

# Issues and Insights

*Issues and Insights* brings you our take on the news affecting your business now. It's valuable information in a format you can use.

## Hot topics

### Reimagine your workforce management

Hospitals have always faced staffing snafus. Now, digital transformation enables them to centralize scheduling, increase transparency, and streamline costs for smoother workforce operations.

### May Industrial Production: Still some punch left

Though interest rates began to affect manufacturing production in May, the sector currently remains on solid footing. The question is, how long will it last? KPMG senior director, Tim Mahedy, shares his analysis in a new video.

### How to win in the age of the complex deal

Deals today are aimed at ambitious strategic goals—transforming operating models or acquiring digital capabilities, for example. Success requires a relentless focus on strategic value, synergies, and preventing value leakage.

### BEPS 2.0 is coming. We'll help you get ready.

BEPS proposals may bring challenges to your organization. Now, the proprietary KPMG BEPS 2.0 model, built on the KPMG Digital Gateway, lets you assess—and begin preparing for—those challenges in as little as one hour.
