Bahamas: Issues Reminder on Including U.S. TINs and DOBs in FATCA Reports

On 5 October 2026, the Bahamas Ministry of Finance issued a public notice reminding Reporting Financial Institutions (RFIs) of the importance of including the relevant account holders' U.S. Taxpayer Identification Numbers (TINs) and dates of birth (DOBs) in FATCA reports submitted through the AEOI Portal. Providing this information helps ensure the completeness and accuracy of the reports, supports compliance with IRS reporting requirements, and facilitates effective processing. RFIs are advised to review their records and correct any missing or inaccurate information before submitting their reports.
