[The next frontier of global mobility: Expect more from Generative AI \(kpmg.com\)](#)

## FINANCE

**Why is the banking industry eager to embrace transformation?**  
We surveyed 200 banking executives to capture the challenges and opportunities they face and the efforts they're making to evolve quickly. See what they told us. [2024 U.S. Banking Industry Outlook Survey \(kpmg.com\)](#)

**CFOs "lean in" to enterprise risk management**  
CFOs today are often called upon to manage risk with decision-maker responsibilities. When boards and leaders lack oversight into how their companies manage enterprise risk, CFOs help bridge the gap, so risks are prioritized, capital is allocated, and leadership can make informed decisions. Learn their key considerations here. [CFOs Tackle Enterprise Risk Management \(kpmg.com\)](#)

**What's the latest on resolution and living wills?**  
KPMG examines final guidance from the FDIC/FRB and provides both an overview and detailed insights on the recent issuances. It's everything you need to know, all in one place. [Resolution & Living Wills: FDIC/FRB Final Guidance \(kpmg.com\)](#)

## TAX

**Information reporting for U.S. digital asset brokers**  
Learn the requirements for a U.S. digital asset broker to file information returns and furnish payee statements that report gross proceeds on sales of digital assets under the final broker digital asset reporting regulations, as published in the Federal Register on July 9, 2024.
