

3. deposit of funds;

without diminution or restriction because of the insolvency of either Company or Reinsurer for one or more of the following purposes:

a. To make payment to and reimburse Company for Reinsurer's share of paid loss and allocated loss adjustment expense paid by Company under its "subject policies" and for which Reinsurer is responsible under this Agreement that is due to Company but unpaid by Reinsurer;

b. To make payments to Reinsurer of any amounts held thereby that exceed the amount required to fund Reinsurer's "obligations" under this Agreement provided that if a trust fund is applicable, only the excess of one hundred two (102%) percent of the amount required to fund Reinsurer's "obligations" may be released.

c. To make payment to and reimburse Company for other amounts due Company under this Agreement from Reinsurer including but not limited to Reinsurer's share of premium refunds and returns; and

d. To obtain a cash deposit of the entire amount of the remaining balance under the established letter of credit or established trust fund ("cash deposit") in the event that Company:

(i) has received notice of non-renewal or expiration of the letter of credit or trust fund;

(ii) has not received assurances satisfactory to Company of any required increase in the amount of the trust fund or letter of credit, or its replacement or other continuation of the letter of credit at least thirty (30) days before its stated expiration date;

(iii) has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit or trust fund; or

(iv) has concluded that the trustee or issuing (or confirming) bank's financial condition is such that the security represented by the trust fund or letter of credit may be in jeopardy;

and under any of those circumstances where Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least thirty (30) days prior to the stated expiration date or at the time Company learns of the possible jeopardy to the security represented by the letter of credit or trust fund.

E. If Company draws on the letter of credit or trust fund to obtain a cash deposit, Company shall hold the amount of the cash deposit so obtained in the name of Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to Reinsurer:

(1) upon the complete and final liquidation and discharge of all the Reinsurer's obligations to Company under this Agreement; or

(2) in the event Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to Company.

F. Company will prepare and forward at least quarterly to Reinsurer a statement for the purposes of this Article, showing Reinsurer's share

of "obligations" as set forth above. If Reinsurer's share thereof exceeds the then existing balance of the security provided, Reinsurer shall, within fifteen (15) days of receipt of Company's statement, but never later than December 31 of any year, increase the amount of the deposit of funds, the trust fund, the letter of credit, or the cash deposit to the required amount of Reinsurer's share of "obligations" set forth in Company's statement.

Subject to the one hundred two (102%) percent restraints with respect to trust funds, if Reinsurer's share thereof is less than the then existing balance of the deposit of funds, trust account, letter of credit, or cash deposit as provided for above, Company will release the excess thereof to Reinsurer upon Reinsurer's written request.

G. Reinsurer shall not attempt to prevent Company from holding the deposit of funds, drawing on the letter of credit or trust fund or holding the cash deposit so long as Company is acting in accordance with this Article.

H. The assets deposited in the trust fund shall be valued according to their current fair market value and shall consist only of cash (U.S. legal tender), certificates of deposit issued by a United States Bank and payable in cash, and investments of the types specified in Section 1404 (a)(1)(2)(13) of the New York Insurance Law. Investments issued by the parent, subsidiary, or affiliate of either Company or Reinsurer shall not be eligible investments. All assets so deposited shall be accompanied by all necessary assignments, endorsements in blank, or transfer of legal title to the trustee in order the Company may negotiate any such assets without the requirement of consent or signature from reinsurer or any other entity.

I. All settlements of account between Company and Reinsurer shall be made in cash or its equivalent.

J. Company's "successors in interest" shall include those by operation of law, including without limitation, any liquidator, rehabilitator, receiver, or conservator.

K. Any income earned and received by the amount held in a trust fund shall be added to the principal thereof.

L. Reinsurer will take any other reasonable steps that may be required for Company to take full credit on its statutory financial statements for the reinsurance provided by this Agreement.

M. Company may apply the Canadian cash advances under paragraph C above to satisfy Reinsurer's obligations to Company in the same fashion as if it were drawing on the letter of credit (or subsequent cash deposit), trust accounts or deposit of funds.

ARTICLE XXIII - PREMIUM LETTERS OF CREDIT

Non admitted reinsurers hereon agree to provide a Premium Letter of Credit for the funding purposes. The amount of such funding on this treaty is calculated by applying the following criteria and rates.

12 MONTHS	24 MONTHS	36 MONTHS	48 MONTHS
30%	30%	20%	0%

The amount of such funding shall constitute the percentage shown of the positive difference between the Ceded Earned Premium, for sections A and B, received by reinsurers, net of ceding commission and the total of all ceded paid losses, ceded paid allocated loss expenses and ceded case reserves net of reinstatement premiums. However, such funding not to exceed the amount required to offset the actual schedule F. penalty to $3m xs $2m.

The first calculation of the funding shall be made at December 31st, 1996 and shall be recalculated at 12 month intervals until 36 months after the initial calculation when the Company agrees to return the Letter of Credit to Reinsurers.

For purposes of this provision any LOC issued shall be advanced in the equivalent amount of US$ only and funding shall not exceed the amount required to offset the actual schedule F. penalty to the limits exposing this contract.

The amount of the Reinsurers' liability hereunder in respect of any loss shall not be increased by reason of the inability of the Reinsured to collect from any other Reinsurers, whether specific or general, any amounts which may have become due from them whether such inability arises from the insolvency of such other Reinsurers or otherwise.

Notwithstanding the foregoing, reinsurances, if any, effected by any Treaty Reinsurers and/or Subsidiary and/or Associated Companies protected hereunder shall not be taken into account in computing the ultimate net loss in excess of which this Contract attaches, nor in any way affect the amount recoverable hereunder.

Before they enter upon a reference the two arbitrators shall appoint a third arbitrator. Should they fail to appoint such a third arbitrator within 30 days of the appointment of the respondent's arbitrator then either of them or either of the parties may apply to the appointor for the appointment of the third arbitrator. The three arbitrators shall decide by majority. If no majority can be reached the verdict of the third arbitrator shall prevail. He shall also act as chairman of the tribunal.

ADDITIONAL WORDINGS & CLAUSES

ARTICLE 15 LAW AND JURISDICTION CLAUSE

This Contract shall be governed by and construed in accordance with English law and the English courts shall have exclusive jurisdiction.

ARTICLE 16 DIRECTORS AND OFFICERS LIABILITY EXCLUSION CLAUSE (LSW326)

This Contract shall exclude all cover in respect of directors and officers liability insurances covering "wrongful acts" committed or attempted by directors or officers of an insured company.

Notwithstanding the foregoing this Contract shall not exclude cover in respect of liability incurred by the Reinsured caused by or resulting from personal injury, bodily injury, sickness, disease or death of any person or damage to or destruction of any tangible property including loss of use resulting therefrom.

The term "wrongful act" shall mean any actual or alleged error or mis-statement or misleading statement or omission or neglect or breach of duty by the directors and officers in the discharge of their duties individually or collectively claimed against them solely by reason of their being directors or officers of the company.

ARTICLE 17 EXTRA CONTRACTUAL OBLIGATIONS CLAUSE (LSW327)

This Contract shall exclude all cover in respect of extra contractual obligations howsoever arising, such extra contractual obligations being defined as any award made by a court of competent jurisdiction against an Insurer or Reinsurer, which award is not within the coverage granted by any insurance and/or reinsurance contract made between the parties in dispute.

Notwithstanding the foregoing this Contract shall extend to cover any loss arising from a "claims related extra contractual obligation"

(a) awarded against the Reinsured or

(b) incurred by the Reinsured where they have paid their share of a "claims related extra contractual obligation" awarded against one or more of their co-insurers.

It is warranted that any recovery under this Contract in respect of "claims related extra contractual obligation" shall only be for that part of any award which corresponds to the Reinsured's share of the insurance and/or reinsurance policy and/or contract giving rise to the award and all proportional protection effected by the Reinsured shall provide or shall be deemed to provide pro-rata coverage for such obligations.

This Contract shall also extend to cover all loss from extra contractual obligations howsoever arising where the loss is incurred by the Reinsured as a result of their participation in any insurance or reinsurance which provides cover for such loss, it being understood and agreed that such loss results from a contractual liability incurred by the Reinsured.

A "claims related extra contractual obligation" shall be defined as the amount awarded against an Insurer or Reinsurer found liable by a court of competent jurisdiction to pay damages to an Insured or Reinsured in respect of the conduct of a claim made under an insurance and/or reinsurance policy and/or contract, where such liability has arisen because of:

(a) the failure of the Insurer or Reinsurer to agree or pay a claim within the policy limits or to provide a defence against such claims as required by law or

(b) bad faith or negligence in rejecting an offer of settlement or

(c) negligence or breach of duty in the preparation of the defence or the conduct of a trial or the preparation or prosecution of any appeal and/or subrogation and/or any subsequent action resulting therefrom.

There shall be no liability under this Contract in respect of:

(a) any assumption of liability by way of participation in any mutual scheme designed specifically to cover extra contractual obligations; or

(b) any extra contractual obligation arising from the fraud of a director, officer or employee of the Reinsured acting individually or collectively or in collusion with an individual or corporation or with any other organisation or party involved in the presentation defence or settlement of any claim.

Any loss arising under this Contract in respect of "claims related extra contractual obligations" shall be deemed to be a loss arising from the same event as that giving rise to the claim to which the extra contractual obligation is related; but recovery hereunder is subject to the insurance and/or reinsurance policy and/or contract which gives rise to the extra contractual obligation falling within the scope of this Contract.

ARTICLE 18 AVIATION GROUNDING LIABILITY COMBINED CLAUSE (LSW330A)

A. As regards losses arising under any and/or all Excess of Loss Reinsurance Accounts and Proportional Treaty Portfolios protected by this Contract the following provision shall apply.

AVIATION GROUNDING LIABILITY REINSURANCE CLAUSE

There shall be no recovery hereunder in respect of risks attaching on or after 1st December 1981 for that part of any loss arising from grounding liability which exceeds the limitations set out in the AVIATION GROUNDING LIABILITY CLAUSE; as more fully set forth in B. below.

B. As regards losses other than as set forth in A. above the following provision shall apply.

AVIATION GROUNDING LIABILITY CLAUSE

To apply to Original Risks incepting prior to 1st December 1994:

In the event of an aircraft accident and/or loss and/or discovery which subsequently results in aircraft being grounded because of investigations made resulting from the said accident and/or loss and/or discovery such grounding shall be considered, for the purposes of this Contract, as one occurrence resulting from a single accident and/or loss and/or discovery which (for the purposes of recovery under this Contract) shall then be added to the Reinsured's other losses (if any) resulting from the aforementioned accident.

Nevertheless, as regards such aviation grounding liability coverage, Reinsurers hereunder shall not be liable for more than their share of an original grounding loss/occurrence to insurers of US or CAN$100,000,000 (or the equivalent in other currencies at the date of acceptance of the risk by the Reinsured) to any one original Insured or so deemed. Such loss/occurrence to be defined as a continuous period of withdrawal of aircraft from flight operations arising from one common cause or suspected cause, it being understood that, if grounding is the result of an accident to aircraft, then for the purposes of establishing the foregoing limits, other losses emanating from the accident shall not be included in the grounding losses.

To apply to Original Risks incepting on or after 1st December 1994:

In the event of an aircraft accident and/or loss which subsequently results in aircraft being grounded because of investigations made resulting from the said accident and/or loss such grounding shall be considered, for the purposes of this Contract, as one occurrence resulting from a single accident and/or loss which (for the purposes of recovery under this Contract) shall then be added to the Reinsured's other losses (if any) resulting from the aforementioned accident.

ARTICLE 8 NOTIFICATION OF CLAIMS CLAUSE

The Reinsured undertake to advise the Reinsurers as soon as practicable of any claim arising hereunder, together with an estimate of the Reinsurers' liability where possible.

ARTICLE 9 CURRENCY CONVERSION CLAUSE

All transactions effected by the Reinsured in currencies other than the currency(ies) in which this Contract is written shall be converted into Canadian Dollars at the rate(s) of exchange used by the Reinsured in their records.

If this Contract is written in two or more currencies then in the event of the Reinsured becoming involved in a loss applicable to this Contract requiring payment in two or more of such currencies, the sum payable hereunder shall be apportioned in the proportion that the amount of each currency bears to the total amount of the loss sustained by the Reinsured. For the purposes of calculating the Priority and Indemnity hereunder the amounts involved shall be reduced to a common currency by using the currency ratios established in the REINSURING CLAUSE.

ARTICLE 10 AMENDMENTS AND ALTERATIONS CLAUSE

Any amendments or alterations to this Contract that are agreed between the parties herein shall be automatically binding and shall be considered as forming an integral part of this Contract.

ARTICLE 11 INSPECTION OF RECORDS CLAUSE

All documentation in the possession of the Reinsured and in any way connected with any risk covered hereunder shall be, at all reasonable times, open to inspection by the Reinsurers or their nominees at the offices of the Reinsured or such places as may be agreed to between the parties herein.

ARTICLE 12 ERRORS AND OMISSIONS CLAUSE

Any inadvertent delays, omissions or errors made in connection with this Contract shall not be held to relieve either of the parties hereto from any liability which would have attached to them hereunder if such delay, omission or error had not been made, provided rectification be made as soon as practicable after discovery.

ARTICLE 13 DOCUMENTATION CLAUSE

All documentation and financial transactions relating to this Contract shall be transmitted between the Reinsured and the Reinsurers through the intermediary of:-

Johnson & Higgins Ltd.
The Bowring Building
Location SIC (Mail Point 16)
P.O. Box 145
Tower Place
London
EC3P 3BE

ARTICLE 3 INTERLOCKING CLAUSE

In the event of a loss occurring hereunder for any sum in excess of the Priority of this Contract involving two or more policies accepted by the Reinsured attaching to different periods of reinsurance, then such Priority shall be reduced to that percentage thereof which the Reinsured's settled loss(es) on such policy(ies) attaching to the period of this Contract bears to the total of the Reinsured's settled losses arising out of all such policies contributing to the loss. The Indemnity shall likewise be computed in the same manner.

ARTICLE 4 REINSURING CLAUSE

Reinsurers shall only be liable if and when the ultimate net loss paid by the Reinsured in respect of the interest as defined herein exceeds CAN$1,000,000 or currency equivalent each and every loss (herein referred to as the "Priority").

The Reinsurers shall thereupon be liable for the amount of the excess thereof but their liability under this Contract is limited to CAN$4,000,000 or currency equivalent each and every loss (herein referred to as the "Indemnity").

For the purposes of this Contract the term "each and every loss" shall be understood to mean "each and every loss or accident or occurrence or series thereof arising out of one event".

ARTICLE 5 REINSTATEMENT CLAUSE

In the event of a loss occurring hereunder the amount of liability exhausted shall be automatically reinstated from the time of such occurrence. Nevertheless, the Reinsurers shall not be liable for more than the Indemnity as stated in the REINSURING CLAUSE up to a total liability as determined by the number of reinstatements provided for herein.

At the same time as the loss is settled hereunder the Reinsured shall pay to the Reinsurers an additional premium subject to the provisions of paragraph three below and calculated in accordance with the provisions of the PREMIUM CLAUSE. Such additional premium shall be payable in the same currency or currencies in which the loss is paid by applying the rates of exchange in the PREMIUM CLAUSE.

This Contract shall be subject to the following number of full reinstatements at the amount(s) of additional premium as stipulated below:-

REINSTATEMENT(S)	AMOUNT
FIRST	CAN$375,000
SECOND	CAN$375,000

The foregoing additional premium shall be based on the Indemnity of this Contract, lesser amounts being calculated on a pro rata basis, the date of loss for this purpose being disregarded.

If the loss is settled prior to any premium adjustment provided for in the PREMIUM CLAUSE then the additional premium shall be initially calculated on the deposit premium and subsequently adjusted when the premium adjustments are made.

For all purposes of this Contract, losses shall be considered in chronological order of their occurrence, but this shall not preclude the Reinsured from making provisional collections in respect of losses which may ultimately not be recoverable hereon.

Nevertheless, as regards such aviation grounding liability coverage, Reinsurers hereunder shall not be liable for more than their share of an original grounding loss/occurrence to insurers of US or CAN$100,000,000 (or the equivalent in other currencies at the date of acceptance of the risk by the Reinsured) to any one original Insured or so deemed, where such insured is the airframe/power plant manufacturer contributing to such loss. Reinsurers hereunder shall not be liable for more than their share of an original grounding loss/occurrence to insurers of US or CAN$125,000,000 (or the equivalent in other currencies at the date of acceptance of the risk by the Reinsured) to any one original Insured or so deemed, where such insured is a subcontractor to the airframe/power plant manufacturer. Such loss/occurrence to be defined as a continuous period of withdrawal of aircraft from flight operations arising from one common cause or suspected cause, it being understood that, if grounding is the result of an accident to aircraft, then for the purposes of establishing the foregoing limits, other losses emanating from the accident shall not be included in the grounding losses.

ARTICLE 19 SEEPAGE AND POLLUTION EXCLUSION CLAUSE (LSW331)

For the purposes of this Contract, clause AVN46B or its equivalent, is deemed to be incorporated in all policies accepted by the Reinsured.

Nevertheless for the purposes of this Contract it is agreed that in respect of aviation fuelling, defuelling, refuelling and products legal liability policies paragraph I(b) of clause AVN46B or its equivalent is amended to read "pollution and contamination of any kind whatsoever other than pollution and contamination of a product or products sold or supplied".

ARTICLE 20 LOSS SETTLEMENTS COMBINED CLAUSE (LSW334)

A. As regards loss settlements under any and/or all Excess of Loss Reinsurance Accounts and Proportional Treaty Portfolios protected by this Contract the following provision shall apply.

LOSS SETTLEMENTS REINSURANCE CLAUSE

All loss settlements by the Reinsured including compromise settlements and the establishment of Funds for the settlement of losses shall be binding upon the Reinsurers, providing such settlements are within the terms and conditions of the original policies and/or contracts (or as provided for in the EXTRA CONTRACTUAL OBLIGATIONS CLAUSE) and within the terms and conditions of this Contract.

B. As regards loss settlements other than as set forth in A. above the following provision shall apply.

LOSS SETTLEMENTS CLAUSE

All loss settlements by the Reinsured including compromise settlements and the establishment of Funds for the settlement of losses shall be binding upon the Reinsurers, providing such settlements are within the terms and conditions of the original policies and/or contracts (or as provided for in the EXTRA CONTRACTUAL OBLIGATIONS CLAUSE) and within the terms and conditions of this Contract. However where the Reinsured acts in the capacity as a Leading Underwriter on the business protected by this Contract and are called upon to establish a Fund in respect of a loss or losses which may form the whole or part of a claim within the terms and conditions of this Contract (including provisional collections in respect of claims which ultimately may not be recoverable hereon) such Fund shall only be binding upon the Reinsurers subject to prior notice being given and agreement obtained from leading Lloyd's Underwriter and leading Company hereon if this Contract is affected by the establishment of such a Fund.

For the purposes of this clause the term "Leading Underwriter" shall be understood to mean those Underwriters involved in negotiating the establishment of the Fund.

ARTICLE 21 WAR RISKS HIJACKING CLAUSE B (HULL WAR INCLUDED) (LSW342)

For the purposes of this Contract clause AVN48B shall be understood to mean clause AVN48B or any similar clause used in substitution thereof. The clause applicable hereto shall be that in use in the policy issued by the Reinsured under which the claim falls or, in the absence of such clause, that then in current use.

Part 1. HIJACKING (LOSSES IN FLIGHT) CLAUSE

As regards losses to or in Aircraft in flight (as hereinafter defined) arising from perils as stipulated in paragraph (g) of clause AVN48B (whether or not such losses are actually paid because of the coverage afforded by paragraph (g)), the Priority and Indemnity hereon shall be applied to the total of all losses paid by the Reinsured which are covered hereunder which occur whilst such aircraft is in flight and which arise out of or follow from each act of hijack separately. For the purposes of this part the time of the loss shall be taken as the time the hijacker first makes his presence known.

For the purposes of this clause a "flight" shall be deemed to begin when the aircraft moves forward when taking off and shall be deemed to end when the machine comes to rest after making contact with the ground and/or water.

Part 2. DEFINITION OF COVERAGE FOR CERTAIN PERILS

As regards losses arising from perils as stipulated in clause AVN48B (whether or not such losses are actually paid because of the coverage afforded by clause AVN48B) other than losses covered by the provisions of Part 1 above, for the purposes of this Contract the term "any one event" shall be understood to mean:

"All such losses sustained by the Reinsured which occur during any one period of 24 consecutive hours and within an area of radius 10 miles which arise from one of the perils stipulated in clause AVN48B".

The Reinsured may select both the point from which the 10 mile radius applies and also the moment from which the period of 24 hours shall be deemed to commence. No area, however, may be selected which overlaps another area selected for the purposes of making a recovery hereunder in respect of losses occurring at the same time. No period of 24 hours may commence earlier than the date and time of the happening of the first recorded individual loss to the Reinsured (in respect of the claim under consideration) nor prior to the inception of this Contract. Furthermore in respect of any one location already included in a selected area, no period of 24 hours may commence prior to the expiry of any previously selected 24 hour period.

Notwithstanding the foregoing it is a condition of this Contract that the perils stipulated in paragraph (b) of clause AVN48B are excluded entirely from the protection of this Contract.

ARTICLE 22 NON-PROPORTIONAL REINSURANCE EXCLUSION CLAUSE (LSW344)

This Contract does not cover the Reinsured's acceptances of Non-Proportional Reinsurance OTHER THAN

(i) facultative reinsurance of an Insurer / Reinsurer of an original Insured, including so called "risk excesses", and/or

(ii) reinsurance covering solely insurance policies whose insured's centre of operations is in the same country as the principal office of the original insurers, and/or

(iii) as may be agreed and recorded by endorsement hereon.

ARTICLE 23 SPACE EXCLUSIONS CLAUSE (LSW345)

This Contract EXCLUDES the Reinsured's loss or liability howsoever insured or reinsured in respect of:

(a) actual or contingent "All Risks" or "War Risks" policies or the like, of any satellite or launch vehicle

and

(b) loss, damage or failure of any satellite or launch vehicle which occurs before, during or after launch, or in orbit; and loss of use, business interruption and/or consequential loss arising from the said loss, damage or failure OTHER THAN liability arising out of loss of or damage to property of third parties including loss of or damage to:

(i) a satellite after in-flight separation from its launch vehicle, and

(ii) a satellite, launch vehicle or other property not participating in the launch which causes the said loss or damage

and

(c) "Products" cover in policies / contracts underwritten by the Reinsured which incept on or after 1st April 1992 in excess of the Reinsured's proportion of the following original limits for any one original loss any one satellite any one original insured:

(i) US$250,000,000 or

(ii) US$125,000,000 whilst two or more satellites are on board the same launch vehicle.

CONDITION PRECEDENT

It is a condition precedent to any liability hereon that the Reinsured has taken all reasonable precautions to ensure that customary contract clauses incorporating hold harmless agreements, waivers and indemnities are in place for the benefit of prime contractors and, wherever possible, for the benefit of all sub-contractors.

ARTICLE 24 RESIDUAL VALUE INSURANCE EXCLUSION CLAUSE (LSW346)

As used herein: "Residual Value" means the future value of an asset howsoever described or ascertained.

This Contract shall exclude coverage in respect of any loss or liability in respect of insurance or reinsurance of which the principal purpose is wholly or partly to contribute to or to guarantee, pay, protect, or support Residual Value or any reduction thereof, howsoever insured PROVIDED THAT insurance or reinsurance of accidental physical loss or damage is not excluded hereby.

ARTICLE 25 WAR, POLITICAL AND LIKE PERILS CLAUSE (B) (LSW349A)

An extra contractual obligation will be deemed to have occurred on the same date as the loss covered or alleged to be covered under the policy that gave rise to the extra contractual obligation. This Agreement will not apply to any extra contractual obligation incurred by the Company as the result of any fraudulent or criminal act directed against the Company by any officer or director of the Company acting individually or collectively or in collusion with any other organization or party involved in the presentation, defense, or settlement of any claim under this Agreement.

"Loss in excess of policy limits" means any amount of loss paid by the Company in excess of its policy limits, but otherwise within the coverage terms of the policy, as a result of a claim against it by its insured or its insured's assignee to recover damages the insured is legally obligated to pay to a third party claimant because of the Company's (or its third party administrator's) alleged or actual negligence or bad faith in rejecting a settlement within the policy limits, or in discharging its duty to defend or prepare the defense in the trial of an action against its insured, or in discharging its duty to prepare or prosecute an appeal consequent upon such an action. This Agreement will not apply to any loss in excess of policy limits incurred by the Company as the result of any fraudulent or criminal act directed against the Company by any officer or director of the Company acting individually or collectively or in collusion with any other organization or party involved in the presentation, defense, or settlement of any claim under this Agreement.

The date of loss on which any loss in excess of policy limits is incurred by the Company will be deemed to be as follows: (a) the date the claim is made under the original policy for policies issued on a claims made basis, or (b) the date the loss is discovered for policies issued on a losses discovered basis.

The Company will give notice to the Reinsurer, as soon as reasonably practicable, of any claims or losses which in the opinion of the Company are likely to result in a claim against this Agreement, and the Company will keep the Reinsurer advised of all material subsequent developments.

The Company shall, at any reasonable time, afford the Reinsurers the opportunity to review the Company's claim procedures in accordance with the ACCESS TO RECORDS ARTICLE herein.

The Reinsurers shall remit immediately their share of any loss covered hereunder upon reasonable evidence for the amount paid or to be paid given in writing by the Company to the Reinsurers.

CURRENCY

Wherever the word "Dollars" or the "$" sign appears in this Contract, they shall be construed to mean United States dollars (US$), except in those cases where the policies are issued by Company in Canadian Dollars, they shall mean Canadian Dollars (CAN$). Wherever the sign "£" appears in this Contract it shall mean British pounds sterling.

All payments made by either party shall be made in the currency of the original policy except that currencies other than those above shall be converted to sterling at the rate of exchange on the date such transaction is entered in the books of Company.

In the event Company is involved in a loss requiring payment in more than one currency hereunder. Company's retention and the amount recoverable hereunder shall be apportioned in the currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total ultimate net loss from all currencies paid by the Company.

ACCESS TO RECORDS

The Reinsurers or their designated representatives shall have free access at any reasonable time to all policy and claim records of the Company which pertain to this reinsurance.

OFFSET

Each party hereto shall have, and may exercise at any time and from time to time, the right to offset any balance or balances, whether on account of premiums or on account of losses or otherwise, due from each party to the other (or, if more than one, any other) party hereto under this Agreement; provided, however, that in the event of the insolvency of a party hereto, offsets shall be allowed only in accordance with the provisions of applicable insurance law.

TAX CLAUSE

In consideration of the terms under which this Agreement is issued, the Company undertakes not to claim any deduction of the premium hereon when making Canadian tax returns or when making tax returns other than Income or Profits Tax returns, to any State or Territory of the United States of America or to the District of Columbia.

FEDERAL EXCISE TAX

(Federal Excise Tax applies only to those Reinsurers, except underwriters at Lloyd's, London and other Reinsurers exempt from the Federal Excise Tax, who are domiciled outside the United States of America.)

A. The Reinsurers have agreed to allow, for the purpose of paying the Federal Excise Tax, the applicable rate of the premium payable hereon to the extent such premium is subject to Federal Excise Tax.

B. In the event of any return premium becoming due hereunder, the Reinsurers will deduct the applicable amount of Federal Excise Tax from the amount of the return and the Company or its Reinsurance Broker should take steps to recover the Tax from the United States Government.

ERRORS AND OMISSIONS

Any act, delays, omissions or errors inadvertently made in conjunction with this Agreement shall not be held to relieve either party hereto from any liability which would attach to it hereunder if such act, delay, omission, or error had not been made, provided such act, delay, omission or error is sought to be rectified as soon as possible after discovery.

INSOLVENCY

In the event of the insolvency of one or more than one of the Companies reinsured by this Agreement, this reinsurance shall be payable directly to the insolvent Company(ies), or to its liquidator, receiver, conservator or statutory successor, on the basis of the liability of the insolvent Company(ies) without diminution because of the insolvency of one or more than one of the Companies reinsured by this Agreement or because the liquidator, receiver, conservator or statutory successor of the insolvent Company(ies) has failed to pay all or a portion of any claim. It is agreed, however, that the liquidator, receiver, conservator or statutory successor of the insolvent Company(ies) shall give written notice to the Reinsurer of the pendency of a claim against the insolvent Company(ies), indicating the policy or bond reinsured, which claim would involve a possible liability on the part of the Reinsurer within a reasonable time after such claim is filed in the conservation or liquidation proceeding or in the receivership, and that during the pendency of such claim the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses that it may deem available to the insolvent Company(ies) or its liquidator, receiver, conservator or statutory successor. The expense thus incurred by the Reinsurer shall be chargeable, subject to the approval of the Court, against the insolvent Company(ies) as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the insolvent Company(ies) solely as a result of the defense undertaken by the Reinsurer.

Where two or more reinsurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expenses shall be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by the insolvent Company(ies).

The reinsurance shall be payable by the Reinsurer to the insolvent Company(ies) or to its liquidator, receiver, conservator or statutory successor, except as provided by applicable insurance law or except (1) where the Agreement specifically provides another payee of such reinsurance in the event of the insolvency of the Company(ies) and (2) where the Reinsurer with the consent of the direct insured or insureds has assumed such policy obligations of the insolvent Company(ies) as direct obligations of the Reinsurer to the payees under such policies and in substitution for the obligations of the insolvent Company(ies) to such payees. Prior to the implementation of a novation, any assumption certificates on New York risks must be approved in advance by the Superintendent of Insurance for New York.

ARBITRATION

Any disputes between the company and the Reinsurer arising out of, relating to, or concerning this Agreement, whether sounding in contract or tort and whether arising during or after termination of this Agreement, will be submitted for decision to a board of arbitration composed of two arbitrators and an umpire ("Board") meeting at a site in Philadelphia, Pennsylvania. The arbitration will be conducted under the Federal Arbitration Act and will proceed as follows:

A. Submission to Arbitration. A notice requesting arbitration, or any other notice made in connection therewith, will be in writing and will be sent certified mail, return receipt requested, to the affected parties. The notice requesting arbitration will state in particulars all issues to be resolved in the view of the claimant, the name of the claimant's arbitrator and will set a tentative date for the hearing, which will be no sooner than 90 days and no later than 150 days from the date that the notice requesting arbitration is mailed if one Reinsurer is involved, or no sooner than 180 days and no later than 240 days from the date that the notice requesting arbitration is mailed if more than one Reinsurer is involved.

Should more than one Reinsurer to this Agreement be involved in the same dispute or other matter in controversy, the Company may effect a consolidated arbitration by simultaneously serving notice upon each involved Reinsurer. The Reinsurers so served shall then act together as a single party for purposes of this Article provided that:

(a) Each Reinsurer shall have the ability to negotiate and reach a settlement of the dispute or matter in controversy separately from the other Reinsurers;

(b) Each Reinsurer has the right to its own attorney, position, and related claims and defenses;

(c) Each party will not, in presenting its position, be prevented from presenting its position by the position set forth by any other party; and

(d) The costs and expense of the consolidated arbitration, exclusive of attorney's fees (which will be borne exclusively by the respective retaining party) but including the expense of any stenographer requested and the fees of the umpire and arbitrators will be borne pro rata by each party actively participating in the consolidated arbitration or as the Board will determine to be fair and appropriate under the circumstances.

Within 30 days of receipt of the claimant's notice, or 60 days in the event of a consolidated arbitration, the respondent will notify the claimant of any additional issues to be resolved in the arbitration and of the name of its appointed arbitrator.

B. Arbitration Board Membership. Unless otherwise mutually agreed, the members of the Board will be impartial and disinterested and will be current or former (i) officers of property-casualty insurance companies or reinsurance companies, (ii) underwriters at Lloyd's, London, or (iii) lawyers who have worked or are working for an insurance company or a reinsurance company.

As time is of the essence, if the respondent fails to appoint its arbitrator within 30 days after having received the claimant's written request for arbitration, or 60 days in the event of a consolidated arbitration, the claimant is authorized to and will appoint the second arbitrator.

The two appointed arbitrators will choose an umpire before instituting the hearing. If the two arbitrators fail to agree upon the appointment of an umpire within 30 days after notification of the appointment of the second arbitrator, the two arbitrators will promptly request American Arbitration Association ("AAA") to appoint an umpire for the arbitration with the qualifications set forth above in this Article. If the AAA fails to name an umpire within 30 days of the arbitrators' request, either party may apply to a court of competent jurisdiction to appoint an umpire with the above required qualifications. The umpire will promptly notify in writing all parties to the arbitration of his selection and thereupon the Board will notify all parties of the scheduled date for the hearing. Upon resignation

or death of any member of the Board, a replacement will be appointed in the same fashion as the resigning or deceased member was appointed.

C. Submission of Briefs. The claimant and respondent shall each submit initial briefs to the Board outlining the issues in dispute and the basis, authority, and reasons for their respective positions within thirty (30) days of the date of notice of the appointment of the umpire if one Reinsurer is involved, or sixty (60) days of the date of notice of the appointment of the umpire if more than one Reinsurer is involved. The claimant and the respondent may submit reply briefs to the Board within ten (10) days after filing of the initial brief(s) if one Reinsurer is involved and within twenty (20) days after filing of the initial brief(s) if more than one Reinsurer is involved. Initial and reply briefs may be amended by the submitting party at any time, but not later than ten (10) days prior to the date of commencement of the arbitration hearing. Reasonable responses shall be allowed at the arbitration hearing to new material contained in any amendments filed to the briefs but not previously responded to.

D. Arbitration Award. The Board will make a decision and award with regard to the terms expressed in this Agreement, the original intentions of the parties to the extent reasonably ascertainable, and the practice of the reinsurance business which decision and award will be in writing and will state the basis for the decision and award.

The decision and award will be based upon a hearing in which evidence will be allowed and to which the formal rules of evidence will not strictly apply but in which cross-examination and rebuttal will be allowed. At the request of the Board, or at its own election, either party may submit a posthearing brief after the close of the hearing. The Board will make its decision and award within 30 days following the close of the hearing or the submission of posthearing briefs, whichever is later. Every decision by the Board will be by a majority of the members of the Board and each decision and award by the majority of the members of the Board will be final and binding upon all parties to the proceeding. Either party may apply to a court of competent jurisdiction within the State of Pennsylvania for an order confirming any decision and the award; a judgment of that Court will thereupon be entered on any decision or award. If such an order is issued, the attorney's fees of the party so applying and court costs will be paid by the party against whom confirmation is sought.

In its discretion, the Board may award interest at the prime rate as published in the Wall Street Journal (Eastern Edition) on the date of the award calculated from the date the Board determines that any amounts due

the prevailing party should have been paid to the prevailing party. The Board may not award punitive, exemplary, or treble damages.

E. Arbitration Expense. Except in the event of a consolidated arbitration, each party will bear the fee and expenses of the arbitrator appointed by it and one-half of the fee and expenses of the umpire. All other expense of the arbitration shall be equally divided between the parties.

F. Evidence. Subject to customary and recognized legal rules of privilege, each party participating in the arbitration will have the obligation to produce, within the limits of its control, those documents and as witnesses to the arbitration those of its employees, those of its affiliates, and those of any intermediary or underwriting manager as any other participating party reasonably requests providing always that the same witnesses and documents be obtainable and relevant to the issues before the arbitration and not be unduly burdensome or excessive. The parties may mutually agree as to pre-hearing discovery prior to the arbitration hearing and in the absence of agreement, upon the request of any party, pre-hearing discovery may be conducted as the Board will determine in its discretion to be in the interest of fairness, full disclosure, and a prompt hearing, decision, and award by the Board. The Board will be the final judge of the procedures of the Board, the conduct of the arbitration, the rules of evidence, the rules of privilege and production, and of excessiveness and relevancy of any witnesses and documents upon the petition of any participating party. To the extent permitted by law, the Board will have the authority to issue subpoenas and other orders to enforce its decisions. The Board will have the authority to issue interim decisions or awards in the interest of fairness, full disclosure, and a prompt and orderly hearing, decision, and award.

G. Equitable Relief. Nothing herein will be construed to prevent any participating party from applying to a federal district court or other court of competent jurisdiction to issue a restraining order or other equitable relief to maintain the "status quo" of the parties participating in the arbitration pending the decision and award by the Board or to prevent any party from incurring irreparable harm or damage at any time prior to the decision and award of the Board.

SERVICE OF SUIT

(This Article is applicable only to an unauthorized Reinsurer in the State of New York or to the Reinsurer who is domiciled outside the United States of America.)

It is agreed that in the event of any dispute or the failure of the Reinsurer hereon to pay any amount claimed to be due hereunder, the Reinsurer hereon, at the request of the Company, will submit to the jurisdiction of a court of competent jurisdiction within the United States of America.

Nothing in this clause constitutes or should be understood to constitute a waiver of the Reinsurer's rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any State in the United States.

It is further agreed that service of process in such suit may be made upon Messrs. Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829, and that in any suit instituted against any one of them upon this contract, the Reinsurer will abide by the final decision of the Court or of any Appellate Court in the event of an appeal.

The above-named are hereby authorized and directed to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon the Reinsurer's behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the Reinsurer hereon hereby designates the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this contract of reinsurance, and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or true copy thereof.

SECURITY AND UNAUTHORIZED REINSURANCE

A. If any Reinsurer is unauthorized or otherwise unqualified in any state or other United States jurisdiction, and if, without such security, a financial penalty to Company would result on any statement or report it is required to make or file with regulatory authorities, for reasons of Company's financial security and condition, that Reinsurer will secure, at the inception hereof and within thirty (30) days after the end of each calendar quarter (but no later than December 31 of each year as respects the fourth quarter), its share of "obligations" under this Agreement in a manner, form and amount acceptable to Company and to all applicable regulatory authorities by either:

1. Clean, irrevocable, and unconditional evergreen letter(s) of Credit issued and confirmed, if confirmation is required by the applicable insurance regulatory authorities, by a bank or banks meeting the NAIC Securities Valuation Office credit standards for issuers of letters of credit and acceptable to Company and those insurance regulatory authorities;

2. A trust fund meeting at least the standards of New York's Insurance Regulation 114.

3. Cash advances or funds withheld or a combination of both ("deposit of funds").

The initial amount of this security shall be delivered to the Company no later than the first December 31 following the effective date of this Agreement. If Reinsurer fails to provide the security as required by this paragraph by the first December 31st following the effective date of this Agreement, or any anniversary thereof, Reinsurer will secure its obligations under this Agreement at a time, in a manner and form from among the above three options, and in an amount, all as designated by and acceptable to Company in its sole discretion and to insurance regulatory authorities.

B. The "obligations" referred to herein shall mean the then current (as of the end of each calendar quarter) sum of:

1. The amount of ceded unearned premium for which Reinsurer is responsible;

2. The amount of paid losses and allocated loss adjustment expenses paid by Company for which Reinsurer is responsible but not yet recovered from the Reinsurer;

3. The amount of ceded reserves for losses reported and outstanding, as well as for reserves for allocated loss adjustment expenses, for which Reinsurer is responsible;

4. The amount of ceded reserves for the development of losses reported and outstanding, as well as for the development of allocated loss adjustment expenses, for which Reinsurer is responsible;

5. The amount of return and refund premiums for which Reinsurer is responsible but not yet recovered from Reinsurer.

C. If any Reinsurer is unauthorized in any province or jurisdiction of Canada, that Reinsurer agrees to fund one hundred fifteen percent (115%) of its share of Company's ceded Canadian unearned premium and outstanding loss and loss adjustment expense reserves by cash advances, if, without such funding, a penalty would accrue to Company on any financial statement it is required to file with the insurance regulatory authorities involved.

D. Company, or its successors in interest may draw, at any time and from time to time upon the:

1. established letter of credit (or subsequent cash deposit);

2. established trust fund (or subsequent cash deposit); or

3. deposit of funds;

without diminution or restriction because of the insolvency of either Company or Reinsurer for one or more of the following purposes:

a. To make payment to and reimburse Company for Reinsurer's share of paid loss and allocated loss adjustment expense paid by Company under its "subject policies" and for which Reinsurer is responsible under this Agreement that is due to Company but unpaid by Reinsurer;

b. To make payments to Reinsurer of any amounts held thereby that exceed the amount required to fund Reinsurer's "obligations" under this Agreement provided that if a trust fund is applicable, only the excess of one hundred two (102%) percent of the amount required to fund Reinsurer's "obligations" may be released.

c. To make payment to and reimburse Company for other amounts due Company under this Agreement from Reinsurer including but not limited to Reinsurer's share of premium refunds and returns; and

d. To obtain a cash deposit of the entire amount of the remaining balance under the established letter of credit or established trust fund ("cash deposit") in the event that Company:

(i) has received notice of non-renewal or expiration of the letter of credit or trust fund;

(ii) has not received assurances satisfactory to Company of any required increase in the amount of the trust fund or letter of credit, or its replacement or other continuation of the letter of credit at least thirty (30) days before its stated expiration date;

(iii) has been made aware that others may attempt to attach or otherwise place in jeopardy the security represented by the letter of credit or trust fund; or

(iv) has concluded that the trustee or issuing (or confirming) bank's financial condition is such that the security represented by the trust fund or letter of credit may be in jeopardy;

and under any of those circumstances where Reinsurer's entire "obligations" or part thereof, under this Agreement remain unliquidated and undischarged at least thirty (30) days prior to the stated expiration date or at the time Company learns of the possible jeopardy to the security represented by the letter of credit or trust fund.

E. If Company draws on the letter of credit or trust fund to obtain a cash deposit, Company shall hold the amount of the cash deposit so obtained in the name of Company in any solvent United States Bank or Trust Company that is a member of the Federal Reserve System and insured by the Federal Deposit Insurance Corporation in trust solely to secure the "obligations" referred to above and for the use and purposes enumerated above and to return any balance thereof to Reinsurer:

(1) upon the complete and final liquidation and discharge of all the Reinsurer's obligations to Company under this Agreement; or

(2) in the event Reinsurer subsequently provides alternate or replacement security consistent with the terms hereof and acceptable to Company.

F. Company will prepare and forward at least quarterly to Reinsurer a statement for the purposes of this Article, showing Reinsurer's share of "obligations" as set forth above. If Reinsurer's share thereof exceeds the then existing balance of the security provided, Reinsurer shall, within fifteen (15) days of receipt of Company's statement, but never later than December 31 of any year, increase the amount of the deposit of funds, the trust fund, the letter of credit, or the cash deposit to the required amount of Reinsurer's share of "obligations" set forth in Company's statement.

Subject to the one hundred two (102%) percent restraints with respect to trust funds, if Reinsurer's share thereof is less than the then existing balance of the deposit of funds, trust account, letter of credit, or cash deposit as provided for above, Company will release the excess thereof to Reinsurer upon Reinsurer's written request.

G. Reinsurer shall not attempt to prevent Company from holding the deposit of funds, drawing on the letter of credit or trust fund or holding the cash deposit so long as Company is acting in accordance with this Article.

H. The assets deposited in the trust fund shall be valued according to their current fair market value and shall consist only of cash (U.S. legal tender), certificates of deposit issued by a United States Bank and payable in cash, and investments of the types specified in Section 1404 (a)(1)(2)(13) of the New York Insurance Law. Investments issued by the parent, subsidiary, or affiliate of either Company or Reinsurer shall not be eligible investments. All assets so deposited shall be accompanied by all necessary assignments, endorsements in blank, or transfer of legal title to the trustee in order that the Company may negotiate any such assets without the requirement of consent or signature from reinsurer or any other entity.

I. All settlements of account between Company and Reinsurer shall be made in cash or its equivalent.

J. Company's "successors in interest" shall include those by operation of law, including without limitation, any liquidator, rehabilitator, receiver, or conservator.

K. Any income earned and received by the amount held in a trust fund shall be added to the principal thereof.

L. Reinsurer will take any other reasonable steps that may be required for Company to take full credit on its statutory financial statements for the reinsurance provided by this Agreement.

M. Company may apply the Canadian cash advances under paragraph C above to satisfy Reinsurer's obligations to Company in the same fashion as if it were drawing on the letter of credit (or subsequent cash deposit), trust accounts or deposit of funds.

PREMIUM LETTERS OF CREDIT

Non admitted reinsurers hereon agree to provide a Premium Letter of Credit for the funding purposes. The amount of such funding on this treaty is calculated by applying the following criteria and rates:

12 MONTHS	24 MONTHS	36 MONTHS	48 MONTHS
30%	30%	20%	0%

The amount of such funding shall constitute the percentage shown of the positive difference between the Ceded Earned Premium, for sections A and B, received by reinsurers, net of ceding commission and the total of all ceded paid losses, ceded paid allocated loss expenses and ceded case reserves net of reinstatement premiums. However, such funding not to exceed the amount required to offset the actual schedule F. penalty to $3,000,000 xs $2,000,000.

The first calculation of the funding shall be made at December 31st, 1999 and shall be recalculated at 12 month intervals until 36 months after the initial calculation when the Company agrees to return the Letter of Credit to Reinsurers.

For purposes of this provision any LOC issued shall be advanced in the equivalent amount of US$ only and funding shall not exceed the amount required to offset the actual schedule F. penalty to the limits exposing this contract.

INTERMEDIARY

Aon Re Inc., an Illinois corporation, or one of its affiliated corporations duly licensed as a reinsurance intermediary, is hereby recognized as the Intermediary negotiating this Agreement for all business hereunder. Payments by the Company to the Intermediary will be deemed payment to the Reinsurers. Payments by the Reinsurers to the Intermediary will be deemed payment to the Company only to the extent that such payments are actually received by the Company.

OTHER TERMS AND CONDITIONS
