KPMG has the hands-on experience to help companies adopt and effectively use SFMC

We have a defined, tried and tested Salesforce Delivery Model. We use an agile approach, customized based on the client and industry, to retain flexibility and nimbleness as we work through SFMC planning and configuration. We aim to strike the right balance between efficient and effective agile delivery and quality safeguards and controls.

ADVISORY - Strategic guidance and planning for SFMC implementations, maturity model, gap analysis, roadmap creation and design

CROSS-CLOUD SOLUTION DESIGN - Environment architecture and solution design, personalization field mapping, security

IMPLEMENTATION AND MIGRATION - Migration of campaigns and configuration from existing platform and build out of the SFMC org

MANAGED SERVICES - Campaign creation, scheduled and automated sends, ongoing maintenance, reporting, etc.

We also understand how hard it is to deliver successful change within a marketing team so we offer a tried and tested, people-centric approach to end-user enablement and training. Our deep understanding of Marketing Cloud products will help companies use these products to maximum effect.
