House passes bill to exclude electric vehicles with batteries from prohibited foreign entities from clean vehicle credit

The U.S. House of Representatives today passed H.R. 7980, the “End Chinese Dominance of Electric Vehicles in America Act of 2024,” by a vote of 217-192.

The legislation would exclude vehicles the batteries of which contain materials sourced from prohibited foreign entities from the clean vehicle credit under section 30D.
