Brazil

[New seafarer immigration controls now effective](#)

Brazil will only accept seafarer identity cards (SIDs) that have been issued in compliance with ILO No. 185, the Seafarers' Identity cards Convention, as of May 1, 2023. There are no visa requirements for stays up to 180 days if entering is through Brazilian territory on a vessel or demonstrate that the purpose of entry is to embark on a vessel in Brazilian waters.

Canada

[IRCC considering new method of processing work permits for TWFP participants](#)

Immigration, Refugees and Citizenship Canada (IRCC) is looking at a new procedure for handling work permits for some foreign employees according to a recent Access to Information Request (ATIP). The policy, which was put out in December 2022, would be applicable to foreign employees who currently possess a work visa for Canada and are requesting a new one so they may continue to work in the same profession for the same business.

Canada

[New passports, online renewals forthcoming](#)

The Canadian Government has unveiled a brand-new passport design with cutting-edge security measures to protect citizens' identities, including a polycarbonate data page—a technology like that of the country's driver's licenses. The data page on passports will henceforth be laser-engraved rather than inked-printed, making it more resilient and immune to fraud and counterfeiting.

Thailand

[Long-term resident visa application process updated](#)

The Thai government has revised the application procedure for long-term resident visas. Individuals can no longer seek for a work permit until their LTR visa applications have been submitted and approved. Foreign nationals must apply for their work permit right away using the LTR web portal after receiving their LTR visa. They must schedule an appointment with the

Department of Employment to get their digital work permit after authorities have approved their work permit application

Bulgaria

[Bulgaria implements stricter visa policy, unused Schengen visas no longer valid for entry](#)

The Bulgarian authorities have announced that persons entering the country on a Schengen visa would no longer be subject to the same regulations as previously. According to a new ruling that went into effect in late April, anyone from outside the EU who has a valid Schengen visa but hasn't used it to travel a Schengen member state before arriving in Bulgaria would not be allowed entrance.

Spain

[Spain considers either doubling minimum investment for golden visas or abolishing the program](#)

The Government of Spain is debating whether to keep the Golden Visa Programme, which was introduced by the Mas Pais party, or to either raise the minimum investment requirement. The Head of the Spanish Mas Pais party emphasized that the programme does not serve the national economy, drives out local population and that the golden visas stimulate speculation in home prices in this country.
